PRELIMINARY AND DEFINITIONS APPLYING TO ALL THE CODES.

PRELIMINARY.

I. No standing order not contained in these Codes should be quoted or trusted in deciding or submitting for orders, any question affecting Pensions, Leave, or Acting Allowances to Officers engaged in the Civil Administration. If any Officer thinks that any order not embodied in these Codes ought to be revived, he should refer the question, through the proper channel, to the Government of India. Without the special authority of the Government of India, no such order is valid.

DEFINITIONS.

II. In these Codes, unless there be something repugnant in the subject or context— Interpretation clause.

ABSENTEE means an Officer absent, whether on leave, under suspension, or on duty, from an appointment on which he has a lien.

ACCOUNTANT GENERAL includes "Comptroller General" and "Comptroller." When used in reference to a Public Servant applying for leave, or on leave, "Accountant General" means the Officer who audits the pay and allowances of such Public Servant.

ACTIVE SERVICE includes besides time spent on duty in India,

[NOTE.—An Officer recalled to duty before the expiry of leave in India other than privilege leave, is treated as on duty from the date on which he starts for the station to which he is ordered.]

(*a*) Privilege Leave of Absence;

1. "Privilege Leave" includes the corresponding leave (called "Short Leave on Private Affairs" and "Leave on Private Affairs") under the Covenanted Service Leave Rules in force before the 1st July 1868.

(*b*) Subsidiary Leave of Absence;

1. "Subsidiary Leave" includes the corresponding leave (called "Special Leave") under the Covenanted Service Leave Rules in force before the 1st July 1868, and also Preparatory Leave under the Uncovenanted Service Leave Rules.

(*c*) Time spent on the voyage to India by an Officer who is recalled to duty before the expiry of

any recognised leave out of India, and (if within a year from the date on which he can be spared, the Officer takes the unexpired portion of the leave from which he was recalled) the time spent on the return voyage to Europe.

(*d*) And, for purposes of Pension, period of absence from India on duty of an Officer deputed or detained out of India on duty.*

In the case of a Chaplain, Active Service includes also—

(*e*) Time passed in India out of employ, but not on leave.

In the case of a Covenanted Civil Servant, not being a Native Civil Servant, Active Service includes also—

(*f*) The interval between the date of an Officer's first arrival in India, and the date on which he joins his first appointment;

1. The date of an Officer's first arrival in India is held to be as follows:—

Before the 31st January 1868;—the date of his actual arrival in India.

From the 31st January 1868 to the 4th May 1869, inclusive;—the date on which he reported his arrival at the capital town of the Presidency to which he was attached; or, if he was attached to the North-Western Provinces, the Punjab, or Oudh, and had permission to enter India *viâ* Bombay, the date on which he reported his arrival at Bombay.

From the 5th May 1869;—

(I) In the case of an Officer who is posted in England to Upper India, and arrives *viâ* Bombay, and who has been instructed by the Secretary of State to enquire at the Secretariat of the Government of Bombay for any orders as to his ultimate destination,

(*a*) if he receives no orders at Bombay;—the date on which he reports himself at Allahabad to the Secretary to the Government of India in the Home Department, and to the Secretary to Government of the North-Western Provinces;

(*b*) if he receives orders at Bombay;—the date on which he reports his arrival at any Station or Province to which he is attached by such orders.

(II) In the cases of any other Officer;—the date on which he reports his arrival at the capital town of the Presidency or Province to which he is attached.

* In a despatch, No. 16, dated 18th January 1877, the Secretary of State declined to lay down a general rule that the period of absence of an Officer Deputed or Detained on Duty out of India shall count as service for Leave as well as for Pension, and wrote—"The occasions when Indian Officers are employed out of India on duty are comparatively so rare, and the circumstances of their employment vary so much, that it will be preferable to consider each case that may arise in future on its merits, and this course I shall be prepared to adopt."

Below Clause (I) *and under* "In the case of a Military Officer subject to Civil Rules, ACTIVE SERVICE includes also", *insert the following note*:—

[NOTE.—But see Proviso (ii) under Section 47, Civil Leave Code.]

(76) (*No* 2875, *dated* 30*th November* 1882.)

2. If an Officer does not join his first appointment within the joining time allowed him, the interval between the end of such joining time and the date on which he actually joins is not Active Service.

(*g*) Time passed in India, out of employ, on Subsistence Allowance, but not on Furlough;

1. If a Covenanted Civil Servant, on his first arrival in India, is unable, from illness, to proceed to the seat of the Government to which he is attached, or to any other Station to which he is ordered to proceed direct, the Local Government in whose jurisdiction he is may, on Medical Certificate, grant to him a Subsistence Allowance of two hundred and fifty rupees a month for not more than two months. Time thus spent is not Active Service.

(*h*) Leave of Absence within the limits of the East India Company's Charter, which counted as Service and Residence under the Covenanted Service Leave Rules in force before the 8th June 1855;

(*i*) Leave of Absence on Urgent Private Affairs granted before the 3rd January 1863.

1. Examination Leave of Absence is also Active Service; provided that not more than twelve months of such Leave can be so reckoned to any Officer and that Leave granted under Clauses (*c*) and (*d*) of Rule 1 under Section 76 of the Civil Leave Code is not reckoned as Active Service, unless the Officer passes the examination for which the Leave is granted.

2. One year of Leave of Absence on Medical Certificate was reckoned as "Residence" under the Covenanted Service Leave Rules in force before the 1st July 1868. This is not reckoned as Active Service.

In the case of a Native Civil Servant, ACTIVE SERVICE means any Active Service in the Covenanted Civil Service, and includes also any period, not exceeding two years, spent on probation in India.

In the case of a Military Officer subject to Civil Rules, ACTIVE SERVICE includes also—

(I) The time spent on duty in India between the date on which he became subject to the Military Furlough and Leave Rules of 1875, and the date on which he joined his first substantive Civil appointment:

(II) Leave granted under Rule 10 of the Military Furlough and Leave Rules of 1875:

(III) Time passed in India, out of employ, on Civil Subsistence Allowance, but not on Furlough.

1. Rule 1 under Clause (*i*) above applies also to Military Officers subject to Civil Rules.

APPOINTMENTS are said to be in the same "Class" when they are in the same Department, and bear the same designation, or have been declared by the

Government of India to be in the same Class. Appointments in the same Class are sometimes divided into "Grades" according to pay.

[NOTE.—Appointments do not belong to the same Class or Grade unless they have been so constituted or recognised by proper authority. There are no Classes or Grades of Ministerial Officers; a Ministerial Officer therefore may be appointed to act for another Ministerial Officer in the same Office whose pay is higher than his own, it being, however, borne in mind that Chapter VIII of the Pay and Acting Allowance Code applies to Ministerial Officers on progressive pay, and that, except as provided in that Chapter, a Ministerial Officer appointed to act for another whose pay is progressive cannot draw more than the minimum pay of the Office in which he acts. If the pay of two or more Officers progresses from the same minimum to the same maximum, one of them whose pay happens to be, at the moment, lower, cannot act for another of them whose pay is, at the moment, higher.]

AVERAGE EMOLUMENTS for the purposes of pension means the average calculated upon the last five years of service.

1. If, during the last five years of his service, an Officer has been absent from duty on Leave With Allowances, or, having been suspended, has been, under Section 95 of the Civil Pension Code, reinstated without forfeiture of service, his Emoluments, for the purpose of ascertaining the Average, should be taken at what they would have been had he not been absent from duty or suspended: Provided always that his pension must not be increased on account of increase in pay not actually drawn. But if his leave is reckoned as service under Section 93, Rule 2 of the Civil Pension Code, only the allowances actually received during the Leave should be taken into account.

2. If, during the last five years of his service, an Officer has been absent from duty on Leave Without Allowances, or in Inferior Service, or suspended under such circumstances that the period of suspension does not count as service, the periods so passed should be disregarded in the calculation of the Average, an equal period before the five years being included.

3. Excepting as provided in Rules 1 and 2, only emoluments actually received can be included in the calculation. For example, when an Officer is allowed to count time retrospectively towards increase of pay, but does not receive retrospectively the intermediate periodical increments, these intermediate increments are not reckoned in the calculation.

4. In the case of Section-writers and Press-servants whose service qualifies under Section 73 of the Civil Pension Code, "Average Emoluments" means the average of the last seventy-two monthly bills exceeding ten rupees.

AVERAGE SALARY—(I). For the purposes of Chapter V of the Civil Leave Code,

means the salary which an Officer has earned during so much of his continuous Active Service as is within the three years preceding the day on which he gives up office: Provided that

neither Subsidiary leave, nor any period during which an Officer has been out of employ in India otherwise than as a penalty for misconduct, shall be included in Active Service for the purposes of such calculation; and provided also that the Leave Allowances of an Uncovenanted Officer shall in no case exceed his actual salary when he takes Leave.

(II). For the purposes of Chapter VI of the Civil Leave Code,

means the Average Salary for a month, calculated for so much of the three years immediately preceding the day on which a Native Civil Servant gives up Office as he has passed on duty, or on Privilege or Examination Leave. Average Salary in excess of Rs. 1,400 a month is not reckoned.

(III). For the purposes of Chapter X of the Civil Leave Code,

means the Average Salary for a month, calculated for so much of the three years immediately preceding the day on which the Officer gives up Office as he has passed on Duty, or on Privilege Leave. But whenever an Officer whose appointment is not gazetted takes Leave for not more than one month, or whenever such an Officer's salary is less than three hundred rupees, his pay (not salary) when he gives up Office is to be taken in lieu of "Average Salary." "Half Average Salary" is always subject to a maximum of Rs. 500 a month if paid in India, and £150 a quarter if paid at the Home Treasury of the Government of India. "One Quarter Average Salary" is always subject to a maximum of Rs. 400 a month if paid in India, and £120 a quarter if paid at the Home Treasury:

Provided always that the Allowances of an Officer during Leave shall in no case exceed his actual salary when he takes Leave.

BARRISTER means a practising Barrister of England or Ireland and a practising Member of the Faculty of Advocates of the Court of Session of Scotland. It does not include a person who, though a Barrister, has never practised the profession of Barrister.

Definitions.

CALENDAR MONTH.—Whenever it is necessary to calculate a period in "Calendar months," the period ends either on the day of the month corresponding with the day before the day on which it begins, or, if there is no such corresponding day in that month, then on the last day of the month.

Examples.

A period of six Calendar Months beginning on the—	ends on the
28th February	27th August.
31st March or 1st April	30th September.
29th August	28th February.
30th August to 1st September	last day of February.
A period of three Calendar Months beginning on the—	
29th November	28th February.
30th November or 1st December	last day of February.

[NOTE.—See Civil Leave Code, Section 13, and Section 162, Rules 12 and 14. The first day of an Officer's leave is the first day on which he has not charge of his office after noon, and the last day of his leave is the last day on which he has not charge before noon.]

CLASS AND GRADE.—(*See* APPOINTMENTS.)

CONSOLIDATED PAY includes Military Pay and Allowances or Staff Corps Pay, which cannot be separately drawn.

CONTINUOUS SERVICE and CONTINUOUS ACTIVE SERVICE mean the Service and Active Service of an Officer since his last return from Furlough or Extraordinary Leave lasting more than three months; or, if he have not had such leave, since the beginning of his Active Service. No leave may be included in Continuous Service, except Privilege Leave and Special Leave.

[NOTE.—See Civil Leave Code, Section 162, Rule 10.]

1. Examination Leave may also be included, unless the Officer have already had twelve months' such Leave, or, in the case of Leave granted under Clauses (*c*) and (*d*) of Rule 1 under Section 76 of the Civil Leave Code, unless the Officer have failed to pass the examination for which the Leave was granted.

COUNT.—(*See* QUALIFY.)

COVENANTED CIVIL SERVANT.—A "Covenanted Civil Servant" is a Member of the Covenanted Civil Service, and includes, except for the purposes of Proviso (3) under Section 16 and Chapter V of the Civil Leave Code, a Native Civil Servant.

COVENANTED CIVIL SERVICE means the Bengal, Madras, and Bombay Covenanted Civil Services of the Crown.

Definitions.

EMOLUMENTS for the purpose of the Civil Pension Code means the emoluments which the Officer was receiving immediately before his retirement, and include: (1)—Pay; (2)—Personal Allowance; (3)—Fees or Commission, if they are the authorised emoluments of an appointment, and are *in addition* to Pay, and Commission in the case of a Thoogyee: in these cases "Emoluments" means the average earnings of the last six months of service. (4)—Charge Allowance to Signallers in the Telegraph Department; (5)—Bullock Train and Punjab Military Horse Van Dâk Allowances in the Post Office Department; (6)—Allowances attached to a Minor Professorship in a Medical College under the Medical Warrant of 1867; (7)—Allowances attached to a Professorship or Lecturership in a Government institution; (8)—Acting Allowances and allowances drawn by an Officer appointed substantively *pro tempore*, if the *pro tempore* or acting service counts under Section 70, Rule 3, as the case may be.

1. In the case of Section-writers and Press-servants whose service qualifies under Section 73, "emoluments" means the average earnings of the last six months of service; but for calculating Gratuity on the superior scale, it means the average of the last six monthly bills exceeding ten rupees.

EXTRAORDINARY LEAVE means Special Furlough granted under Rule 8 of the Military Furlough and Leave Rules of 1875, Leave Without Allowances granted under Section 133 of the Civil Leave Code, and Leave of Absence from Duty granted otherwise than under the Rules of the Civil Leave Code.

Example.—Leave in extension of the three years admissible under Section 50 of the Civil Leave Code.

FOREIGN SERVICE means service under a Native State, Municipality, Port Trust, Court of Wards, or other body financially independent of the Government of India. Service which is paid from a Local Fund under such circumstances that it does not qualify, is also Foreign Service.

GRADE AND CLASS—(*See* APPOINTMENTS.)

GRATUITY—(*See* PENSION.)

LOCAL ALLOWANCE.—A "Local Allowance" is an allowance, not specially declared to be "Pay" or "Salary," given to an Officer in addition to pay or salary, either for duties which do not properly belong to his office, or in consideration of exceptional local circumstances, such as the unhealthiness or expensiveness of the locality or duty, or the specially arduous nature of the work. A Local Allowance is paid in full to the Officer actually present on duty, and is not taken into account in calculating Leave Allowances or Pension. (*But see Section 14 and Rule 10 under Section 75, Civil Leave Code.*)

LOCAL FUND.—When revenue derived from special sources is devoted to special objects, and not to the general purposes of the Administration, whether Imperial or Provincial, the revenue so devoted forms a "~~Local Fund~~." "Local Fund" does not include a Municipality or any Trust Fund. An "Incorporated Local Fund" is a Local Fund, the receipts of, and disbursements from, which are incorporated in the Public Accounts. An "Excluded Local Fund" is a Local Fund, the receipts of, and disbursements from, which are not incorporated in the Public Accounts. The following are the Excluded Local Funds:—

" , and under the Rules in the Civil Leave and Pay and Acting Allowance Codes."—(21) (*No.* 2401, *dated* 19*th August* 1881.)

LOCAL GOVERNMENT.—Except for the purposes of Section 25 of the Pay and Acting Allowance Code, "Local Government" includes a Chief Commissioner (including the Chief Commissioner of the Andaman and Nicobar Islands, excepting in the case of Officers appointed directly by the Government of India), the Resident at Hyderábád, the Agents to the Governor General in Rajputáná and Central India; and, as regards Officers under their orders, excepting Officers appointed directly by the Government of India, the Director General of the Post Office of India, the Surveyor General of India, the Commissioner of Inland Customs, the Inspector General of Ordnance, Bengal, the Commissary General, Bengal, the Director General of Telegraphs, the Director-in-Chief, Indo-European Telegraphs, the Inspector General of Military Works, and the Director General of Railways.

Orders (2407 N.

MILITARY OFFICERS.—"A Military Officer subject to Civil Rules" means a Military Commissioned Officer in permanent Civil employ (not being a Warrant Officer) who is not subject to the Military Furlough Rules of 1854 or 1868. All Military Officers in Civil employ who entered the Staff Corps or the Indian Medical Service after the 31st December 1875 are "subject to Civil Rules."

"A Military Officer subject to Military Rules" means a Military Commissioned Officer in permanent Civil employ (not being a Warrant Officer) who is subject to the Military Furlough Rules of 1854 or 1868, or a Warrant Officer. Such an Officer is not included in "an Officer" in the Civil Leave Code. All Military Officers who were in Civil employ on the 30th December 1875, and have been since continuously in such employ, are "subject to Military Rules," excepting any who may have elected the Rules of 1875, before the 7th December 1877.

"All Military Officers" means both Military Officers subject to Civil Rules, and Military Officers subject to Military Rules.

[NOTE.—A Military Officer in the Military Secretariat of the Government India, Madras, or Bombay is not "in Civil Employ."]

NATIVE CIVIL SERVANT.—"A Native Civil Servant" is a Native of India appointed to an office in the Covenanted Civil Service in accordance with the Rules framed under Section 6, Act 33, Vic., Cap. 3.

NATIVE OF INDIA means any person born and domiciled within the dominions of Her Majesty in India, or within the territories of Indian Princes tributary to, or in alliance with, Her Majesty, of parents habitually resident in India, and not established there for temporary purposes only.

OFFICER.—In the Civil Leave Code, "an Officer" means an Officer of any class to whom Leave of Absence from duty may be granted under the Rules of that Code, and does not therefore include "a Military Officer subject to Military Rules."

PAY AND SALARY.—"Pay" means "Monthly Substantive Pay," and includes for the purpose of calculating Pension the pay and emoluments which the Officer was receiving immediately before his retirement. For the purposes of Chapter V of the Civil Leave Code, "Pay" includes also the

Subsistence Allowance of a Covenanted Civil Servant, or a Military Officer subject to Civil Rules who has an officiating, but not a substantive, appointment. In the case of Section-writers and Press-servants whose service qualifies under Section 73, it means the average earnings of the last six months of service. "Salary" means the sum of Pay and Acting Allowance or Charge Allowance under Sections 7 and 36 of the Pay and Acting Allowance Code.

2. If an Officer whose whole time is retained for the public service is appointed to hold conjointly with any other Government Office a Minor Professorship under the Medical Warrant of April 1867, or a Professorship or Lecturership in any Government institution, the allowances received by him in such appointment are part of his salary.

3. "Salary" does not include House-rent, Tentage, or Travelling Allowances, whether daily, monthly, or yearly; nor does it include Local Allowances.

PENSION.—Except when the term "Pension" is used in contradistinction to Gratuity, "Pension" includes "Gratuity."

PENSIONABLE OFFICE AND PENSIONABLE SERVICE.—Service is said to be "Pensionable" when it qualifies: and an Office is said to be "Pensionable" when service therein counts.

PROGRESSIVE APPOINTMENT means an appointment, the pay of which is progressive.

PROGRESSIVE PAY is pay which, subject to the good behaviour of an Officer, rises, by periodical increments, from a minimum to a maximum.

[*Note.*—For brevity's sake, a Progressive Pay is described by three groups of figures, namely, the minimum, the increment, and the maximum. *Example.*—A pay of Rs. 100-20-200 means a pay rising from Rs. 100 by a yearly increment of Rs. 20 to Rs. 200.]

QUALIFY.—"Qualify" and "Count" mean qualify and count for Pension or Leave of Absence.

RULE OF PROPORTIONS.—When Pension or Leave Allowances are said to be chargeable to several accounts according to the "Rule of Proportions," the meaning is that the charge should be debited to such several accounts in the proportions in which, in the case of Pension, the

aggregate pay drawn by the Officer during the whole of his qualifying service has been paid from them; or in the case of Leave Allowances, the aggregate salary drawn by the Officer during the portion of his service immediately preceding the beginning of his leave which is taken into account in calculating the leave granted to him was charged to such several accounts.

The following is the service to be thus taken into account in respect of Leave Allowances :—

Barrister.

5. A Covenanted Civil Servant is not entitled to any special privileges by reason of his being a Barrister, and an Uncovenanted Officer is not entitled to any special privileges by reason of his being a Barrister, unless, on his first admission to the Service, he is appointed to some office in which the Local Government, with the sanction of the Government of India, has declared it to be necessary to employ a Barrister.

Famine Duty.

6. A period not exceeding one year of pensionable service is added to the service of an Officer who, during employment on Famine duty in Madras in 1877-78, received no extra allowance for such duty, and whose total salary during such duty did not exceed Rs. 600.

"You remark that you are unable to admit any obligations on the part of the Government of India to compensate those officers for the indirect and remote effects of any administrative measures which it has been considered necessary to adopt in the interests of the State generally, and that it would be extremely inconvenient, if not wholly impracticable, in carrying out every change, to consider every possible effect, however remote, which such change might have on the prospects of every officer in the service.

I concur in the sentiment expressed by your Government in this matter. All administrative reforms would be rendered impossible if the Government were fettered by considerations such as those above referred to." (*Secretary of State to Government of India, No. 10, dated 7th October 1880*).

CHAPTER III.

FOREIGN SERVICE

[NOTE.—The Rules in this Chapter apply to all Officers in the service of the British Government.*]

Officers transferred after 14th October 1871

7. The Rules in Sections 8 and 9 apply to Officers transferred on or after the 14th October 1871 (or, in the case of Teachers transferred to the service of the Chamba and Kolhapur States, on or after the 22nd October 1875)† from qualifying service to Foreign Service. Provided—

(1) that the transfer is made on public grounds, and not only in the private interest of the Officer transferred;

(2) that the Officer is transferred with the consent of the Local Government; and

(3) if he is transferred for service under a Native State upon a salary exceeding Rs. 250, with the consent also of the Government of India in the Foreign Department.

Contribution required

8. (*a*) From every Officer transferred in the manner specified in Section 7, who does not wholly resign the Service of the British Government, or who is not, for recorded special and public reasons, exempted from the operation of the Rules in this Chapter, a contribution is levied of one-fifth of the salary which he receives; that is to say, he receives from his employers salary fixed in accordance with the Rules of the Public Service for the appointment which he holds or in which he officiates, and, retaining four-fifths, pays one-fifth to the Government of India: Provided always that the contribution from an Uncovenanted Officer shall in no case exceed Rs. 250 a month.

* See Appendix C, Extract 2

† For the Rules applicable to the case of Officers transferred before the 14th October 1871 (or, in the case of Teachers transferred to the service of the Chamba and Kolhapur States, before the 22nd October 1875) see Appendix D.

Government obligation.

(*b*) In return for this contribution, the Government accepts the charge for the Officer's Pension and also that for his Absentee Allowances (except on Privilege Leave, when the Government will pay only its share according to the Rule of Proportions, and during which the contribution must be paid in the same manner as if the Officer were on duty), in the same manner and to the same extent as if he were in the Regular Service of the British Government; saving only that the calculation of Pension or Absentee Allowance is based upon the four-fifths pay which he retains, and not upon the full amount which he receives.

Temporary duty

1. No contribution is levied from an Officer who is transferred to Foreign Service for a special temporary duty not lasting more than six months.

Contribution upon part of salary.

2. With the special permission of the Government of India in the Finance Department, or, if such contributions are a Provincial Asset, then of the Local Government, an Officer may contribute in respect of a part only, not being less than two-thirds, of his salary: Provided that Pension or Absentee Allowance, in every case, is calculated only upon four-fifths of the amount on which the contribution is paid.

Contribution for pension only by a Native of India.

3. A Native of India, not being a Covenanted Civil Servant, may resign all claims to allowances from the British Government during leave in respect to his Foreign Service. In such case the contribution required is twelve per centum instead of one-fifth, and in no case exceeds Rs. 136 a month; and the pension or absentee allowance is calculated upon 88 per cent. ($\frac{22}{25}$ths) of the amount on which the contribution is received.*

Inferior Servants.

4. From Inferior Servants* the contribution required is one anna in the rupee for pension only; the Government of India pays no Leave Allowances to such servants.

* There being reason to suppose that a misapprehension exists as to the principle upon which the Pension and Leave Contributions of Officers whose services are transferred to Native States, or bodies financially independent of the Government of India, are calculated, I am directed to request that particular attention may be paid to the Rules on the subject laid down in Chapter III of the Civil Pension Code. I am especially to point out that the salary of any Officer whose services are lent to a Native State, or a body financially independent of the Government of India, should be fixed at a gross amount, which will include (1) the contribution payable on account of leave and pension or gratuity, or (2), in the case of a Native of India who resigns all claims to allowances from the British Government during leave, and also of inferior servants, the contribution for pension or gratuity only.

In most instances, the officers transferred desire that their absentee and pensionary allowances should be calculated on the pay which they received from the British Government before transfer. The following illustrations are given of the manner

Contribution to be deducted at time of payment.

5. If the salary of the Officer is disbursed at a British Government Treasury, the required contribution is deducted at time of payment; otherwise the Officer himself must pay the amount, directly to the British Government, in such manner as may be arranged: the Government will not ordinarily enter into any direct arrangements with the foreign employers of its Officers or make any direct demands upon them.

Information required.

6. The Officer must furnish all information which may be required from him by the Accountant General.

Withholding contribution.

7. An Officer is not permitted to withhold the contribution upon condition that the time of his Foreign Service shall not count for Pension or Leave: he must either wholly resign the British Service or, unless he is specially exempted, make the contribution required by these Rules.

Substit

(1)

(2)

Salary fixed by Government.

8. In order to prevent claims for undue amounts of pension, the assent of the Local Government must be obtained to any increase of the pay or allowance of any Officer who contributes under this Chapter, or who, under any other circumstances, earns by Foreign Service a pension payable by the British Government. The assent of the Local Government should be withheld from any increase which does not appear reasonable, and such as would be allowed if the Officer was serving the British Government. The liability of the Government in respect of pensions will be strictly limited to the amount of pay so sanctioned. Subscriptions should not be accepted, and pension will not be paid in respect of pay not thus sanctioned. From the 1st February 1879 this Rule applied to Officers to whom the Rules in Appendix D apply.

---

in which the gross pay under the Native State, or a body financially independent of the Government of India, should in such cases be fixed :—

(1).—An Officer, on being transferred to service under a Native State, &c., wishes to retain his claims to Absentee and Pensionary Allowances from Government. His pay under the British Government is Rs. 1,000. If it is desired that his Absentee and Pensionary Allowances should be calculated on this pay, his gross pay, receivable from the Native State, &c., should be fixed at Rs. 1,250, so that a deduction from this of the contribution of one-fifth will leave him a net pay of Rs. 1,000.

(2).—An Officer who is a native of India, on being transferred to Service under a Native State, &c., resigns all claims to allowances from the British Government during Leave, and desires to contribute for Pension and Gratuity only. His pay under the British Government is Rs. 1,000. If he wishes that his Pension or Gratuity should be calculated upon this pay, his gross pay receivable from the Native State, &c., should be fixed at Rs. 1,250, of which he will pay Rs. 136-5-9 (reduced under the operation of Section 8, Rule 3, to Rs. 136) to the British Government on account of pension, retaining a net pay of Rs. 1,114, and being entitled to no Leave Allowances.

(3).—An Inferior Servant, whose pay under the British Government is Rs. 10, desires that, on transfer to a Native State, &c., his Pension or Gratuity should be calculated on this pay. His gross pay under the Native State, &c., should be fixed at Rs. 10-10 8, so that a deduction of one anna in the rupee, or 6¼ per cent., will leave him a net pay of Rs. 10. *Circular, Financial Department, No. 1803, dated 14th March 1878.*

Period for which Foreign Body will bear the charge for salary.

9. The salary of an Officer on Foreign Service must be borne by the Foreign body to whose service he is transferred, from the date on which he is relieved from his duty under the British Government to the date on which he is relieved from his duty under the Foreign Body.

Officer paid from Local Fund may subscribe.

10. An Officer who is paid from a Local Fund may, on first appointment, with the permission of the Local Government, and upon production of a Medical Certificate under Section 102, Rule 2, subscribe for a Pension under this Section. The Rules of the Code will then apply to such Officer so long as he continues to subscribe for pension, as if he were paid from the General Revenues.

Record of particulars for identification.

11. When the Local Government allows an Officer to subscribe for pension, his name, the date of his birth, and other particulars necessary for his identification, must be recorded in the office of the Accountant General. The Medical Certificate should also be sent to the Accountant General.

Kolhapur School.

12. The Rules in Chapter IX apply to an Officer appointed to the Kolhapur School before the 22nd October 1875; but the British Government is not responsible for any pension to which he may become entitled. Such pension is payable only from the Fund described in Rule 1 (*b*), Appendix D. If such an Officer is transferred to British Service, any pension to which he may become thereafter entitled is payable according to the Rule of Proportions by the British Government and from the said Fund.

Covenanted Civil Servant's contribution.

13. The deduction made under this Section from the salary of a Covenanted Civil Servant includes the deduction on account of his annuity. The portion which is to be considered as deduction on account of annuity is equal to one-twenty-fourth part of the salary remaining to the Officer after the whole deduction. If, however, the salary to be drawn is already fixed on other considerations (as, *e.g.*, if the Officer is to receive a salary equal to his salary before transfer), the contribution under this Section should be calculated upon the salary which remains to him after the usual deduction on account of annuity.

Example.—The salary of A. B. is Rs. 1,000. The deduction on account of his annuity is Rs. 40, and the contribution which he must pay, if transferred to serve under the Native State, $\frac{1000-40}{4}=240$. The whole charge on the Native State is Rs. 1,000 *plus* Rs. 240, or Rs. 1,240. From this A. B. will pay Rs. 240 to Government. A. B. will pay separately Rs. 40 on account of annuity.

No right of property in contributions made.

14. No Officer has any right of property in contributions made under this Section, or any claim upon Government in respect to such contributions, except to receive such Pension or Absentee Allowance as may become admissible to him in accordance with the Rules in this Code.

Page 6.

Rule 13.

Substitute the following for the Rule and the Example under it :—

13. The deduction made under this Section from the salary of a Covenanted Civil Servant includes the deduction made on account of his annuity. His gross salary when transferred to Foreign service should, therefore, be one-fifth greater than the net salary which it is intended that he should retain for himself after paying the ordinary contribution of 4 per cent. towards the cost of his annuity.

Example.—The salary of A.B., a Covenanted Civil Servant, is Rs. 1,000 ; from this he pays Rs. 40 towards cost of his annuity and retains Rs. 960 for himself. If transferred to Foreign service his gross salary will be Rs. 1,152. The contribution payable to the British Government is Rs. 192. (*65*) (*2301, dated 14th July 1882.*)

Pension, &c., regulated under the Rules of the Government of India. Saving from absence of an officer ordinarily accrues to his employer. Exceptions.

15. The Pension, Leave, and Acting Allowances of an Officer on Foreign Service, whether acting or permanent, are regulated by the Rules which apply to Officers of the Government of India. Any saving arising from the absence of a permanent Officer accrues to his employers, except when an Officer is exempted from the payment of the contribution prescribed in this Section (*see Section* 10, (*c*) *and* (*d*)), when the saving should be paid to the British Government.

Salary for acting in Foreign Service.

16. The salary of an Officer appointed to act for an Officer on Foreign Service should be calculated as if the pay of an Officer on such service were the net amount which remains to him after making his contribution; one-fourth (if the Officer contributes for both leave and pension), or $6\frac{2}{3}$ per cent. (if the Officer be an Inferior Servant), being added to the total thus calculated. Provided that in the case of an Officer on Foreign Service who, under Rule 2, is permitted to contribute upon a portion of his salary, the calculation shall be made as if he made the contribution upon his whole salary.

Examples—

(1) A. B., receiving Rs. 350 pay from the British Government, is appointed to officiate in a foreign office, the gross pay of which is Rs. 1,250. Deducting the sum contributed for leave and pension, its net pay is therefore Rs. 1,000. A. B.'s salary is—

	Rs.
Pay	350
Acting Allowance $\frac{2}{3}$rds (1,000 — 350)	$433\frac{1}{3}$
Salary . . .	$783\frac{1}{3}$
Add $\frac{1}{4}$th (to be contributed to the British Government) .	$195\frac{5}{6}$
GROSS SALARY . Rs.	$979\frac{1}{6}$

(2) A. C., receiving Rs. 6 substantive pay from the British Government, is appointed to officiate in an office on Foreign Service of which the gross pay is Rs. 10-10-8. Deducting the sum contributed for pension, the net pay is Rs. 10. A. C.'s salary is—

	Rs.	A.	P.
Pay	6	0	0
Acting Allowance $\frac{1}{5}$th of Rs. 10	2	0	0
Salary . . .	8	0	0
Add $6\frac{2}{3}$ per cent	0	8	6
GROSS SALARY . Rs.	8	8	6

(3) A. D., receiving a gross pay of Rs. 625 on Foreign Service and contributing for both leave and pension, is appointed to officiate in another office on Foreign Service of which the gross pay is Rs. 1,250. A. D.'s salary is—

	Rs.
Net pay	500
Acting Allowance ⅔rds (1,000 — 500)	333⅓
Salary . . .	833⅓
Add ¼th	208⅓
GROSS SALARY . Rs.	1,041⅔

Lien upon substantive appointment under the British Government.

17. If an Officer is, under the rules in this Chapter, transferred from qualifying Service to substantive Foreign Service, it must be arranged that he does not forfeit a lien upon his Substantive Office under the British Government, which his *locum tenens* can only hold in subordination to such lien by the absentee. Subject to this condition, however, the status of the *locum tenens* is that of a Substantive Officer.

Reversion to substantive service under British Government in case of return to acting service under it.

18. An Officer so transferred cannot return to Acting Service under the British Government without reverting also to his Substantive British Office, the *locum tenens* of this office thereupon falling back upon Acting Allowances. No Officer, while acting in any appointment under the British Government, or the pay of which is regulated by the British Government, is entitled to allowances on account of any Foreign Office. But there is no objection to his being permitted to retain a lien upon such an office, or to the actual incumbent being appointed thereto, during his absence substantively, for a time only.

Remission of contribution.

19. The Local Government may remit the contribution for any period during which an Officer on Foreign Service is temporarily employed under the British Government on duties additional to, or distinct from, his duties on Foreign Service.

Thanadars in Kattyawar and their establishments

20. The Thánádárs in Káttyáwár and the members of their establishments admitted to the service from and after the 1st September 1878 must make the contribution prescribed in this Chapter. The persons named in Schedule C, who were in the service on the 1st September 1878, are similarly required to contribute from that date; and the following special arrangements are made in view to their past service counting:

(*a*) Each of the persons numbered 1—15 will on retirement be granted a pension for the accumulated amount of his contributions in that proportion which the amount of his actual contributions bears to the amount which he would have subscribed had he contributed at the rate prescribed in this Chapter—

(i) in the case of the persons numbered 1—3 from the 14th October 1871;

(ii) in the case of the persons numbered 4—15 from the date of first appointment to the service.

(*b*) Arrears on account of contributions at the rate prescribed in this Chapter, calculated to the 31st August 1878, have been recovered from the persons numbered 16—18, and they will on retirement be entitled to the full amount of pension.

This Rule does not apply to members of the Thana Police: these subscribe to a superannuation fund.

9. In addition to his contribution under Section 8 (*b*), a subscriber to the Bengal or Bombay Uncovenanted Service Family Pension Fund must pay to the British Government one-fourth of the premia which he pays to the Fund. This contribution is required to compensate the Public Treasury for the cost of favourable interest paid to the Fund on behalf of the subscriber. In order that he may know and enforce this liability, the Accountant General must ascertain from time to time the premia which are paid to these Funds by each subscriber on Foreign Service.

Contribution upon premia paid to Uncovenanted Service Family Pension Funds, Bengal and Bombay

10. The Rules in this Chapter do not apply in the following cases:—

Excepted cases.

(*a*)—Assistant Opium Agents in Independent Native States, who are paid by the Native States.

Assistant Opium Agents.

(*b*)—Medical Officers lent to charitable dispensaries or hospitals in British India, and vaccinators enrolled as officers of Government and employed in Military Cantonments or under Municipalities or paid from Local Funds. The service of these Officers counts as if it were British service.

Charitable dispensaries.

(*c*)—The Chairman of the Commissioners of the Town of Calcutta, or of the Municipal Corporation of the City of Bombay, or the President of the Municipal Commission for the Town of Madras. The exemption of these Officers from the operation of the Rules in this Chapter is a substantial contribution by the Government to the Municipal Revenues, granted in consideration of the fact that the Local Government, and not the Municipalities, appoints these Officers.

Chiefs of Municipalities of Presidency towns.

(*d*)—Political Officers employed in the Sawant Wari and Kolhapur States on the 18th August 1875, and also those who may be thereafter appointed to offices held by British Officers in those States on the 18th August 1875.

Political Officers employed in Sawant Wari and Kolhapur States.

Nair Brigade.

(*e*)—Officers lent to the Nair Brigade of the Travancore State.

[NOTE.—The Travancore State pays a portion of the Furlough Allowances of Officers attached to the Brigade.]

Travancore State

(*f*)—Officers lent to the Travancore State to fill the office of Durbar Physician or any offices held by Officers of the British Government on the 29th January 1873.

Colonial Governments.

(*g*)—An Officer lent to Her Majesty's Government in England or to any Colonial or Foreign Government outside of India receives, at the charge of Indian revenues while so serving, the English Furlough Pay of his rank in addition to the allowances that may be assigned to him from other sources, and his service counts, subject to the following limitations :—

(1)—If an Officer is appointed to serve on a Personal Staff out of India, the privilege first named shall not be enjoyed beyond three years.

(2)—When an Officer's services are lent for other than Imperial purposes either in England or in a British Colony or to a Foreign State, the Officer shall contribute to the Indian Exchequer a proportion, to be fixed by the Government of India, not exceeding one-fifth of the emoluments which he may receive during his Foreign Service.

18. Provided, however, that if a Judge of the High Court, selected from the Covenanted or Uncovenanted Branch of the Civil Service, shall be compelled to retire, on Medical Certificate, after six years and nine months' Actual Service, he shall be allowed the option of taking his Pension or Retiring Allowance either under these Rules or under the Rules applicable to the Service to which he belongs.

19. A Judge of the High Court, selected from the Covenanted Civil Service, shall be required to continue his subscriptions to the Civil Annuity and Civil Service Funds.

[NOTE.—The period during which a Puisne Judge performs the duties of Chief Justice under an appointment made by virtue of Statute 24 and 25 Vic., Cap. 104, Section 7, shall count only as service for pension not exceeding £1,200 a year, unless he shall subsequently be promoted to the office of Chief Justice of one of the High Courts, in which case the said period shall count as service for the pension of £1,500 or of £1,800, according to the Court to the Chief Justiceship of which he shall be promoted:

Provided that the period of service as Chief Justice of Bengal under an appointment made as aforesaid shall not count for pension at a rate exceeding £1,500 a year, except in the event of subsequent promotion to the office of Chief Justice of Bengal.]

and on transfer from Chief Justiceship of one Court to that of Calcutta.

23. If a Chief Justice of Madras, Bombay, or the North-Western Provinces be transferred to be Chief Justice of Calcutta, the time for which he has served in the former capacity will count for pension accord-

ing to the rate of pension of a Chief Justice of Madras, Bombay, or the North-Western Provinces, and the time for which he serves as Chief Justice of Calcutta shall count for pension according to the rate of pension of a Chief Justice of the High Court of Calcutta.

CHAPTER V.

CHAP. V.

If the Officer is appointed to the Service after passing a competitive examination held in or after the year 1876.

Every Allowance, excepting (1) Minimum Furlough Allowance, (2) Subsistence Allowance while on Furlough, (3) Establishment Allowance, (4) Sumptuary Allowance of Lieutenant-Governors and Chief Commissioners, (5) Travelling Allowance, and (6) Tentage.

No separate contribution from officers in foreign service.

1. The deduction from allowances required by this Section is included in the deduction made under Chapter III, and is not to be separately made, except when the contribution prescribed in Rule 13, Section 8, is calculated upon the Salary which remains to an Officer after the usual deduction on account of annuity.

Retiring annuity.

25. An Officer who has been twenty-five years in the Service, counting from the date of his covenant, or from the date of the despatch of the Secretary of State announcing his appointment (whichever may have been earlier),

and who has rendered twenty-one years' Active Service,

is entitled, on his resignation of the Service being accepted, to an Annuity of £1000.

Vacation of office required if Service is resigned.

26. An Officer who resigns the Service will, by such resignation, vacate any Office under the Government which he may then be holding. But this Rule does not apply to the Offices of Viceroy and Governor General of India, Governor of Madras, Governor of Bombay, and Ordinary Member of the Council of the Governor General.

Invalid annuity.

27. An Officer who, being declared by a Medical Certificate, in due form, to be incapacitated for further service, is permitted to resign the Service before he is entitled to an Annuity under Section 25, is entitled to a Gratuity or Annuity as follows :—

(*a*) If he have been in the Service for less than five years ;—A Gratuity of £500.

(*b*) If he have been in the Service for five years or more ;—An Annuity of £150 *plus* £20 for each complete year of service in excess of five ; provided that the whole Annuity shall not exceed £450.

Procedure.

1. The following Rules regulate the procedure with respect to applications for Annuity or Gratuity :—

(a)—(1) An Officer of the Bengal Civil Service serving immediately under the Government of India, if he be in India, shall submit his application for permission to resign the Service, and for an annuity, to the Government of India, in the Department under which he is serving; and the Department receiving the application will forward it, with any remarks that may be necessary, to the Home Department, which should obtain the report of the Comptroller General upon the Officer's claim in respect of Service and Active Service, and also as to whether there are any demands against him on account of the deduction prescribed in Section 24, or on any other account. (2) Any other Officer in the Bengal Civil Service, if he be in India, shall submit his application, through the Local Government under which he may be serving; and the Local Government will forward the application, with any observations which may be necessary, to the Government of India, in the Home Department, together with a No-Demand Certificate from the Accountant General. (3) An Officer of the Madras or the Bombay Civil Service, if he be in India, shall submit his application to the Government of Madras or Bombay, as the case may be. (4) If an Officer be in Europe, his application may be submitted to the Secretary of State, who will forward it to be dealt with by the Government of India, the Government of Madras, or the Government of Bombay, as the case may be.

(b)—In the case of an Officer of the Bengal Civil Service, if his resignation be accepted, the case should be forwarded to the Finance Department of the Government of India, in which Department a Resolution will be recorded, granting the annuity or gratuity to which the Officer may be entitled.

(c.)—The copy of this Resolution forwarded to the Officer will be his authority for drawing his annuity or gratuity.

(d.)—A Covenanted Civil Servant who resigns the Service while he is in Europe, and who has completed the requisite period of service and residence, and elected to draw his annuity from the Home treasury, can obtain advances from the Secretary of State for India.

Rate of payment.

28. Annuities are payable in arrear, quarterly, and to date of decease.

The Annuity of an Officer who leaves India by sea, when retiring from the Service at the end of Subsidiary Leave, begins on the day of the departure of the vessel in which he sails. His Subsidiary Leave ceases after the day before the vessel sails.

[NOTE.—The annuity of a Member of Council who has not previously resigned his seat in Council, or whose successor has not entered upon his office, commences from the day following that on which the vessel in which he leaves India sails, or from the expiry of his five years' tenure of office, whichever date is earlier.]

Report of date of departure required.

1. An Officer leaving India on resignation of the Service must report the date of the departure of the vessel in which he sails, if he is a Member of the Bengal Civil Service, to the Government of India in the Finance Department; and if he is a Member of the Madras or Bombay Civil Service, to the Government of Madras or Bombay, as the case may be.

[NOTE.—A copy of this Rule should be furnished by the Accountant General to every Officer (if he be in India) who applies to resign, with an intimation that there will be delay in the commencement of his annuity if he does not report the date of his departure. This copy should be sent to the Officer when the Accountant General prepares his No-Demand Certificate.]

Place of payment.

29. Payment of these Annuities and Gratuities may be taken at the Home treasury in sterling money, or, in India, in Government rupees, at the following rate:—

If the Annuitant was a Member of the Bengal Civil Service;—$10\frac{2}{3}$ Government rupees for each pound sterling;

If the Annuitant was a Member of the Madras or Bombay Civil Service;—10·65 Government rupees for each pound sterling.

Transfer from the Home treasury to an Indian treasury, or *vice versâ*, is permitted twice only.

[NOTE.—The reasons for the difference in the rates of exchange are to be found in the history of the Annuity Funds. The rates of exchange differ considerably in the various Service Funds.]

Certificate for payment of annuity.

1. Whenever a Certificate is issued for the payment of an Annuity from the Home treasury, the amount of the Annuity must be stated in pounds sterling and not in rupees, and, in the case of transfer of payment from India to the Home Treasury, it must be distinctly recorded that no further payment on account thereof will be made in India.

Section 30.

Insert the following Note under this Section :—

[NOTE —The period of five years referred to in this Section, begins to run from the date on which the officer first takes up the office, whether substantively or temporarily, provided that, if temporary, he is confirmed without reverting to his substantive appointment; but the currency of the period is not interrupted by any subsequent temporary promotion to a higher appointment.]

(90)—(No. 1385, dated 8th June 1883.)

30. After thirty-five years' service, counting from the date of his arrival in India, an Officer shall not, except, for special reasons, with the sanction of the Secretary of State, retain his office or be appointed to any new office. (1) That proportion of the pension to which he would have been entitled under Sections 33 and 34, if his whole service had been passed in the Covenanted Civil Service, which his Active Service bears to the whole of his qualifying service.

(2) That proportion of the pension to which he would have been entitled if his whole service had been in the Uncovenanted Service, which his previous service bears to the whole of his qualifying service.

(*b*) If a Native Civil Servant is entitled to Gratuity only, his Gratuity shall be calculated as if his whole service had been passed in the Covenanted Civil Service.

Procedure.

36. The procedure upon an application for pension, and upon the payment of pension, is that described in Rule 1 under Section 27, and Chapter XII respectively.

CHAPTER VII.

CHAPLAINS.

Residence and service.

37. (*a*) In this Chapter "Residence" is reckoned, in the case of a Chaplain appointed in England, from arrival in India; and, in the case of a Chaplain who is

appointed while resident in India, from the date on which he takes charge of his office. It includes (1) Time spent on Duty, (2) Privilege and Subsidiary Leave, (3) Time passed Out of Employ in India otherwise than on Leave.

[NOTE.—A Chaplain who is appointed while resident in India must not take charge of his office before the despatch appointing him is received in India. His service cannot count before such receipt.]

Date of arrival in India.

1. A Chaplain on the Bengal Establishment, who is posted in England to the Lahore Diocese or to any Station in the Central Provinces or north of Allahabad, who comes to India *viâ* Bombay, and who is instructed by the Secretary of State to enquire from the Secretary to the Government of Bombay for orders as to his ultimate destination, is held to have arrived in India either on the date on which he reports his arrival at the Station to which he is directed to proceed in the orders he receives at Bombay, or, if he receives no orders at Bombay, on the date on which he reports his arrival at Allahabad. A Chaplain, who is not on the Bombay Establishment, and who is not posted to any Station in the Lahore Diocese or to any Station in the Central Provinces or north of Allahabad, but who comes out to India *viâ* Bombay, is held to have arrived in India from the date on which he reports his arrival at the Presidency Town of the Presidency to which he is attached, or, if he receives orders at Bombay to proceed to any particular Station, from the date of his arrival at that Station. The report of arrival, in each instance, is to be made to the Bishop of the Diocese to which the Chaplain is attached.

(*b*) "Service" includes "Residence," and, also, all Time spent on Leave of any description, but no time before the beginning of "Residence."

Retiring pension.

38. A Chaplain who has completed seventeen years' Residence and twenty years' Service is entitled to a Retiring Pension of £365 a year.

May retire while on furlough.

1. A Chaplain absent on Furlough may retire without returning to India.

Procedure.

2. Pensions are granted either by the Government of India, the Government of Bombay, or the Government of Madras (as the case may be), or by the Secretary of State. A Chaplain proceeding to England on retirement without applying for pension to the Government of India, the Government of Bombay, or the Government of Madras (as the case may be), should procure a certificate from the Accountant General showing his service, residence, the amount of pension to which he is entitled, and the date from which his pension may be paid. A Chaplain to whom pension has been granted in India should be careful before proceeding to England to

obtain the usual certificate of the last issue of pay or pension to him in India.

3. A Chaplain belonging to the Bengal Establishment, who wishes to obtain pension from the Authorities in India, must submit his application to the Government of India in the Home Department, through the Archdeacon or Bishop of his Diocese. A Chaplain belonging to the Madras or Bombay Establishment must submit his application to the Government of Madras or the Government of Bombay, as the case may be, through the Archdeacon or the Bishop of his Diocese. A Chaplain of the Church of Scotland serving in the Bengal Presidency, who wishes to obtain pension from the Authorities in India, must submit his application to the Government of India in the Home Department, if he is not Senior Chaplain, through the Senior Chaplain of the Church of Scotland. A Chaplain of the Church of Scotland serving in Madras or Bombay must submit his application to the Government of Madras or Bombay, as the case may be, if he is not Senior Chaplain, through the Senior Chaplain of his Presidency.

Compulsory retirement.

39. A Chaplain must retire after twenty-five years' service, unless especially exempted by the Secretary of State, on the recommendation of the Governor General in Council, or, if he belong to the Madras or Bombay Establishment, of the Governor in Council of his Presidency.

Invalid pension.

40.* A Chaplain who retires on Medical Certificate before completing the periods of Residence and Service required by Section 38 will receive an Invalid Pension according to the following scale:—

	£	s.	d.	
If he have completed ten years' Residence .	173	7	6	a year.
If he have completed seven years' Residence .	127	15	0	„
If he have not completed seven years' Residence .	63	17	6	„

These allowances are admissible only after a trial of a temperate climate and upon a certificate from the Medical Board attached to the Office of the Secretary of State for India, that the Officer is permanently unfit to serve in India.

* As soon as a Chaplain, whether English or Scotch, completes his full period of Service, a statement should be furnished to the Government of India in the Home Department, for transmission to the Secretary of State, showing the date on which the Chaplain completes such service, whether he is in England or in India. It should also be stated whether he is on Duty or on Leave, and, if the latter, for what period.—*(Home Department's Circular No. 197, dated 30th May 1878.)*

The pension of a Pilot appointed to the service after that date will be paid at the rate of exchange fixed yearly for the adjustment of financial transactions between the Imperial and the Indian Governments (98) *(No. 3585, dated 5th October 1883).*

CHAPTER VIII.

Compulsory retirement.

43. Except with the special sanction of the Secretary of State, no Pilot, who has reached the age of fifty-five years, shall be appointed to a new office, or shall be permitted to retain any office which he has held for five years and upwards. The word "Office" for the purposes of this Section includes "Grade."

II.—FAMILIES OF PILOTS.*

Contributions by Pilots.

44. (*a*) Members of the Bengal Covenanted Pilot Service other than those described in Clause (*b*) must make the following contributions towards the cost of pensions for their widows and orphans :—

Rank of Pilot.	Monthly contribution. Rs.
Branch Pilot	40

Ditto Second Mate and Volunteer Pilot	" 15	"

Do. after ten years until married	" 5	"
Boys until fifteen years of age	" 6	"

The Court of Directors did not, however, sanction the scale, observing in their Marine Department's despatch to the Government of Bengal, No. 6, dated 22nd February 1843, that they thought it preferable that each case should continue to be decided upon according to its merits.

FAMILIES OF PILOTS.

(ii) To the CHILDREN of Pilots of all ranks by wives married before their husbands retired from the service—

Certificates of marriage.

46. Notices of death are in like manner to be forwarded to the Port Officer.

Forfeiture of widow's pension in certain circumstances.

47. No widow who may have been legally divorced or separated from her husband for adultery, or who, at the period of her husband's demise, may have quitted his protection and be living in a state of notorious adultery, though not divorced or separated from him by law, or who, after her husband's decease, may be living in a notorious state of incontinence, and no female orphan living in such state, shall be entitled to receive, or continue to receive, any pension under these Rules.

Widow's pension remains in abeyance during coverture.

48. If a widow pensioner marries, her pension ceases during her coverture; but, in the event of her again becoming a widow, she is re-admitted to the pension to which she was entitled during her first widowhood, unless her second husband was a member of the Pilot Service, and, at his death, of a higher grade than her first husband, in which case she is entitled to the pension of the higher rank.

Half-yearly declarations.

49. Widows and female orphans above the age of fifteen years are required to forward to the Accountant General's Office declarations, half-yearly, in May and

November, that they are not married, and that they have not been married at any intervening period. Refund of subscriptions.

50. Subscriptions by a Pilot for the purpose of securing pensions for his wife and children are refunded in the event of his dismissal.

CHAPTER IX.

UNCOVENANTED OFFICERS.

GENERAL RULES.

Removal for misconduct.

51. Pension may not be granted to an Officer whom it is desired to remove for misconduct or inefficiency.*

* We often experience great difficulty from the Rules in force not allowing the grant of a pension when, owing to inefficiency, which may, perhaps, not always be his fault, an Officer is no longer able to perform satisfactorily the duties required of him.

3. We forward herewith a copy of papers relating to the case of A. B. as an illustration of this inconvenience. After serving Government for about 28 years A. B. was removed for inefficiency, for which he was clearly not to blame.

4. Even the Rules applicable to pension on Medical Certificate would not always meet such cases; and we should be glad to be allowed to exercise a discretion in granting to Officers, whom it is desirable to remove from the service for inefficiency, due to whatever cause, such pension as may in each case seem to us expedient. We should limit such pension, ordinarily, to the amount admissible under Section 109: it would probably be very seldom necessary to grant even so much.

5. What we wish is to be able to discharge, upon some reasonable conditions, an Officer whom it is not desired to keep in the public service, but whose conduct has not been such as to justify his dismissal without any provision for his subsistence, or, perhaps, the infliction upon him of any penalty whatever.—*Government of India to Secretary of State, No 39, dated 17th January 1873.*

I cannot sanction any general arrangement by which pensions not authorised by existing Rules could be granted without reference to the Secretary of State. I shall, however, be prepared to consider any proposal you may make for the grant of a Special Pension in a case of the nature to which you refer; but such proposed grant should always be made to, and be sanctioned by, me, before any communication on the subject is made to the Officer concerned.—*Secretary of State's reply, No. 133, dated 27th March 1873.*

1. I have considered in Council your Financial letter dated the 7th August 1876, No. 270, reporting the circumstances under which you have decided to dispense with the services of C. D., an Executive Engineer, giving him a gratuity of six months' pay, with a free passage to England or the Colonies.

Chapter VIII.

Add the following Section :—

49 A.—The pension of the family of a Pilot who was in service on the 15th September 1881, if drawn in England, is paid at the rate of 1*s.* 11*d.* the Government rupee. The pensions of the families of Pilots appointed to the service after that date will be paid at the rate of exchange fixed yearly for the adjustment of financial transactions between the Imperial and Indian Governments.—(32) (*No.* 3596, *dated* 14*th October* 1881.)

PENSION SECRETARIES

Pension to be in rupees.

52. A pension (except a pension granted under Section 115) is fixed in rupees and not in sterling money, even though it is to be paid in England.*

Service under Military Rules.

53. Service which is pensionable under Military Rules does not count; and an Officer who is counting service for Military pension cannot simultaneously count service for Civil pension.

Example.—An Officer of the old Indian Navy in civil employ cannot count his naval service.

Exceptions.

Exceptions. (1). Military Hospital Assistants and enlisted Native Doctors are excluded, by this Section, from pension under this Chapter; but a Military Hospital Assistant or Native Doctor, promoted to be an Assistant Surgeon, or who, under Resolution in the Home Department, No. 16, dated 9th January 1878, is transferred to the Civil Branch of the Subordinate Medical Service, counts service retrospectively from the date on which he passed his examination as Hospital Assistant.

(2). Inspectors in the Telegraph Department who came from England as Artificers in 1853, and did not take their discharge from the Army till about 1863, count their departmental service.

(3). In the Public Works Department, Warrant Officers in the grades of Conductor and Sub-Conductor and Non-Commissioned Officers must, when promoted to the Engineer establishment, take their discharge from the Army, and their whole departmental service then qualifies retrospectively.

(4). A Non-Commissioned Officer or private soldier in Civil Employ, who took his discharge from the Army before the 1st November 1873, or, if he was in the Public Works Department, before the 1st November 1874, counts his whole Civil service. A Native Soldier employed in the Public Works Department, if he took his discharge from the Army before the 31st December 1875,

---

2. It appears from the papers forwarded with your letter that C. D. has been in the Department about eleven years, but that he has not proved an efficient Officer, which may, however, be probably accounted for in some measure by the bad health from which he has suffered, and that the Local Government are of opinion that the most economical course to pursue in his case would be to give him a gratuity, and dispense with his services.

3. You state that there were hardly sufficient grounds for C. D.'s dismissal, while, on the other hand, as the medical report on his case did not declare him to be permanently incapacitated for further service in India, he had no claim, under the Pension Rules, to any gratuity on removal from the Service, and that it appeared to you to be more advisable to dispense with his services on the terms above referred to, than to retain him in the Department, even in reduced position.

4. Your proceedings are confirmed.—*Secretary of State, No. 369, dated 5th October 1876.*

* I cannot authorise a violation of the Rule under which all Indian pensions are fixed in rupees, and therefore I am unable to sanction the grant of a pension of £ (x) to A. B.—*Secretary of State, No. 344, dated 25th October 1877.*

counts his whole Civil service; otherwise, a Non-Commissioned Officer or soldier, whether attached or unattached, cannot count service for Civil pension until, with the consent of his Civil departmental superior, he is discharged from the Army, when he may count his Civil service for one year retrospectively.

[NOTE.—This Rule does not apply to soldier-clerks in Military offices. (*See G. G. O. in the Military Department, No. 1292, dated 22nd December 1875.*) But if such a clerk is afterwards employed in the Civil Department, he may count his service in the Military office, provided that he takes his discharge within twelve months after joining his appointment in the Civil Department.]

(5). An enlisted member of the Bombay Corps of Guides transferred as a draftsman to the office of the Quartermaster General, Bombay Army, counts his service in the Guide Corps as if it had been in Civil employ.

Military service may count in certain cases.

1. The Government of India may, in special cases, allow service which is pensionable under Military Rules to count for pension on the Inferior Scale, reporting such grants periodically to the Secretary of State.

Cumulative pensions inadmissible.

54. An Officer cannot earn two pensions in the same office at the same time, or by the same continuous service.

Example.—A soldier who obtains his discharge from the Army under *Exception* (4), Section 53, is not entitled to any pension in the Military Department for the portion of his military service which he will thereupon count as civil service.

Two claims for one office inadmissible.

55. Two Officers may not simultaneously count service in one office.

Persons paid for specific services.

56. Pension is not earned by a person whose whole time is not retained for the public service merely because he is paid for work done for the State.

Example.—This Rule applies among others to the following Officers:—Advocate-General, Solicitor to Government, Government Pleaders and Law Officers not debarred from private practice, Sheriffs in Presidency Towns, Coroners, Roman Catholic Priests.

Officers holding non-pensionable offices in addition to pensionable offices.

57. A Public Servant who holds some other pensionable office earns no pension in respect of an office of the kind mentioned in Section 56 or in respect of duties paid for by a Local Allowance.

Service under covenant.

58. Service under a covenant which contains no stipulation regarding pension does not qualify, unless the

Government of India specially authorises an officer to count such service.*

59. An Officer who is appointed for a limited time only, or for a specified duty on the completion of which he is to be discharged, has no claim to pension. Service for a time only.

60. The service of a person employed temporarily on monthly wages without specified limit of time or duty does not qualify; but a month's notice of discharge should be given to such a person, and his wages must be paid for any period by which such notice falls short of a month. Service on monthly wages.

61. Service as an Apprentice (excepting (1) at the Central Forest School, in continuation of qualifying service, or (2) as an Engineer Apprentice in the Public Works Department) or, in the Bengal Presidency, as a Supernumerary Assistant Surgeon, does not qualify. Service as an apprentice.

62. Unless it be otherwise provided by special Rule or Contract, the service of every Officer begins when he takes charge of the office to which he is first appointed. Beginning of service, ordinarily.

[NOTE.—In every covenant with an Officer appointed in England by the Secretary of State, not being a Covenanted Civil Servant or a Civil Engineer or Telegraph Officer educated at the Royal Engineering College, Coopers' Hill a clause is inserted to the effect that service for Leave and Pension begins only, from the date on which the Officer joins his first appointment in India.]

63. Except for Compensation Gratuity, Superior Service by an Officer whose age is less than twenty-two years does not qualify. But Officers described in Schedule B, excepting Class III (2) (*b*), and all Officers appointed Service begins after or before the age of 22 years. Exceptions.

* 1. I have considered in Council your Financial letter, dated the 4th June last, No. 155, regarding the insertion in contracts with mechanics and others engaged in England for service in India, of a clause stipulating that their service under covenant shall, if the Government of India think fit to re-engage them, count as service towards leave and pension under the Uncovenanted Service Rules.

2. Your Government are of opinion that the arrangement should apply to all such persons engaged under covenant or contract in England for the public service in India under all circumstances, and for all Departments, and you express a desire that the covenants should "be carefully worded so as to preserve inviolate the "indefeasible right of the Government to modify either Leave or Pension Rules "from time to time at their discretion, so that no claims may arise to the benefits "of either Code of Rules as it stood at the date when any particular covenant was "executed."

3. Covenants with mechanics and others engaged for service in India will accordingly, in future, be prepared, containing provisions to the effect recommended by your Government. (*Secretary of State's despatch, No. 255, dated 26th July 1877.*)

in England by the Secretary of State for service in India, are exempt from this disability.

64. (*a*) If an Officer of Class I, in Schedule B, lands in India on or before the 1st December of the year in which he passes out of College, his service counts from the preceding 1st October, unless another date should be specified in his letter of appointment.

(*b*) If an Officer of Class I is, after completing his three years' residence at College, required to go through a course of practical engineering in England under a Civil or Mechanical Engineer, his service, unless another date should be specified in his letter of appointment, will reckon from the commencement of the practical course, or from such later date as will be consistent with the regulation that he may count as service towards pension the time spent on such practical course to the extent of one year only.

(*c*) The service of an Officer of Class I, whose case is not provided for in Clause (*b*), and who does not land in India by the said 1st December, and that of an Officer of Class II or III (1), counts from the date on which he landed in India.

(*d*) The service of an Officer appointed to the Telegraph Department after training or competitive examination by the Court of Directors or the Secretary of State begins as follows :—

If appointed by	*Service begins on date of*
Court of Directors	arrival in India.
Secretary of State—	
(*a*) after competitive examination .	covenant.
(*b*) after training at the Royal Engineering College at Coopers' Hill.	embarkation in vessel selected by Secretary of State, or arrival in India by any other vessel.

Full pension not to be granted of course.

65. The full pension admissible under the Rules is not to be given as a matter of course,* or, unless the service rendered has been really approved.—(*See Secretary of State's Despatch No. 174, dated 30th September 1863, printed at foot of page 59.*)

* The full pension admissible under the Code is not to be given as a matter of course, but rather to be treated as a matter of distinction.—(*Secretary of State, No. 319, dated 21st August 1879.*)

SERVICE UNDER GOVERNMENT.

Reduction.

1. If the service has not been thoroughly satisfactory, the Local Government should make such reduction in the amount of pension as it thinks proper.

QUALIFYING SERVICE.

FIRST CONDITION.—SERVICE UNDER GOVERNMENT.

Service under Government.

66. The service of an Officer does not qualify unless he is appointed, and his duties and pay are regulated by the Government, or under conditions determined by the Government.

Accountant, Silladar Regiment.

1. The service of a Native Accountant appointed to a Silladar Regiment in the Bombay Presidency on or after the 6th February 1875 does not qualify.

Office under Board of Trade. Municipalities. Grant-in-aid schools and institutions. Treasurers' subordinates.

2. The following are examples of officers excluded from pension by this Section :—A Marine officer paid by fees fixed by the Board of Trade ; Officers of a Municipality ; Officers of grant-in-aid schools and institutions (*e.g.*, the Asiatic Society, and the Canning College at Lucknow) ; Subordinates appointed by Treasurers on their own responsibility, *e.g.*, Tahvildars in the North-Western Provinces, and Fotadars (Money-testers) in Bengal.

Certain exceptional Bengal grant-in-aid schools.

3. The Educational authorities in Bengal having induced certain Teachers of Government institutions to accept service in Grant-in-aid schools, by declaring a Rule regarding Bombay schools (*Section 80, Case* (*c*)) to be applicable to their case, were directed, in December 1863, to offer to these Teachers re-employment in Government schools. Those of them who accepted such re-employment reckon their service (not exceeding three years) in Grant-in-aid schools as service under Government.

Schools in Central Provinces.

4. The service of a Teacher appointed before the 29th January 1876, to a District or Anglo-Vernacular school in the Central Provinces, who is paid, wholly or partly, by the contributions of Municipalities or local subscriptions, qualifies.

Printing Department, Bengal Secretariat.

5. The service of the Officers of the Bengal Secretariat Press, who, before August 1868, were paid partly from savings by the reduction of the copying staff of the Secretariat and partly from subscriptions to the *Calcutta Gazette*, qualifies.

Contract establishment.

67. Service on an establishment paid from a Contract Establishment Allowance, with the detailed distribution of which the Government does not interfere,

SERVICE UNDER GOVERNMENT.

does not qualify whether such contract allowance is a fixed amount or consists of fees.

[NOTE.—The establishments of the Subordinate Judicial Officers, including Munsifs in Bengal and the North-Western Provinces, ceased to be paid from a contract allowance from May and June 1861 respectively.]

Registration offices.

1. The maximum Establishment Allowance for Registration offices in Bengal is not a contract allowance within the meaning of this Section, because the Inspector General of Registration, under the orders of Government, regulates its distribution, and any balance unspent is saved to Government.

Allahabad pay office.

2. The service of the clerks retained in the Allahabad Pension Pay office, when it became a regular establishment, qualifies although they were formerly paid from an Establishment Allowance.

Service paid from household allowances.

68. Service on an establishment paid from the Household Allowance of the Viceroy, or of a Governor or Lieutenant-Governor, does not qualify. (*But see Rule 2 under Section 83.*) But the Governor of Bombay is authorised to grant pensions and gratuities at his discretion to the domestic servants in the Government House Establishment retiring from the service, or to the families of such retired domestic servants after their decease, provided that the amount of such pensions and gratuities paid in one year ending 31st March shall not exceed Rs. 1,320.

Service under employers supplanted by Government.

69. In the following cases, service under an employer to whose position Government has succeeded qualifies:

Berar and Mysore.

(*a*)—Service in Berar and in Mysore by Officers transferred to the Government of India when it undertook the administration of those Provinces.

Service under Native States.

(*b*)—Service rendered to a Native State, and continued to the British Government, on the lapse or annexation of the State, when old age or infirmity renders the Officer a fit object for pension.

Talukdari schools, Oudh.

(*c*)—Service, in superior grades, in Talukdari schools which were converted into Government schools on the organisation of the Educational Department in Oudh.

Military Funds.

(*d*)—Service by Officers who were on the establishments of the Military and Medical Funds when the Funds were taken over by Government.

(*e*)—Service was guaranteed to the soldiers of the Sikh Government, who, on annexation, entered the British service in the following Regiments:

The 1st, 2nd, 3rd, and 4th Punjáb Police Battalions.

PERMANENT AND SUBSTANTIVE EMPLOY.

The 3rd Punjáb Light Field Battery.
The 4th or Garrison Company of Artillery.
Two companies of Punjáb Sappers.

In accordance with the guarantee, such soldiers who, on the 28th October 1861, were in employment in any Department, are entitled to receive pension for their service under the Sikh Darbar and for that under the British Government under the Rules for Invalid Pensions to soldiers in Local or Irregular Corps.

QUALIFYING SERVICE.

SECOND CONDITION.—PERMANENT AND SUBSTANTIVE EMPLOY.

Service permanent and temporary.

70. Service does not qualify unless the Officer holds a Substantive Office on a Permanent Establishment; but, upon such conditions as it may think fit, in each case, to impose, the Government of India may allow temporary service to count for pension, if the pension does not exceed ten rupees a month.

Service in establishments entertained periodically each year.

1. An establishment the duties of which are not continuous but are limited to certain fixed periods in each year is not a temporary establishment. Service in such an establishment including the period during which the establishment is not employed, qualifies; but the concession of counting as service the period during which the establishment is not employed, does not apply to an Officer who was not on actual duty when the establishment was discharged, after completion of its work, or to an officer who was not on actual duty on the first day on which the establishment was again re-employed.

Transfer from temporary establishment.

2. Service in an office which, although at first created experimentally, or temporarily, eventually becomes permanent, qualifies; but this Rule does not apply to the case of an Officer who is entertained temporarily in one appointment and afterwards transferred to another substantive appointment.

Officiating service in vacant office.

3. An Officer without a substantive appointment officiating in an office which is vacant, or the permanent incumbent of which does not draw any part of the pay or count service, may, if he is confirmed without interruption in his service, count his officiating service.

Probationer.

4. The service of a probationer who holds a substantive office and draws substantive pay qualifies. So does that of an Officer who is on probation for a substantive office, if he is employed in a vacancy reserved for him, pending probation, and in which no other Officer simultaneously counts service; but the service of an Officer in the Traffic Department of a State Railway before he passes the test examination does not qualify.

PERMANENT AND SUBSTANTIVE EMPLOY.

Subordinate State Railway servant.

5. A Subordinate Officer transferred from the Temporary to the Permanent Revenue Establishment of a State Railway may, with the sanction of the Local Government, count the whole or a part of so much of his temporary service as immediately preceded his Qualifying Service, without interruption.

Service in State Railway under construction

6. Service in an office or petty establishment of a State Railway under construction, except in the case of an Officer transferred from qualifying service, does not qualify. But an Officer who before the 21st July 1880 was transferred from service in one State Railway under construction to that in another State Railway under construction is allowed to count service in each such Railway.*

Permanent officer deputed

71. If an Officer on a Permanent Establishment is detached on Temporary Duty, on the understanding that, when the Temporary Duty ceases, he will return to the Permanent Establishment, he counts his detached service.

Explanation

1. This Section permits the temporary suspension of the second condition of qualifying service which forms the subject of Sections 70 to 75, it does not authorise any relaxation of the first condition (which is the subject of Sections 66 to 69), or the third condition

* All members of the office and petty establishments of State Railways *under construction* will be regarded as temporary servants, unless they were originally transferred from a permanently sanctioned post not being a post on a railway when under construction. They will not be eligible for pension, and they will be liable to discharge whenever their services are no longer required, after one month's notice, as provided for in Section 60 of the Civil Pension Code.

2 As regards Officers who were originally transferred to railways under construction from permanently sanctioned posts, not attached to railways under construction, the pensionable service of such Officers is in no way prejudiced by their fresh employment, and they will continue to enjoy their right to pension even if transferred from the line on which they are at present engaged to another line also under construction

3 As regards Officers whose service has been solely on lines under construction, and who have been transferred from another line under construction to the work to which they are at present posted, the service of such men is to be treated as pensionable till the work on which they are engaged is completed On that date their pensionable service ceases, and if their services are then dispensed with, they may be paid the pension or gratuity to which they are entitled If re-employed on another line under construction, then services in the new appointment will not be pensionable.

4 As regards Officers whose service under Government began on the line on the construction of which they are still engaged their service is pensionable only up to the date, July 21st 1880, of the issue of Public Works Department Circular, No 15, Railway Service subsequent to that date, though in the same capacity, and on the same line, will be non pensionable, and if entered in the Officers' service book, must be shown as such Officers whose service, under this rule, changes from pensionable to non pensionable, cannot claim their pensions till the work on which they are engaged is completed

5 The service of all Officers engaged for a line under construction since 21st July 1880 is temporary and non-pensionable—*Circular in the Public Works Department, No 5 (Railway), dated 26th January 1881.*

PERMANENT AND SUBSTANTIVE EMPLOY.

(which is the subject of Sections 76 to 87), and, in particular, must not be understood to countenance any modification of the Rules in Chapter III, which apply to an Officer on Foreign Service.

Service as Private Secretary to Governor General or Governor.

2. Service as Private Secretary to the Governor General or a Governor qualifies, provided that the Officer belongs to the Covenanted Civil Service or to the Staff Corps, or belonged, before his appointment as Private Secretary, to the Uncovenanted Service.

Employment on special duty on abolition of substantive office.

72. If the Substantive Office of an Officer is abolished within the meaning of Section 100, but the Officer is, at the time, on special duty, or is, on abolition of his office, deputed on special duty, his service on special duty qualifies.

Character of special duty.

1. The duty must be *special;* mere employment, in continuation of permanent employment, in a temporary appointment, which happens at the time to be vacant, does not qualify.

Marine Officer on subsistence allowance or acting employ.

2. The service of an Officer of the Marine Service continues to qualify when, upon the abolition of his appointment, he is retained on Subsistence Allowance or in an Acting Appointment.

Press servants and section-writers.

73. A Section-writer, or a Press servant, who is paid for piece-work, is treated as having held a substantive office, if—

(1) he is employed, not casually, but as a member of a fixed establishment; and

(2) during the last seventy-two months of his actual employment he has been attached to one office uninterruptedly for twenty-four months, or it has not been through his own choice or misconduct that he has not been so attached.

Exceptions.

74. In the following cases Temporary Service qualifies:—

Medical charge of Government vessel.

(*a*)—A Medical Officer in charge of a Government vessel may count his service afloat, if he is transferred, without interruption of his service, to the Uncovenanted Medical Service.

"Works" establishments, Public Works Department.

(*b*)—A claim by an Officer of the Public Works Department, whose pay was charged to "Works," before the issue of the Circular Order in the Public Works Department, No. 6 of 1862, but whose employment was really permanent, will, if the sanction to his entertainment was regular, be specially considered by the Government of India.

SOURCE OF REMUNERATION.

Preventive Service, Calcutta.

(c)—If the Collector of Customs in Calcutta, in transferring an Officer from the Extra or Contingent List of the Calcutta Customs Preventive Service, declares that the transfer is made on the ground of good service rendered, the service of the transferred Officer on the Extra or Contingent List qualifies.

Settlement and Survey Departments.

Purely temporary employ.

75(*a*) Service in the undermentioned Settlement and Survey Departments which are (or were) on a quasi-permanent footing, qualifies, provided that the Officer is (or was) not engaged on the understanding that his appointment is (or was) only temporary, or that he was or would be liable to be discharged after a short period of service.:—

The Settlement Departments in Madras, the North-Western Provinces, Oudh, British Burmah, and the Punjáb. The Revenue Survey Departments in Bengal, Madras, and Bombay. The establishments of the Inam Commissioners of Madras and Bombay. The Alienation Settlement Department in Bombay.

(*b*) Elsewhere (and in those Provinces also, except in the Regular Departments), Settlement and Survey work is Temporary Service, and does not count. But if service in the Settlement Department in any Province, or in the Malabar Escheat Establishment, Madras, is followed, without interruption, by Qualifying Service, it qualifies.

Gazetted Officers

1. Deputy Collectors and similar Gazetted Officers, when not especially employed for temporary work, are not affected by this Rule, as they count service independently of the particular Department to which they happen for the time to be attached.

QUALIFYING SERVICE.

THIRD CONDITION.—SOURCE OF REMUNERATION.

Specification of sources.

76. Service which satisfies the conditions prescribed in Sections 66 to 75 qualifies, or does not qualify, according to the source from which it is paid.

Political Agencies.

1. Officers on the establishments of Political Agencies are exempt from this condition. But when a Political Agency is established at the charge of a Native State, every member of the establishment, Covenanted or Uncovenated, must pay to the British Government, in respect of his Pension and Absentee Allowances, a

2. Leave without allowances may count if the whole amount of leave taken with or without allowances does not exceed what might be given with allowances under the Rules in Chapter X of the Civil Leave Code. Leave without allowance.

95. Time passed under suspension pending enquiry into conduct counts, if the suspension is immediately followed by reinstatement. Time passed under suspension adjudged as a specific penalty does not count. Suspension.

1. If an Officer who has been suspended pending enquiry into his conduct is reinstated, but with forfeiture of any part of his allowances for the period of suspension, this period does not count. But the Authority who reinstates the Officer may expressly declare at the time that the period shall count.

FORFEITURE OF PAST SERVICE.

96. An INTERRUPTION in the service of an Officer entails forfeiture of his past service, except in the following cases:— Interruption.

(*a*)—Authorised Leave of Absence. Leave.

(*b*)—Unauthorised absence in continuation of authorised leave of absence, so long as the office of the Absentee is not substantively filled; if his office is substantively filled, the past service of the Absentee is forfeited: Absence after leave.

Provided that, if the Absentee is subsequently reinstated, the Authority whose duty it is to make the appointment, within three months, or the Local Government, within one year, from the end of the authorised leave of absence, may declare, in an order to be communicated to the Accountant General, that his previous service, or any part of it, shall not be forfeited.

(*c*)—Suspension immediately followed by reinstatement, which need not be to the same office. Suspension.

(*d*)—Abolition of Office. Abolition of office.

(*e*)—Transfer to non-qualifying service in an establishment under Government control. The transfer must be made by Competent Authority; an Officer who voluntarily resigns Qualifying Service cannot claim the benefit of this exception. Transfer to a Grant-in-aid school entails forfeiture. (*But see Rule 3 under Section 66.*) Transfer to non-qualifying service.

Household establishment.

(*f*)—Transfer to service on the Household Establishment of the Viceroy.

Mutiny.

(*g*)—Loss of appointment owing to the Mutiny, provided that the Officer affected cleared his character, and was re-appointed as soon as a suitable vacancy was found for him.

Transit from one office to another.

(*h*)—Transit from one appointment to another, provided that the Officer is transferred under the orders of Competent Authority, or, if he is a Ministerial Officer, with the consent of the Head of his old office.

Resignation of, or removal from, office.

97. Resignation of the Public Service, or removal from it for misconduct, inefficiency, or failure to pass a prescribed examination, entails forfeiture of past service.

Resignation in view to take up another appointment under Government. Service before dismissal.

1. Resignation of an appointment to take up another appointment, service in which counts, is not held to be a resignation of the public service.

2. Any authority who, on revision or appeal, reverses an order dismissing an Officer, may declare that the past service of the reinstated Officer counts.

Excepted cases.

3. An Officer who resigned the Public Service before the 8th June 1863 if he was a Superior Servant, or before 1st September 1871 if he was an Inferior Servant, and was re-appointed to the Public Service within twelve months from his resignation, counts his service rendered before resignation. This Rule can be applied to only one resignation.

Condonation of break.

98. Upon such conditions as it may think fit, in each case, to impose—

(*a*) The Government of India may condone all interruptions in service not exceeding twelve months in all; and the Local Government may condone all interruptions not exceeding three months in all.

(*b*) If the proposed pension does not exceed fifty rupees a month, the Government of India may condone interruptions in service, whatever their duration: and the Local Government may exercise the same power if the pension is a provincial charge; otherwise it may condone interruptions not exceeding twelve months in all.

CONDITIONS OF AWARD OF PENSION.

Classification.

99. Pensions are of four classes :

COMPENSATION PENSIONS.
INVALID PENSIONS.
SUPERANNUATION PENSIONS.
RETIRING PENSIONS.

Gratuity payable in one sum.

1. A GRATUITY is paid in a single sum, and not by instalments.

Gratuity, if more costly than pension, not to be given.

2. A gratuity is intended to be less valuable than a pension, and should not be awarded if it is likely to impose upon the State a higher charge than would arise from a pension. (*See Rule 3.*)

Applicants for gratuity to be examined as to normal prospects of life.

3. Every applicant for a Gratuity should appear before a Commissioned Medical Officer, or Medical Officer in charge of a Civil Station; and if the Medical Officer considers that the applicant has clearly not the normal prospects of life, he should so certify in a confidential report to the Head of the Office, explaining briefly the grounds for his opinion. In such case, the Local Government should grant, in lieu of the gratuity, a pension equal to that which the gratuity would purchase according to the Scale in Table A, Appendix E, for a person of the same age with normal prospects of life. Provided that no gratuity which will yield, on commutation, a pension of less than two rupees a month, need be commuted at all under this Rule. It is not intended that this Rule should be employed indiscriminately, and the Government of India will be ready specially to consider any cases in which its strict operation would cause serious hardship.*

COMPENSATION PENSIONS.

100. A COMPENSATION PENSION is awarded to an Officer discharged† from the Public Service because, on a reduction of establishment, his appointment is abolished.

---

* I am directed to acknowledge the receipt of letter No. 1638 (Finance), dated 1st May 1878, enquiring whether the confidential medical report prescribed in Rule 3 of Section 99, Civil Pension Code, is required in every case of application for gratuity, or merely in cases where an applicant for gratuity has not the normal prospects of life.

2 In reply, I am to state that it is not intended by the Rule that any accurate valuation should be made of a man's life before a gratuity is awarded to him on retirement The Local Government may interpret the Rule as it deems reasonable, provided that sufficient precautions are taken to prevent the grave abuses against which it is directed.—*Government of India, Financial Department, to Government of Bengal, No. 1015, dated 21st June 1878.*

† You report the case of an Overseer of eight years' service, whose pay was Rs. 20 a month, and who, upon the abolition of his appointment, was offered an acting Overseership on Rs. 15 a month, with a probable prospect of recovering his former position after a time.

CHAP. IX. Uncovenanted Officers. Conditions of Award of Pension.

COMPENSATION PENSIONS.

Re-employment to be found if possible.

1. To pension an Officer still capable of useful service is a waste of public money; before a pension is granted to such an Officer discharged on abolition of appointment, it must be carefully considered whether he cannot be otherwise provided for. The Head of a Department, in forwarding an application for Compensation Pension, should invariably state for what reasons it has been found impossible to provide suitable employment for the applicant; and in the Quarterly Statements furnished by Local Governments of such pensions, it should be stated in each case that it has been found, after careful enquiry, impossible to provide for the Officer elsewhere.

Reasonable notice to be given.

2. Reasonable notice should be given to an Officer in permanent employ before his services are dispensed with on the abolition of his office. If, in any case, such notice is not given at least three months before dispensing with the Officer's services, and he shall not have been provided with some other employment on the date on which his services are dispensed with, then, with the sanction of the Local Government, a gratuity not exceeding his emoluments for the period by which the notice actually given to him falls short of three months, may be paid to him, in addition to the pension to which he may be entitled under Sections 109 and 117;* but the pension shall not be payable for the period in respect of which he receives full pay in lieu of notice. The responsible Officer will, however, be required to explain any neglect on his part which may give rise to expenditure for such a gratuity.†

Cases in which refund should be made.

The rule in Section 176, requiring the refund of a compensation

2. The Overseer refused this offer and claimed a Compensation Gratuity, which you declined to grant. In the absence of any express rules to guide you, you now enquire whether this procedure was proper.

3. The Governor General in Council considers that your action was quite right, and that a public servant of such a class is not entitled to claim a Compensation Pension or Gratuity as of right merely because his emoluments may be somewhat reduced for a time. A Compensation Pension is designed to mitigate hardship caused by loss of office; and a working man who refuses to accept suitable employment, even accompanied with some temporary loss of pay, clearly does not need compensation.—*Letter to Director General of the Post Office of India, No. 2684, dated 10th September 1879.*

* In reply to your letter, No. 4454, dated 16th December 1880, I am directed to say that the gratuity prescribed in Rule 2 under Section 100 of the Civil Pension Code is not granted as compensation for loss of employment but only in lieu of notice of discharge, with a view to mitigate the hardship caused to an Officer by the sudden loss of employment. When, therefore, an Officer discharged without notice is provided with some other employment on the date on which his services are dispensed with, whether that employment be in qualifying or non-qualifying service, he is not entitled to any gratuity.—*Government of India, Department of Finance, to Government, Bombay, No. 106, dated 10th January 1881.*

† The Governor General in Council is pleased to decide that, unless it contains an express statement to the contrary, an order for the abolition of an office or appointment shall not be brought into operation till the expiry of three months after notice has been given to the Officers whose services are to be dispensed with on such abolition. The immediate Head of the Office or of the Department will be held responsible that there is no unnecessary delay in giving such notice.—*Resolution No. 208, dated 28th April 1880.*

COMPENSATI PENSIONS.

gratuity on re-employment, applies to a gratuity awarded under this Rule, if the Officer is permanently re-employed within three months from the date of notice. But the Officer need not refund that proportion of his gratuity under this Rule which the interval of his non-employment bears to the whole period for which the gratuity is given. If the Officer is re-employed only temporarily, he need refund no part of his gratuity; but if such temporary employment is foreseen, the gratuity should be proportionately reduced.

Selection fo discharge.

3. Whenever, upon the reduction of an establishment, it is necessary to discharge one or more members thereof, the selection of the Officers to be discharged should, *primâ facie*, be so made that the least charge for Compensation Pension will be incurred.

Cannot refuse re-employment

4. An Officer discharged with a Compensation Pension may not, without surrendering his pension, refuse to accept any appointment which the Local Government thinks fit, within six months from the date of his discharge, to offer to him. The salary of such new appointment must not, however, be less than enough to raise his total receipts under the operation of Section 177 to the amount which he received as salary immediately before his discharge, nor should the new appointment be such as the Officer cannot reasonably and equitably be expected to accept.

or transfer.

5. Rule 4 applies also to the case of an Officer entitled to Compensation Pension who, upon the abolition of his own appointment, is transferred by Competent Authority to another appointment. To such an Officer a Compensation Pension may be simultaneously awarded, subject always to the limitation prescribed by Section 177.

Explanation.

6. The discharge of one Officer to make room for another better qualified, is not the abolition of an appointment within the meaning of this Section; the abolition must produce a real saving to Government. Particulars of the saving effected should be fully set forth in every application for Compensation Pension. The saving should always exceed the cost of the pension, otherwise it may perhaps be better to postpone the reduction of establishment or abolition of appointment.*

Change in nature of duties.

7. If it is necessary to discharge an Officer in consequence of a change in the nature of the duties of his office, the case should be referred to the Government of India.

* The Governor General in Council desires that the attention of the several Departments of the Government of India, and of Local Governments, be drawn to the conditions prescribed in the Civil Pension Code for the admission of claims to Compensation Pension. Such pension is only granted to an Officer discharged from the Public Service when, *on a reduction of establishment*, his appointment is abolished. It is further prescribed that such abolition must produce a real saving to Government in respect of the cost of the appointment; and that the saving should always exceed the cost of the pension to be granted to the incumbent of the abolished appointment.

2. Notwithstanding these clear provisions in the Rules, applications are frequently made for the grant of pension to Officers discharged from the Public Service, though the discharge of the Officer does not result in any saving to the State. The

General reduction.

8. An appointment, the pay of which is reduced as part of a general scheme of revision, is abolished within the meaning of this Section. But in such case it may sometimes be cheaper to grant a Personal Allowance than a Pension.

Abolition of one of two appointments.

9. If, of two appointments held by one Officer, one is abolished and the other retained, the case should be specially submitted to the Government of India.

Graded Officers.

10. Deputy Collector, Munsif, or similar Officer who belongs to the Public Service, apart from his particular local appointment, cannot obtain a Compensation Pension on the abolition of a particular appointment.

Discharge after completion of a specified term of service.

11. No pension is admissible to an Officer for the loss of an appointment on discharge after the completion of a specified term of service.

Local allowance.

12. No pension may be awarded for the loss of a Local Allowance.

Schoolmasters, &c., employed to do postal duties.

13. Schoolmasters or other Government Officers who, in addition to their other duties, are employed as Postmasters, or in any other capacity in the Post Office Department, are not entitled to Compensation Pension on being relieved of such duties.

---

consequence is, that the Governor General in Council is under the necessity of rejecting such applications, or to refer cases of more than ordinary hardship to the Secretary of State for special consideration.

3. It is not desirable that frequent relaxations of the Rules should be permitted. At the same time it involves serious hardship if Officers are thrown out of employment when they have not failed in the discharge of their public duties, and are refused all compensation therefor.

4. The Governor General in Council therefore deems it necessary to remind all Departments, Local Governments, and Officers concerned that, in any scheme for re-organising an establishment, the claims to pension that may arise in consequence of the re-organisation, should always be considered before a change is made, and, except in cases of very urgent necessity, no revision of establishment should be carried out which would have the effect of giving rise to claims to Compensation Pension the cost of which cannot be met out of savings effected by the revision. As stated in Rule 6 of Section 100 of the Civil Pension Code, if the saving does not exceed the cost of the pension, " it may be better to postpone the reduction of establishment or abolition of appointment."—*Circular by the Government of India, Financial Department, No. 1690, dated 22nd July 1878.*

4. It is, doubtless, the duty of all Public Officers to take every suitable opportunity to introduce improvements in the Administration, and, as the Rules now stand, personal claims such as those of A. B. often impede administrative reforms otherwise desirable. But it is easy to see that, if the Government were prepared to compensate every one whom it is desired to supersede on such occasions, reforms might indeed proceed more rapidly, but an indefinitely large expenditure for Compensation pensions might ensue; and this the Government of India is not at present authorised to incur, or prepared to recommend to the Secretary of State.

5. Local improvements must therefore be carried out with a due regard to these considerations; and it should be clearly understood that if a public servant is discharged as, in the present instance, A. B. has been discharged, a remedy at the charge of the Public Revenues for the loss he sustains is not to be expected.—*Government of India, Financial Department, to Bombay, No. 2753, dated 6th September 1878.*

INVALID PENSIONS.

14. The abolition of the appointment of an Officer absent on leave out of India should be immediately communicated to the Secretary of State. (*See Rule 5 under Section 162, Civil Leave Code.*)

Abolition of appointment of an Officer on leave to be communicated to Secretary of State.

101. If an Officer who is entitled to Compensation Pension accepts instead another appointment in the Public Service (whether qualifying or not), and subsequently becomes again entitled to receive a pension of any class, the amount of such pension shall not be less than he could have claimed if he had not accepted the appointment.

Transfer to an appointment of less value.

1. The pension of an Officer who on the disbandment of the Satara Local Corps in 1862, or any earlier reduction of the Corps, entered the Police, shall not be less than he would have received if, instead of joining the Police, he had resigned the public service altogether, namely :—

Satara Local Corps.

(1) A gratuity of six times his last monthly pay in the Corps ;
(2) Half his last month's pay in the Corps for each year's service in the Corps in excess of six ;
(3) If he had served for not less than thirty years in the Corps, then, at his option, instead of a gratuity, a pension equal to half his last pay in the Corps.

2. An Officer employed in the Risála of the Rájá of Satára, who, on the disbandment of that Force in 1850-52, was transferred to the service of the British Government, is entitled, on his discharge from this service, to a minimum pension as follows :—

Risála of the Raja of Satara.

(*a*) If he served in the Risála not less than 25 years . .	His last pay in the Risála.
(*b*) Otherwise	His said pay multiplied by a fraction, the denominator of which is 25, and the numerator, the number of completed years of his service in the Risála.

INVALID PENSIONS.

102. An INVALID PENSION is awarded, on his retirement from the Public Service, to an Officer who by bodily or mental infirmity is permanently incapacitated—

(*a*)—for the Public Service, or

(*b*)—for the particular branch of it to which he belongs.

1. An Officer discharged on other grounds has no claim under this Section, even although he can produce medical evidence of incapacity for service.

No claim on other grounds.

CHAP IX. Uncovenanted Officers. Conditions of Award of Pension.

INVALID PENSIONS. Medical certificate on first appointment.

2. To prevent undue liability for Invalid Pensions, no person may be appointed to a Superior Grade in the Public Service in India without a certificate in the annexed form, with any suitable modification, by a Commissioned Medical Officer, or by a Medical Officer in charge of a Civil Station or (in the case of a candidate for employment in a State Railway) of a State Railway. This certificate must be annexed to the first bill submitted for the pay of the Officer. A similar Rule is enforced by the Secretary of State in the case of persons selected by him for service in India.

The Local Government may in any individual case, on public grounds, dispense with the production of the certificate required by this Rule.

CERTIFICATE.

I do hereby certify that I have examined A. B., a candidate for employment in the _____ Department, and cannot discover that he has any disease, constitutional affection, or bodily infirmity, except _____. I do not consider this a disqualification for employment in the Office of _____. A. B.'s age is, according to his own statement, (*x*) years, and, by appearance, about (*y*) years.

[NOTE.—When an Officer is transferred from one Office to another, the duties of which are different in character, a Commissioned Medical Officer or a Medical Officer in charge of a Civil Station or (in the case of an officer employed in a State Railway) of a State Railway, should report whether the defect, if one exists, will materially interfere with the discharge of his new duties by the Officer transferred.]

Exception.

3. But if an Officer, who is appointed on a pay not exceeding fifty rupees a month, cannot conveniently appear before a Commissioned Medical Officer or a Medical Officer in charge of a Civil Station or (in the case of an officer appointed to an Office in a State Railway) of a State Railway, the Local Government may accept a certificate in such form as it considers sufficient from any other Officer who need not even be a Medical man.

Accountant General to report in certain cases.

4. Whenever it appears from the certificate prescribed by Rule 2 that a person has been admitted to the Public Service when his age, according to his own statement, or in the opinion of the examining Medical Officer, exceeded twenty-five years, the Accountant General should report the case for the orders of the Local Government, reminding it of the Resolution by the Government of India, No. 423, dated 20th January 1871, quoted as a foot-note to the Proviso under Section 111.

Promotion.

5. No Medical Certificate is necessary upon an Officer being promoted from Inferior to Superior Service, even though the Officer while in Inferior Service may have been paid from a Local Fund.

Re-employment.

6. Rule I under Section 100 applies, *mutatis mutandis*, in the case of an Officer invalided under Clause (*b*), as unfit for employment only in some particular branch of the Public Service. Every effort

should be made to find for such an Officer other employment suited to his particular capacity.

Medical Certificate by whom attested.

103. If the Officer applying for pension is sixty years old or upwards, no certificate by a Medical Officer is necessary; it suffices for the Head of the Office to certify to the incapacity of the applicant. Otherwise, incapacity for service must be established by a Medical Certificate attested as follows:—

(*a*)—If the Officer submitting it is on leave in England;—by the Medical Board of the India Office.

(*b*)—If he is serving at or near the capital town of a Province;—by the Surgeon General or Deputy Surgeon General of the Province, or by a Medical Committee over which the Surgeon General or Deputy Surgeon General should, when practicable, preside.

(*c*)—If he is a Superior Officer and is serving in the interior of the country under such circumstances that, in the opinion of the Local Government, he can be conveniently required to appear before a Medical Invaliding Committee;—by such Committee.

(*d*)—In other cases, the Local Government may either accept a certificate given by a single Commissioned Medical Officer or Medical Officer in charge of a Civil Station, or assemble a special Invaliding Committee at a convenient Civil Station. If the pension applied for exceeds Rs. 100 a month, a certificate by a single Medical Officer should not be accepted as sufficient, if it is possible, without undue inconvenience, to assemble an Invaliding Committee, or to cause the applicant to appear before the Surgeon General, Indian Medical Department, or the Standing Medical Committee at the Presidency.

Form of Medical Certificate.

104. The form of the Medical Certificate given by the Medical Board attached to the India Office, respecting an Officer applying for pension in England, is as follows:—

Certified that we have carefully examined A. B. of the Indian Uncovenanted Service. His age is, by his own statement, (*x*) years, and by appearance about (*y*) years. Looking at all the facts of his case and his present condition, we consider that he is so far incapacitated for further service in India, that we recommend that he be permitted to retire from the service of Government on pension.* So far as we are in a position to judge, his

* If the incapacity is obviously the result of intemperance, substitute: "In our opinion, his incapacity is the result of irregular [or intemperate] habits."

incapacity has not been occasioned by irregular or intemperate habits.

The form of the Certificate to be given respecting an Officer applying for pension in India is as follows :—

Certified that I (We) have carefully examined A. B., son of C. D., a _____ in the _____

His age is, by his own statement, (*x*) years, and by appearance about (*y*) years. I (We) consider A. B. to be completely and permanently incapacitated for further service of any kind [or in the Department to which he belongs] in consequence of (*here state disease or cause*). His incapacity does not appear to me (us) to have been caused by irregular or intemperate habits.

(*If the incapacity does not appear to be complete and permanent, the certificate should be modified accordingly, and the following addition should be made.*) I am (We are) of opinion that A. B. is fit for further service of a less laborious character than that which he has been doing, [or may, after resting for (*z*) months, be fit for further service of a less laborious character than that which he has been doing.]

[NOTES. (1.)—A succinct statement of the medical case, and of the treatment adopted, should, if possible, be appended.

(2)—If the Examining Medical Officer, although unable to discover any specific disease in the Officer, considers him incapacitated for further service by general debility while still under the age of 55 years, he should give detailed reasons for his opinion, and, if possible, a second medical opinion should always in such a case be obtained. In a case of this kind, special explanation will be expected from the Head of the Office or Department of the grounds on which it is proposed to invalid the Officer.

(3) The object of the second alternative Certificate (of partial incapacity) is that an officer should, if possible, be employed even on lower pay, so that the expense of pensioning him may be avoided. If there be no means of employing him even on lower pay, then he may be admitted to pension; but it should be considered whether, in view of his capacity for partially earning a living, it is necessary to grant to him the full pension admissible under Rule. The principle of Rule 1 under Section 100 must always be carefully borne in mind.]

Pension awarded accordingly

105. If the incapacity is the result of irregular or intemperate habits, no pension can be granted. Otherwise, it is for the Local Government to decide whether the Officer's incapacity is such as to render it necessary to admit him to Invalid Pension.

Discharge required on submission of Medical Certificate.

1. An Officer who has submitted a Medical Certificate of incapacity for further service must not (except for special reasons to be reported to the Local Government) be retained in active service pending a decision on his application for pension, nor can he obtain

SUPERANNUATION PENSIONS.

leave of absence. Without the further special sanction of the Local Government, service after the date of a Medical Certificate does not count for pension. The object of this Rule is to discourage tentative applications; but an Inferior Servant, or a Police Officer whose pay does not exceed twenty rupees, who, in the opinion of the Head of his Office, is fit for light work, may be retained in employment till his pension is sanctioned, provided that his place is not filled up till he retires, and that his service counts only to the date of his Medical Certificate.

Excepted cases.

SUPERANNUATION PENSIONS.

106. A SUPERANNUATION PENSION is granted to an Officer entitled or compelled, by Rule, to retire at a particular age.

Premature retirement of efficient Officers not to be enforced.

1. An Officer in a Superior Grade, who has attained to the age of fifty-five years, may be required to retire, unless the Local Government considers him efficient, and permits him to remain in the service.* (*Section 45 of the Civil Leave Code*). But, as the premature retirement of an efficient Officer imposes a needless charge on the State, this Rule should be worked with discretion.†

* A Covenanted Civilian or an Officer of the Army in Civil Employ is obliged to retire after a certain period of service unless it is injurious to the public interests that he should do so; but an Uncovenanted Officer in a Superior Grade, who has attained the age of 55 years, may be required to retire unless the Local Government considers him efficient and permits him to remain in the service. There is thus a clear distinction between the two classes of Officers; for the former class is required, as a rule, to retire, while the latter is required, as a rule, to be retained, the result, in both cases alike, being decided by what is most expedient in the public interests.

2. The Government of India think it unnecessary to add to these Rules; but, in the case of Uncovenanted Officers holding appointments open to the Covenanted Service, the standard of efficiency by which the retention of such Officers is to be decided may reasonably be raised above the standard required in lower appointments.—(*Home Department, to Bengal, No. 524, dated 31st March 1876.*)

3. As some misapprehension appears to exist on the subject of the Rule regarding the Compulsory Retirement of Uncovenanted Officers after the age of 55 years, His Honor the President in Council thinks it desirable to state that not only does Section 106 of the Civil Pension Code not require the compulsory retirement of any efficient Officer of whatever age, but that, though the Section authorises the Local Authorities, at their discretion, to presume that an Officer is inefficient, at 55 years of age, conditionally, and at 60 years of age, absolutely, yet the whole tenor of the Rules is that such presumption shall be exercised with careful consideration both for the individual, who would suffer by being deprived of his appointment while capable of discharging its duties, and for the finances of the country, which would suffer were Officers still efficient prematurely thrown upon the Pension List.—(*Revenue Department, No. 31F., dated 3rd September 1877.*)

† I trust that the various Governments and Administrations will always be disposed to extend to this Rule a very liberal interpretation, and that the State may, in no case, be deprived of the valuable experience of really efficient Native Officers by the untimely exercise of the powers of compulsory retirement on pension.—(*Secretary of State, No. 87, dated 8th August 1872.*)[1]

[1] Rule I of Section 106 of the Civil Pension Code applies to all Uncovenanted Officers (in the Superior Grades) without reference to their nationality. If an

Accountant General to report.

2. The Accountant General will inform the Local Government whenever any Officer attains the age of fifty-five years, in order that the Local Government, being apprised of the fact, may take such action as it sees fit for the retention or otherwise of the Officer in question.

Certificate of inefficiency.

4. If an Officer, whose age is less than sixty years, is required to retire under Rule 1, the Head of his Office must certify in the Column for "Any other remarks," on the third page of the application for his pension, the cause of the applicant's inefficiency. If the Officer wishes to retire of his own accord under Rule 5, the fact should be stated.

Optional retirement

5. An Officer in Superior Service who has attained the age of fifty-five years may, at his option, retire from the Service on a Superannuation Pension.

Military or Naval Officer.

6. After the age of fifty-five years, no Military or Naval Officer shall be appointed to a new office in Civil employment, or shall be permitted to retain any such office which he has held for five years and upwards, except in special cases which are to be referred for the decision of the Secretary of State.*

Officer is efficient after attaining the age of fifty-five years, his retention in the service is not barred by the accident of his being of other than purely native birth, and, though the despatch of the Secretary of State in the foot note to Rule I of Section 106 mentions *Native* Officers only, it has a much wider application, and should be held applicable to all Uncovenanted Officers in Superior Grades, whether Natives or Europeans, equally with the Rule quoted above.—(*Financial Department, to North-Western Provinces, No. 2759, dated 7th December 1875.*)

* I am directed to acknowledge your letter No 3000-135, dated the 3rd August last, recommending, for the reasons explained, that Colonel A. B. may, instead of being called upon to retire absolutely on attaining the age of 55 years on the 21st January next, be permitted to take a year's Furlough from that date on the allowance which he would draw if he were retained in the Civil Department a year longer

2. The proposed concession would require the sanction of the Right Honorable the Secretary of State, and as it is opposed to Rules prescribed and repeatedly affirmed by that Authority, the Governor General in Council regrets his inability to recommend it. Colonel A. B. should, therefore, retire from the Civil Department on attaining the age of 55 years.

3 In the case of Colonel C. D., cited as a precedent in your letter under acknowledgment, it was distinctly laid down that the indulgence conceded to him under certain special circumstances should not be allowed to form any sort of precedent, or to warrant any further departure from existing Rules. (*Home Department, to Chief Commissioner, Central Provinces, No. 689, dated 17th October 1876.*)

7. Rule 6 should be strictly enforced, unless the retirement of any Officer should be considered by the Government under which he is serving to be injurious to the public interest.—(*Secretary of State, No. 106, dated 30th August 1873.*) Strict enforcement of Rule regarding Military and Naval Officers.

8. On succession to the Colonel's Allowance, a Military Officer (not being a General Officer in Command of a Division or Brigade, or holding an appointment the tenure of which is limited to five years) must vacate any Civil or Military appointment which he then holds. But, with the sanction of the Secretary of State in Council, he is eligible to re-appointment or to employment in the same or any other appointment at the discretion of the Government of India (or, if he belongs to the Madras or Bombay Army, as the case may be, of Madras or Bombay) in the Military Department. Compulsory Retirement of a Military Officer on succession to Colonel's allowance.

9. * A Military Officer serving in the Public Works Department must vacate absolutely any appointment he may hold in that Department on succession to the Colonel's allowance. Military Officer in Public Works Department.

Retiring Pensions.

107. A Retiring Pension is granted to an Officer who voluntarily retires after completing the prescribed period of service. Retiring Pension.

AMOUNT OF PENSION.

108. The Amount of Pension that may be granted is determined by length of service, as set forth in Sections 109, 110, 111, and 112. Explanation.

1. An Officer entitled to Pension may not take a Gratuity instead of Pension. No option of gratuity.

* The following Rules were published under Notification in the Public Works Department, No. 293, dated 3rd September 1880:—

I. The following Rule of the Civil Pension Code is made applicable to Officers of Royal Engineers serving in the Public Works Department:—

(Rule 6 of Section 106.)

II Officers of the Royal Engineers who have attained, or hereafter may attain, the rank of General Officers, must vacate their appointments in the Public Works Department; but they will be eligible for re-appointment as Chief Engineers, Class I, or in posts carrying that rank. This Rule will be brought into force two years from the present date.

III.—No Chief Engineer of the Corps of Royal Engineers shall, without re-appointment, hold the same post for more than five years. This Rule, in the case of Officers who, on their appointment to that rank, received notice of the probable issue of this order, will take effect from the date they joined their present posts. In other cases the Rule will take effect from the date of these orders.

IV. The foregoing Rules are applicable to Officers of Royal Engineers who hold the post of Secretary or of Deputy Secretary to the Government of India in the Public Works Department.

SUPERIOR SERVICE.

For Superior Service.

Compensation and Invalid Pension.

109. COMPENSATION AND INVALID PENSION may be granted for SUPERIOR QUALIFYING SERVICE as follows:—

Gratuity.

(*a*)—*After a service of less than fifteen years:*—

A Gratuity, not exceeding (except in special cases, and under the orders of the Government of India) one month's Emoluments for each completed year of service or twelve months' Emoluments in all. If the Emoluments of the Officer have been reduced, during the last five years of his service, otherwise than as a penalty, Average Emoluments may, at the discretion of the Local Government, be substituted for Emoluments.

Pension not exceeding one-third of Average Emoluments.

(*b*)—*After a service of not less than fifteen years, but less than twenty-five years:*—

A Pension, not exceeding one-third of Average Emoluments; and, also, not exceeding Rs. 3,000 a year, or, if the Average Emoluments do not exceed Rs. 12,000 a year, Rs. 2,000 a year.

Pension not exceeding one-half of Average Emoluments.

(*c*)—*After a service of not less than twenty-five years:*—

A Pension, not exceeding one-half of Average Emoluments; and, also, not exceeding Rs. 5,000 a year, or, if the Average Emoluments do not exceed Rs. 12,000 a year, Rs. 4000 a year.

[NOTE.—The Proviso under Section 111 applies to an Officer invalided on account of incapacity for further service, which incapacity is due to old age or natural decay from advancing years. In the case of an Officer whose Qualifying Service began after he attained the age of twenty-five years, the attention of the Examining Medical Officer should always be called to that Proviso, in order that he may adapt his certificate accordingly.

Medical Officers must not give a certificate that inefficiency is due to old age or natural decay from advancing years, to any Officer whose age is less than fifty-five years. In the case of any Officer, whose age is less than fifty-five years, the cause of inefficiency must be exactly stated. (*See Note* (*2*) *under Section 104.*)]

Graduated scale of pensions in certain cases.

110. An INVALID PENSION on the following Scale, but not being less than Rs. 1,000 or more than Rs. 2,000 a year, may be granted to an Officer belonging to any of the Classes described in Schedule B, except Class III. The Government of India may, on special grounds, recommend for sanction by the Secretary of State the grant of an Invalid Pension on the same Scale to an Officer belonging to Class III, provided that,

* The Governor General in Council observes that the admission into the service of Government of other than young men tends to throw upon the State an undue liability for pensions

2. His Excellency in Council is accordingly pleased to declare that, as a general rule, no person should be admitted into the Uncovenanted Service of Government after he has attained the age of 25 years. But if, for special reasons, any one is, after this date, admitted at a later age, then, in the event of his being required to retire, under the operation of any Rule for the removal of Officers from the service as superannuated on their attaining a particular age, the pension to which he would, but for this Rule, be entitled shall be reduced in the proportion which the number of years of pensionable service which he has completed bears to 30 years, the full period required for a good service pension.—(*Government of India, Financial Department, No. 423, dated 20th January 1871*)

I am directed to acknowledge the receipt of your letter No. 816, dated 13th June 1871, inquiring whether the Rule of 20th January 1871, prohibiting the employment in the Uncovenanted Civil Service of persons above the age of 25 years, except on special grounds, is to be applied to the case of persons who having voluntarily resigned the service, seek to obtain re-admission.

2. In reply, I am desired to say that, so far as regards the re-admission of persons so situated, it is a question for the Officer appointing to determine, and, probably, previous service, if it proved the capacity of the person, might be a special reason for employment.

3. In the case of re-employment of such persons the Rule for the reduction of pension will apply.

4. In regard to this Rule, it should be remarked that it imposes no "specified disadvantage as regards pension," but only prevents the undue advantage which the persons to whom it applies would otherwise obtain by being permitted to earn a full pension by a service of less than 30 years.—(*Government of India, Financial Department, to Government of Madras, No. 2065, dated 15th July 1871*)

The Governor General in Council desires to draw the attention of the Comptroller General, the Director General of the Post Office of India, the Mint Masters, Calcutta and Bombay, the several Accountants General, and the several

The limit of Rs. 2,000, Rs. 3,000, Rs. 4,000, or Rs. 5,000 is to be applied before, and not after, this multiplication.

Proviso applies to superior pension of an inferior officer promoted.

1. This Proviso applies also to the Superior Pension of an Officer promoted from Inferior to Superior Service after the 20th January 1871 and after he is 25 years old.

Pleader appointed to a Judicial Office.

2. By the orders quoted in the foot-note on page 57, a person whose age exceeds twenty-five years may not ordinarily be admitted into the Uncovenanted Service of the State; but these orders do not apply to a practising Pleader appointed to a Judicial Office, who may be appointed if not more than thirty years old. Moreover, the Local Government may, for the purposes of the Proviso, at its discretion, add to the number of years' service completed by such an Officer, the period during which he has actually practised as a Pleader, not exceeding three years in all.

Retiring pension.

112. A RETIRING PENSION may be granted for SUPERIOR QUALIFYING SERVICE as follows :—

After a service of not less than thirty years :—

Amount.

The same in amount as an Invalid Pension admissible after twenty-five years' service.

Extension of the maxima.

113. In the following cases the several prescribed maxima limits of Rs. 2,000, Rs. 3,000, Rs. 4,000, and Rs. 5,000 a year may be relaxed :

(*a*)—For an Officer whose Average Emoluments exceed Rs. 10,000 a year, and who entered the Service before the 19th May 1855, or whose salary, before the 6th August 1862, exceeded Rs. 10,000 a year, the maximum pension is ordinarily Rs. 5,000 a year. But if the service of such an Officer has been *of extraordinary merit*, a pension exceeding Rs. 5,000 a year may be recommended for the sanction of the Secretary of State.

Deputy Accountants General in independent charge, to Resolution No. 423, dated 20th January 1871, by which the admission into the Uncovenanted Service of any person after the age of twenty-five years was discouraged.

There is reason to believe that sufficient attention is not paid to the Rule contained in this Resolution, and His Excellency in Council would remind Heads of Departments that men of advanced age ought never to be admitted to the Government service, except upon public grounds of a special character.—(*Government of India, Financial Department, No. 1047, dated 5th June 1877.*)

(*b*)—To an Officer who entered the Service before the 19th May 1855, but whose Average Emoluments do not exceed Rs. 10,000 a year, the Secretary of State, on the recommendation of the Government of India, sometimes grants a Special Pension in excess of the prescribed maximum for *unusually meritorious services*.

(*c*)—For a Native Judge (*see Appendix B1*) who was in the service on the 29th October 1866, the limit is ordinarily Rs. 5,000 a year.

[NOTE.—The limits which may be relaxed under the foregoing Rules are the *maxima money limits*, and not the limits of one-third or one-half Average Emoluments.*]

* 3. You enquire whether it is open to your Government, under Section 113 of the Civil Pension Code, to recommend to the Home Government the grant of Special Pensions, not only in excess of the money limits prescribed by the Rules, but also in excess of the limits of one-third or one-half of Average Emoluments, as the case may be.

4. The Pension Code published by you merely embodies existing Rules as to the grant of pensions, and interpretations thereof, and is intended for the guidance and information of your Officers; but it can scarcely be held to absolutely preclude your Government from making any special representation to the Secretary of State you may see fit in any particular case.

5. The inconvenience, however, of recommending Uncovenanted Servants for Special Pensions unauthorised by the Rules was pointed out in paragraphs 8 and 9 of the Financial Despatch, dated 30th September 1863, No. 174, and I see no reason to modify the opinion therein expressed.—(*Secretary of State, No. 401, dated 24th September 1872.*)

[1] 8. I take this opportunity of calling your attention to the practice of recommending Uncovenanted Servants for Special Pensions. The Code of Rules which was published on the 4th of January 1831 prescribed that "the rates of pension shall be fixed on a graduated scale, within the prescribed limitations, with reference to the responsibility and arduousness of the employment, the degree of merit of the individual, and the nature and length of his service;" and, in my Financial Despatch of the 8th of December 1862, No. 205, I observed (*paragraph* 9) that "pensions of the full amount stated are to be granted only as the reward of approved service." It appears, however, to be the custom of Heads of Departments in India to recommend, in nearly every case, the full amount of pension which the Rules permit; and, whenever the service rendered has been at all above the average character, a special pension is recommended in excess of that which the Rules authorise.

9. It cannot be too strongly insisted upon, and made known to the whole body of Uncovenanted Officers, that the full pension authorised under the Rules is not to be given as a matter of course, but only when the service performed has been really such as to merit the approval of Government, and this should be invariably kept in view in considering recommendations for pension. It is easy for your Government to keep within the limits which the Rules authorise; but there is a manifest inconvenience in the Home Government refusing to grant a special pension which may have been submitted to them with the weight which must always attach to a recommendation by your Government.—(*Secretary of State, No.* 174, *dated* 30*th September* 1863.)

2. I authorise you to grant Lieutenant A. B. the higher pension of a Deputy Commissary in lieu of that of an Assistant Commissary, to which only he is entitled under the Regulations. I desire, however, to express my general disinclination to increase the Non-effective Charges by the grant of any pensions in excess of what the Regulations of the Service provide, save in cases of very exceptional and distinguished service. Mere length of service, however faithfully performed, is not, I consider, in itself a sufficient ground for exceptional reward.—(*Secretary of State, No. 92, dated 8th March 1877.*)

SUPERIOR SERVICE.

Privileges in counting service.

114. In the following cases certain privileges exist in respect of the length of service required for pension :

(*a*)—To an Officer, not being a native of Asia, whose qualifying service began after twenty-five years of age, and whose whole service for which pension is claimed has been passed in one or other of the following offices, pension is admissible after three years' less service than is required from other Officers :—

Educational Officers.

Directors of Public Instruction
Inspectors of Schools.
Principals and Professors of Colleges.
Head-masters of Colleges and High Schools.

Barristers.

Barristers serving in Offices other than those mentioned in Section 115 to which the Local Government has, with the consent of the Government of India, declared it to be necessary to appoint Barristers.

[NOTE.—The only office concerning which this declaration has been made is that of Deputy Superintendent and Remembrancer of Legal Affairs, Bengal.]

Officers appointed before June 1863.

(*b*)—An Officer appointed before the 8th June 1863 may, at the discretion of the Local Government, be allowed to count service for Invalid Pension according to the Rules contained in Appendix B1 ; provided that he has not at any time availed himself of any advantages under the Leave Rules which came into force on the 8th June 1863. This proviso does not give an Officer the option of the Leave Rules which were in force before the 8th June 1863. Whatever leave he requires must be taken under the Rules in force when it is granted ; but if he desires to retain the benefit of counting service for pension in accordance with the Rules contained in Appendix B1, he must abstain from availing himself of so much of the advantages of the Rules under which leave is granted to him as may be in excess of what he could have claimed under the Rules in force before the 8th June 1863. The concession herein granted applies only to counting service for pension ; the *amount* of the pension must be calculated in accordance with the Rules in Sections 108—113.

---

4. The recommendations for the grant of pensions in excess of the amount admissible under rule have of late been frequent, and it appears to have been occasionally overlooked that service of an approved character does not give an officer a claim to a special pension, but, as pointed out in the Despatch of 1863 above referred to, is the condition on which the grant of a pension of the full amount authorised by the Regulations should depend.—(*Secretary of State, No. 218, dated 30th June 1880.*)

Example.—An Officer has served Government for twenty-one years, of which five years were passed before he was twenty-two years old, and two years were passed on leave on Medical Certificate under the Rules of 1856. His service, calculated under the Rules, is only fourteen years, the rest being excluded by Sections 63 and 93, and he would not be entitled to pension under Section 109(*b*); but under the Rules in Appendix B1 the whole twenty-one years would count, and he would be entitled to pension, under Section 109(*b*), having completed the twenty years' service required by the Rules in Appendix B1. Superior Service.

(*c*)—Native Judges who were serving as Judges on the 29th October 1866, and who were entitled to exceptional advantages under the Rules in Appendix B1, may count service for one-third and one-half pension in accordance with the Rules in Appendix B1. Native Judges.

(*d*)—Uncovenanted Officers who served in the Garrison of Lucknow during the Siege in 1857, count one year's additional service. Lucknow garrison.

(*e*)—The Government of India may, in special cases, add a period, not exceeding three years, to the service of any Civil Engineer appointed to the Public Works Department before the 1st November 1873, with initial rank higher than that of a First Grade Assistant Engineer. This concession will not, however, be granted to any Officer taken over, directly or indirectly, from one of the Guaranteed Railway Companies, who received a bonus on leaving the service of the Company. Civil Engineers.

115. To the following Officers, being Barristers and not being Covenanted Civil Servants, *viz.*,— Barrister' appointments.

Judges of the Chief Court of the Punjab;
First Judges of Small Cause Courts of Presidency towns;
Recorder of Rangún;
Secretary to the Government of India in the Legislative Department,

Special Pensions are admissible as follows:—

(*a*)—After not less than six years and nine months' Active Service in one or other of the Offices specified in this Section,—an invalid Pension of £300 a year.

(*b*)—After not less than eight years and eight months' such service,—an Invalid Pension of £500 a year.

(*c*)—After not less than eleven years and six months' such service,—a retiring Pension of £750 a year.

INFERIOR SERVICE

Active service.

1. Active Service here includes, besides time spent on duty whether in substantive or acting service, Privilege Leave, Subsidiary Leave, and periods of vacation during which the Officer is not on Furlough or Extraordinary Leave.

Ordinary Rules apply in other circumstances.

2. Except as provided by this Section, these Officers come under the ordinary Rules.

Dockyard and Military Artificers.

116. A Dockyard or Military Artificer whose Qualifying Service excluding interruptions of and absence from duty of *every* kind, amounts to not less than twenty-five years, may be granted a Compensation or Invalid Pension not exceeding three-fourths of the pension to which he would be entitled if his service on pay exceeding ten rupees were reckoned as Superior.

For Inferior Service.

117. For INFERIOR QUALIFYING SERVICE, Pension may be granted as follows :—

Compensation and Invalid GRATUITY

(*a*)—Compensation and Invalid GRATUITY :

after a service of	
less than 5 years,	—*Nil*
not less than 5 years but less than 10 years,	—3 months' pay.

Compensation and Invalid PENSION.

(*b*)—Compensation and Invalid PENSION :

After a service of not less than 30 years,—Half-pay not exceeding four rupees a month.

Exceeding half-pay.

1. If the pay of an Officer has been reduced during the last five years of his service otherwise than as a penalty, his gratuity or pension under this Section may, at the discretion of the Local Government, be calculated upon the average of his pay during the last five years of his service.

Special cases.

2. In special cases the Government of India grants more than half-pay, but never more than four rupees a month.

Service before the age of sixteen.

3. Service rendered before the age of sixteen years does not count.

Subject to proviso as to appointment after a certain age.

4. The proviso under Section 111 applies to the Invalid Pension of an Inferior servant. The service of such an Officer appointed

after the 1st April 1880 and after he attained the age of forty years does not qualify for Pension or Gratuity of any kind.

SERVICE PARTLY INFERIOR AND PARTLY SUPERIOR.

5. An Officer should not, without urgent necessity, be invalided when he has nearly completed 30 years' service : the Government cannot undertake to overlook a deficiency of service resulting from an Officer being prematurely invalided. The principle of this Rule applies to all analogous cases.

Premature invaliding discouraged.

For service partly Inferior and partly Superior.

118. An Officer whose service has been for some time Inferior and for some time Superior, may either count the whole as Inferior towards pension on the Inferior Scale, or the Superior portion only towards pension on the Superior Scale (*see Note under Section* 106, *Rule 1; also Rule 1 under Section* 111). A Gratuity on the Superior Scale under this Section is calculated upon the Emoluments which the Officer drew when last in Superior Service. A Gratuity on the Inferior Scale is calculated upon the pay (whether on the Superior or Inferior Scale) which he drew immediately before his retirement. If an Officer has been reduced from the Superior to the Inferior Class for misconduct, he cannot have the benefit of this Section without the special permission of the Local Government.

119. The claims of an Officer promoted from an Inferior to a Superior Grade as a reward for meritorious service, will be specially considered by the Government of India.

Promotion from inferior to superior grade.

1. This Rule is to be strictly interpreted, and a claim under it can be founded only on exceptional promotion, made out of the ordinary course.

Strict interpretation.

120. (1) Upon any conditions which it may think fit to impose, the Government of India or, if the pension be a provincial charge, the Local Government, may, in all cases, condone a deficiency of three months in qualifying service. If the pension is an Imperial charge, the Local Government may not condone a deficiency of more than one month.

Condonation of deficiency in term of qualifying service.

(2) (*a*) If, besides his qualifying service, an Officer has rendered service (actual) paid from the General Revenues, but not counting for pension.

or, if an Officer claiming a pension for Superior Service, has also rendered Inferior Service,

the Government of India or, if the pension be a provincial charge, the Local Government, may condone a deficiency in the Officer's qualifying service not exceeding half his non-qualifying or, as the case may be, Inferior service, and, also, not exceeding 12 months in all.

(*b*) If the pension is an Imperial charge, the Local Government may, in these cases, condone a deficiency not exceeding one-fourth the Officer's non-qualifying or, as the case may be, Inferior service, and, also, not exceeding three months.

CALCULATION OF PENSION.

Holding more than one appointment.

121. If an Officer has held more than one appointment, in respect of each of which, if he had held it separately and alone, pension would have been admissible to him, the pension admissible to him is the sum of the several pensions which would have been admissible to him if he had held each office separately and alone. The consolidated pension thus admissible is subject to the limitations prescribed in Section 109 (*b*) and (*c*).

Service in conjoint offices.

122. An Officer is not entitled, for service in an office conjointly with another office, to any pension which would not have been admissible to him if he had held the office separately and alone

Allowances which do not count.

123. An Officer cannot count the following allowances :—

(1)—Local Allowances, including Allowances given for duties performed in addition to the work of a regular appointment; (2)—Messing Allowances, Working Allowances, and Provision Allowances to Officers in the Marine Department; (3)—House-rent Allowance, or estimated

value of free quarters; (4)—Tour and other Allowances (to Officers who accompany the Viceroy or any Government); (7)—Compensation for dearness of provisions.

1. When an Officer in permanent employment is deputed on Temporary Duty, he cannot count his additional deputation allowances.—(*Section 71.*) Deputation allowances.

2. But this Rule does not apply to an Officer deputed temporarily to service in the Income Tax Department, or to an Officer deputed, on abolition of his appointment, to special duty (*Section 72*), or to an Officer who, when his appointment was abolished, was on special duty. In these cases the full allowances are counted. Exception.

3. If an Officer who is temporarily transferred to Foreign Service does not pay any contribution under Chapter III, he cannot count for the time passed in such service, higher pay than he had when he was transferred to it. Foreign service.

124. Any part of an Officer's pay or emoluments which is specifically intended to provide for expenses incidental to his duty, must be excluded. Net emoluments only to be taken.

Examples.—(1). When an Officer's pay is intended partly to cover the expense of his providing or keeping a horse, his pay must be taken only at what it would be if it was not intended to cover such expense. When a water-carrier's pay includes provision for a bullock, his pay must be taken at what it would be if he were not required to keep a bullock.

(2.) When a consolidated pay specifically includes Tentage, Travelling Allowance, or House Allowance, these must be deducted. Tentage, &c., must be excluded.

(3.) The Commission paid to a Thoogyee in British Burmah goes in part to pay expenses incidental to his office. In calculating Emoluments or Average Emoluments, for pension purposes, 2½ per cent. on a Thoogyee's Commission, if the Average Commission of the last five years of his service exceeds Rs. 600 a year, is deducted, as representing the expenses of his Office; and pension is computed upon the remainder. No deduction is made if the Average Commission of a Thoogyee for the last five years of service does not exceed Rs. 600 a year; in such cases the pension is computed upon the total amount of such Average Commission. Thoogyee's emoluments.

(4.) When an Officer's pay is fixed at two rates, a smaller rate during stationary duty and a higher rate during periods passed on tour or travelling, the former rate alone should be the basis of the calculation. Two rates.

APPLICATIONS FOR PENSION.

Service-books to be kept.

125. Every NON-GAZETTED Officer holding a substantive appointment on a permanent establishment, except a Police Officer whose pay does not exceed Rs. 20, and an Officer in the Post Office Department, the Inland Customs Department, or the Salt and Customs Department in the Bombay Presidency, whose pay does not exceed Rs. 10, is required to keep a Service-book, in which every step in his official life should be recorded, each entry being contemporaneously attested by the Head of his Office. For Officers of the Inland Customs Department, and the Salt and Customs Department in the Bombay Presidency, whose pay does not exceed Rs. 10, a Roll must be kept, such as is prescribed in Section 148 (*a*) for the Police.

If the Officer is himself the Head of an Office (*e. g.*, a Deputy Post Master or a Sub-Inspector of Police), the contemporaneous attestation should be made by his immediate Superior.

Form.

1. The opening page should be divided for entries in the following form :—

(1)—Name. (2)—Race. (3)—Residence. (4)—Father's Name and Residence. (5)—Date of birth by Christian era as nearly as can be ascertained. (6)—Exact height by measurement. (7)—Personal marks for identification. (8)—Signature of Officer. (9)—Signature and designation of the Head of the Office or other Attesting Officer.

The entries in this page should be renewed or re-attested at least every five years.

2. The remaining pages should be divided for entries in the following form :—

(1)—Name of Appointment. (2)—Whether substantive or acting, and whether permanent or temporary. (3)—If acting, here state the substantive appointment. (4)—Pay. (5)—Acting allowance. (6)—Date of appointment. (7)—Signature of Officer. (8)—Reference to any recorded punishment or censure, or reward or praise, of the Officer. (9)—Signature and designation of Head of the Office or other attesting Officer. (10)—Date of termination of appointment. (11)—Reason of termination (such as Promotion, Transfer, Dismissal, &c.) (12)—Signature of Head of the Office or other Attesting Officer.

3. Leave of every description (except casual), every period of suspension from employment, and every other interruption in service, should be noted, with full detail of its duration, by an entry written across the page, and attested by the Head of the Office or other Attesting Officer. Leave and other interruptions in service to be noted.

4. No uniform rule can be laid down regarding the language in which Service-books should be written. But in an Office the Head of which is acquainted with English, that language should, as far as is convenient, be employed. All the Headings in the Service-books, without exception, should be printed in both English and the Vernacular. Language in which Service-books should be kept.

5. A Service-book is supplied, at his own cost, to every Officer on his first appointment. Service-book supplied on first appointment.

6. The Service-book of an Officer is to be kept in the Office in which he is serving, and transferred with him from Office to Office. It may be given up to the Officer if he resigns or is discharged without fault, an entry being first made therein to this effect. Service-book to be kept in the Office.

7. It is the duty of every Officer to see that his own Service-book is properly kept up, and that all erasures in it are properly attested. If the book is not carefully kept up, difficulties may arise as to verification of service, when the Officer applies for pension. Officer himself to see to Service-book being kept up.

8. Personal Certificates of character, containing only the opinions of the writer, are not to be entered in Column 8. Personal certificates.

9. If the Officer is transferred to Foreign Service under the Rules in Chapter III, he must send his Service-book to the Accountant General, who will note therein, under his signature, the orders of Government sanctioning his transfer to Foreign Service, the effect of the transfer in regard to leave admissible during his Foreign Service, and any other particulars which the Accountant General may consider to be necessary in connection with the transfer. If the Officer is re-transferred to the British Service, he should again submit his Service-book to the Accountant General, who will then note therein, under his signature, all necessary particulars connected with the Officer's Foreign Service. Foreign Service.

126. An Applicant for pension, not being a Gazetted Officer, should submit to the Authority whose duty it would be to fill up his appointment, if vacant, his Service-book, and a statement of the following particulars:— Application for pension from non-gazetted officers.

(*a*)—The date by the Christian era on which the Applicant was born. (*b*)—List of appointments, substantive

and acting, held during the service for which pension is claimed, showing, when any appointment was only an acting one, what substantive appointment was held at the same time. The dates of the beginning and ending of each appointment should be stated, and the pay and acting allowance drawn in each. (*c*)—Dates of beginning and ending of each period of Leave. (*d*)—An explanation of each interruption in service—

Application may be submitted before discharge.

1. An Officer may submit his application for pension, even though he has not ceased to be borne on the establishment, if the application is supported by a certificate from the Authority whose duty it would be to fill up his appointment, if vacant, that the Officer is likely, within six months, to retire from the Public Service. The certificate is to be forwarded to the Account Department, which Department is required then to verify the services in accordance with the Rules under Section 127. This provision is intended to obviate delay in the verification of service; and it is not to be understood as justifying the preparation of the regular application in Form A, prescribed in Section 128, before the Officer has actually retired.

No limitation on the period of retirement.

2. There is no limitation on the period after retirement, within which an application for pension or gratuity must be submitted.

Verification of service.

127. The Authority receiving the application should then, in communication with the Account Department, verify the services claimed.

Procedure.

1. If the service has been wholly or in part Inferior (regarding which service the records of the Account Officers are sometimes incomplete), he should first gather from official records and other sources all the information procurable. In respect to Superior Service, it will be sufficient to gather, in the first place, only such information as is easily procurable.

2. The information thus received should then be forwarded to the Account Officer concerned, for information as to whether his Office records bear out the applicant's statements, as follows :—

For service in an ordinary civil establishment—The Accountant-General;
" " the Public Works Dept.—the Examiner of P. W. Accounts;
" " the Post Office Dept.—the Comptroller, Post Office;
" " the Telegraph Dept.—the Examiner of Telegraph Accounts;
" " the Mily. and Marine Depts.—the Contr. of Mily. Accounts;
" " the Forest Dept.—In Madras and Bombay,—the Accountant-General: elsewhere,—the Comptroller General.

3. If there be any discrepancy, the Account Officer will detail the nature of such discrepancy : for instance, that the post which the Applicant states that he filled during a certain period is shown by the Account Officer's registers to have been filled by another man.

4. If the service claimed cannot be wholly verified from the records of the Account Offices, reference must be made to the Head of the Office in which the Applicant states that he served during the period in doubt.

5. If it be found impossible to verify the service otherwise, the Officer receiving the application should take the affidavit of the Applicant on plain paper (*see Indian Stamp Act,* I of 1879, Schedule II, No. 1 (*c*)), and should also collect such collateral evidence as may be procurable ; for instance, certificates,* such as those given by an Officer to a Subordinate on his leaving an office, and the testimony of contemporary servants.

6. The Authority receiving the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not; more especially in those cases in which it becomes necessary to resort to the procedure prescribed by Rule 5, when the exact nature of the investigation made, and the conclusion at which the Authority has arrived, must be specifically reported.

Form of application.

128. After completing the verification in the manner prescribed in Section 127, the Authority receiving the application should draw up the application in Form A, Appendix A, and arrange with it all the documents relied upon for verification of the service claimed, in such manner that they can be conveniently consulted, and then forward it, together with the Officer's Service-book, through his Official Superiors, to the Local Government. If an applicant for pension (not gratuity) is no longer in Active Service, a Last-Pay Certificate should be attached to the application.

Certificate of character or conduct.

1. He should certify, on the application, whether the character, conduct, and past services of the Applicant are such as to entitle him to the favorable consideration of the Government. If the application is for pension on the Superior Scale, he must be careful to enter all periods of Leave, Suspension, &c., which are not reckoned as service.

Leave and suspension.

Medical Certificate.

2. If the application is for an Invalid Pension, and the Applicant is less than sixty years old, the requisite Medical Certificate

* The Governor-General in Council has recently had under consideration a case in which a Public Officer, the Head of a Department, in granting a certificate to one of his subordinates, suppressed the true reason for which the subordinate had been removed from his appointment. Such an omission may obviously be injurious to the interests of the Public Service. I am therefore directed to draw attention to the subject, and to request the issue of orders to all Public Officers, warning them to be careful, in giving certificates to their subordinates, to state the whole truth in respect of character and cause of dismissal or resignation of appointment.—*Circular, Home Department, dated 15th June 1869.*

should be attached to the application. But if omission has been made in this respect, the Local Government may accept a certificate bearing a later date.

Gazetted officer.

129. A GAZETTED OFFICER should submit his application, through his Official Superiors, to the Local Government. The application should be prepared in the Form prescribed in Section 128, either by the Officer himself or by the Head of the Department in which he is serving ; and the Rules under that Section apply, save that it is not necessary to have the service formally verified before forwarding the application.

Accountant General's report.

130. The last Officer through whom the application passes should send it to the chief Provincial Account Officer of the Department, who will (after verifying the service in the manner prescribed in Section 127) submit the application to the Local Government with a report upon the claim for pension and the Rules applicable to the case. He will also certify the correctness of the calculations of service, and of pension, and retain the Last-Pay Certificate (*Section 128*) unless the pension, if granted, will be payable in another Province, in which case he will forward the certificate to the Accountant General of that Province, noting in the Application that the certificate has been so forwarded.

1. If the case is plainly incorrect or incomplete, the Account Officer should return it for correction or explanation.

2. In the Post Office Department, the application should go to the Comptroller in the Department, who will forward it to the Director General.

3. In the Column of Form A reserved on the second page for the remarks of the Account Officer, he should note briefly his reasons for disallowing any service claimed, and his explanation of any apparent discrepancies and the like. This Rule applies to the case of both Gazetted and Non-Gazetted Officers.

4. The Chief Provincial Account Officer of the Department should always call attention to Section 65 in his Report of the amount of pension admissible.

5. Each Accountant General as defined in Rule 2 under Section 127 shall submit, quarterly, to the Government of India in the Department of Finance, a return of applications received and disposed of under this Section, in Form H, Appendix A.

POWERS OF THE LOCALGOVERNMENT AND OF THE GOVERNMENT OF INDIA.

Power to grant pensions.

131. In a case falling clearly and strictly within the letter of the Rules, the Local Government may grant the pension admissible; but the grant is subject to revision by the Government of India in the Finance Department. Should the amount granted to an Officer be found to be in excess of that to which the Government of India in the Finance Department considers him entitled under the Rules, he will be called upon to refund such excess.

Special pension.

132. If any interpretation of the Rules is involved, or if any indulgence not provided for by the Rules is proposed, the Local Government should submit the case, with its opinion and recommendation,* to the Government of India in the Finance Department, which will, if necessary, consult any other Department concerned. Until the orders of the Government of India are received, a recommendation for any special indulgence should never be communicated, directly or indirectly, to the Officer concerned.

Governments of Madras and Bombay to correspond through the Supreme Government.

1. The Governments of Madras and Bombay should, upon questions of pension, communicate with the Secretary of State, through the Supreme Government, and not directly.

Application in prescribed form to accompany special recommendations.

2. An application in Form A or D, Appendix A, as the case may be, should accompany every special recommendation made under this Section.

Quarterly statements.

133. Returns (in Form C, Appendix A) of pensions granted during the Quarter, should be submitted by the Local Governments to the Supreme Government as soon as possible after the end of each Quarter of the financial year. These Returns should include all civil pensions granted during the Quarter, under, or with reference to, any Rule of this Code, in whatever Department, by the Government of India or the Secretary of State, as well as by the Local Government, or by the Inspector General of Police, care being taken, however, to enter each pension once only. The Return should also include Compassionate Allowances specially

* In respect to such recommendations, see footnote on pages 59 and 60.

granted with the sanction of the Secretary of State to Officers discharged on account of inefficiency or misconduct.

Secretary of State.

134. Pensions in excess of the amounts admissible under Rule, or involving any relaxation of Rule, require the sanction of the Secretary of State.*

Fixed sum rather than a proportion to be generally awarded.

1. When special circumstances appear to justify a departure from the Rules laid down regarding pensions to Uncovenanted Officers, it is generally desirable that the allowance granted should be an arbitrarily fixed sum rather than any exact proportion of the amount to which it might be supposed that the Rules afford a claim.

Premature applications.

135. The Government of India is ordinarily unwilling to pass orders on questions affecting the pension of an Officer until he actually retires, because their premature discussion occupies valuable time almost always to no purpose, and uselessly. Accordingly, no question about the pension of an Officer who has not retired from the public service, should be submitted either to the Local Government, or, by the Local Government to the Government of India, unless there are special reasons (which should always be set forth) for a departure from the general rule. The mere desire of an Officer for a decision upon some doubtful abstract questions affecting his prospects does not justify public correspondence on his behalf. Except under orders from the Government of India or the Local Government, an Accountant General should, as a rule, decline to advise upon any questions connected with the claim of an Officer to pension until he absolutely retires or is about to retire. Memorials which relate to such questions addressed prematurely to the Secretary of State, are uniformly returned.

Preliminary application may be submitted in certain cases.

1. This Section does not prohibit the submission of a preliminary application for pension on behalf of an Officer intending to retire immediately, while he is still in employ.—(*See Rule 1 under Section 126.*)

Special anticipatory pension.

2. When the services of an Officer are dispensed with before the necessary enquiries preliminary to the settlement of the pension to which he is entitled can be completed, the Accountant General may, upon a declaration as follows by the Officer, sanction the immediate disbursement of the pension to which, after the most

* See footnote on pages 59 and 60, and footnote on page 263.

careful summary investigation that he can make without delay, he believes the Officer likely to be entitled. If the Accountant General thinks it likely that the Officer would be found entitled to a Gratuity only, one-sixth of the amount of such probable gratuity may, upon a similar declaration, be disbursed to him monthly until the amount is finally settled. The settlement of such provisional payments should be made so as to admit of their disbursement not later than one month after the Officer has ceased to hold his post.

DECLARATION.

Whereas the Accountant General, , has consented, provisionally, to advance to me the sum of Rs. a month in anticipation of the completion of the enquiries necessary to enable the Government to fix the amount of my pension, I hereby acknowledge that, in accepting this advance, I fully understand that my pension is subject to revision on the completion of the necessary formal enquiries, and I promise to base no objection to such revision on the ground that the provisional pension now to be paid to me exceeds the pension to which I am eventually found entitled. I further promise to repay any amount advanced to me in excess of the pension to which I may be eventually found entitled.

Subsequent adjustment.

3. If, upon the completion of the regular investigation, it be found that the pension thus summarily assigned differs from the pension finally settled, the difference must be adjusted in the first subsequent payments. Provided that, if a gratuity summarily assigned under this Rule proves to be larger than the amount found actually due upon completion of the enquiries, the Officer shall not be required to refund any excess actually paid to him, except as provided in Chapter XIII. To enable the Accountant General to exercise the jurisdiction thus entrusted to him, the Head of the Office from which the Officer is removed should furnish to the Accountant General, as early as possible, immediately that it becomes known to him that the Officer must retire, and without waiting for his actual retirement, the fullest information that can be obtained regarding the Officer's service, without correspondence which must cause delay. This information is to be furnished in anticipation of the regular investigation required by Section 127, which also should on no account be delayed.

Delay to be prevented.

4. All Officers should bear in mind that delay in the payment of pensions may involve peculiar hardship, and everything should be done to prevent or shorten to the utmost such delays.

CHAPTER X.

SPECIAL RULES FOR THE POLICE.

Organized Police Forces.

136. The following special Rules apply to Members of Police Forces constituted under Acts XIII of 1856,

XXIV of 1859, and V of 1861 of the Governor General of India in Council, Act IV of 1866 of the Lieutenant-Governor of Bengal in Council, and Acts VII of 1867 and I of 1872 of the Governor of Bombay in Council:—

Trans-Indus Police Force.

1. The Trans-Indus Police Force, though not organised under Act V of 1861, and never possessing a Superannuation Fund, is on the same footing as to Pension as the legally constituted Police.

Port Blair Police.

2. The Port Blair Police Force also is not organised under any Act, and the members of this Force are, without being required to contribute for them, entitled to pensions and gratuities under the Rules in Sections 99—124 for the calculation of Pensions and Gratuities for Superior Service, except that the amount of the Pension or Gratuity which may be granted in any case to an Officer of this Force shall not exceed three-fourths of what is admissible under the Rules in Sections 99—124.

MUNICIPAL AND RAILWAY POLICE.

Municipal Police.

137. (*a*) If the Police of a town are wholly supported by, and under the control of, a Municipality, the Government has no concern with their pensions.

Subsidised Municipal Police.

(*b*) But if the Government, being interested in the efficiency of a Police Force paid, wholly or partly, by a Municipality, or from Cantonment Funds, or from the General Revenues subsidised by a Contribution from a Municipality or from Cantonment Funds, undertakes the organisation and control of the Force, as connected with and auxiliary to the Civil Constabulary, service in such a Force qualifies. The Contributions of Municipalities or of Cantonment Funds towards the cost of the pensions of such Forces are, for the present, undetermined.

Police in Presidency towns.

1. The Police Forces in the Presidency towns of Calcutta, Madras, and Bombay, and in the Municipalities in Lower Bengal, come under this Clause.

Police Forces under small Municipalities and Village Communities in Sindh.

2. Members of the Police Forces, employed by small Municipalities in Sindh, and by Village Communities in the District of Hyderábád in Sindh, are not entitled to pensions.

Railway Police.

138. Service in the Railway Police on the East Indian and the Sindh, Punjab, and Delhi Railways, and in Bombay, qualifies, though such Police are either wholly or partly paid by the Railway Companies.

1. In the Bengal Division of the East Indian Railway, the Railway Company pay six per cent. in addition to salary, in discharge of their liability for pension. In the other Divisions another arrangement is in force. East Indian Railway's contribution for the Bengal Division.

QUALIFYING SERVICE.

139. Service in any of the Police Forces mentioned in Section 136, after the establishment of a Superannuation Fund* in the Force, qualifies.† Qualifying service.

1. Members of Office Establishments permitted to subscribe to the Police Superannuation Funds by order of the Government of India in the Financial Department, No. 3398, dated 27th July 1863, may count the service during which they so subscribed. Office Establishments.

2. Men of the Police Force of the City of Bombay, who have served the full time for pension in the Force are, on being invalided, admitted to the benefits of the Superannuation Fund Bombay City Police.

* The Superannuation Funds were Funds to which, with the exception of certain soldiers of the Sikh Darbar (*see Section* 69(*e*)) and members of the Oudh Military Police, Police Officers whose pay did not exceed twenty rupees were obliged to contribute. In return for these contributions they became entitled to pensions according to the Rules of the several Funds.

Officers whose pay exceeded twenty rupees did not contribute, as they came under the operation of the Ordinary Pension Rules.

By Act X of 1869, the Superannuation Funds established under Acts XXIV of 1859 and V of 1861 of the Governor General of India in Council, and VII of 1867 of the Governor of Bombay in Council, were abolished. The Superannuation Funds which had been established for the Madras Town Police, under Act XIII of 1856 having been, by Act VIII of 1867 of the Governor of Madras in Council, amalgamated with that established under Act XXIV of 1859 of the Governor General in Council, was abolished with the latter. The Funds established under Act IV of 1866 of the Lieutenant-Governor of Bengal in Council, and Act I of 1872 of the Governor of Bombay in Council, for the Calcutta and Bombay Town Police, are still in existence.

In the Police Forces of which the Superannuation Funds were abolished, the pay of the men was reduced, either individually or on the average, to its previous nominal amount, less subscriptions to the Funds, the Government undertaking the liabilities of the Funds.

† I am directed to acknowledge the receipt of your letter No. 1860, dated 27th April 1876, enquiring whether Armorers, Bellows-boys, Bhistees, and Muchies, who have subscribed to the Police Superannuation Fund, should be allowed pensions according to the special Rules for the Police, or according to the Scale prescribed in Section 117 of the Civil Pension Code, and whether, in the latter case, the subscriptions recovered from them on account of the Police Superannuation Fund should not be refunded.

2. In reply, I am to say that, as a general rule, the subscriptions recovered from the employés in question should be refunded to them with interest, and their claims to pensions will then be dealt with in accordance with the ordinary Rules for inferior Servants. In the case, however, of men who have served for not less than ten years, the option should be allowed them either of receiving back their subscriptions and coming under the Ordinary Pension Rules, or of continuing their subscriptions and eventually receiving pensions under the special Rules for the Police.—*Financial Department to Bombay, No. 1051d, dated 23rd June 1876.*

on paying up their subscriptions for the full period of their service Under this Rule, the service of an Officer in the Bombay City Police before the establishment of the Superannuation Fund counts towards pension under the Rules of the Fund if he pays up his subscriptions for the whole period of his service in the Police Force. This privilege applies only to Police Officers whose pensions are determined according to the Rules of the Superannuation Fund of the Bombay City Police, and not to any Officer whose pension is granted in accordance with the Rules prescribed in Sections 99—124 for the calculation of pensions for Superior Service.

Exceptional privileges.

140. In the following cases, Members of Police Forces have exceptional privileges in regard to pension :—

Sikh Durbar soldiers.

(*a*)—Soldiers of the Sikh Government to whom service was guaranteed (*see Section* 69(*e*)), and who, on the breaking up of the Punjab Military Police, were transferred from that body to the Civil Police, are, if their pay does not exceed twenty rupees, entitled to Invalid Pensions at Line-rates for their service under the Sikh Durbár, and in the Military Police and in the Civil Police. First Class Sergeants get pension as Havildars, Second Class Sergeants as Naiks, and Constables as Sepoys.

The Military Police.

(*b*)—Men who, after completing, on 3rd May 1861, four years' service in the Army, or in the Oudh Military Police, were transferred to the Oudh Civil Police, and were in this Force on the 26th January 1864, are, if their pay does not exceed twenty rupees, entitled for their service in the Army and the Military Police, and in the Civil Police, to pensions on the terms applicable to Local and Irregular troops of the rank corresponding with that which they may attain in the Police.

Mhairwara Battalion.

(*c*)—Men of the Mhairwara Battalion, who were present on parade on the 1st July 1857, and were subsequently transferred to the Ajmír and Mhairwara Police, are entitled to pension as Soldiers of the Line.

Previous service when qualifying.

141. In the following cases, service rendered before enlistment in the present Police Constabulary qualifies :

Sikh Durbar soldiers and Oudh Military police.

(*a*)—In cases (*a*) and (*b*) under Section 140, if the men subscribed to the Superannuation Fund in order to obtain the higher pensions admissible under its Rules, or if, by serving on pay exceeding twenty rupees, they have become entitled to the pension prescribed in

Section 145, the previous service mentioned in Section 140 qualifies.

(*b*)—Soldiers transferred to the Police on reductions of the Native Army count their Army service. Men transferred on reduction of Native Army.

(1).—This concession does not apply to a soldier voluntarily taking his discharge from the Army and entering the Police, except as to soldiers who under the authority of the order in the Military Department, No. 526 E.S., dated 25th October 1880, volunteered for service in the Port Blair Police. Volunteers from the Army.

(2).—In the Punjab Police, men counting service under this Rule, if they were faithful during the Mutiny, when their regiments joined the rebels, are entitled to pension as Soldiers of the Line, instead of at the rates of the Superannuation Fund. Punjab Police.

(3).—Native Commissioned or Non-Commissioned Soldiers who formed part of the Garrison of Lucknow during the Siege in 1857 count three years' additional service. Lucknow Garrison.

(4).—Men of the Bhágalpur Hill Rangers, who, on the disbandment of the Corps, took employment in the Police, count their service in that Corps, including the period of employment in it during the time the Corps was under the orders of the Civil Department after the reductions in the Native Army made in 1861. Bhágalpur Hill Rangers.

(*c*)—Men who were enlisted in the Central Provinces Police after discharge with gratuity from the Nágpur Irregular Force, or who were transferred to the Police from that Force, or from the Mulki Horse, count their service in these Forces, and also in the Forces of the late Raja of Nágpur. Nágpur Irregular Force.

(*d*)—Men who served with the 1st Regiment, Nágpur Irregular Infantry, or with the Mulki Horse, during the Mutiny in 1857, count two years' additional service. Nágpur Irregulars.

(*e*)—Men of the Berar Police, recruited from the Hill Rangers, count their service in that Corps. Hill Rangers.

(*f*)—Service in the 1st Bengal Military Police Battalion and in the Oudh Military Police qualifies. Military Police.

(*g*)—Service in Superior Grades in the old Civil and Military Police (*i. e.*, as a Daroga or in any office of higher rank in the Civil Police, and as a Jamadár or in any office of higher rank in the Military Police) or in any other Department, qualifies. Previous Superior service.

Ashburner's Levy.

(*h*)—Service in the Special Levy which, during the Mutiny, was organised in the Kaira District under the supervision of Mr. L. R. Ashburner, then First Assistant Magistrate of Kaira, qualifies.

Military Police.

(*i*)—In the North-Western Provinces, the Punjab, and Oudh, men count half their service in the inferior grades in the old Civil and Military Police.

Army Service and Military Police Service.

(*k*)—Men transferred from the Army to the Military Police in the years 1858—1861, preserved whatever title they had, when transferred, to pension for Army Service. At the same time, service in the Military Police did not give any further title to pension, except in the cases specially mentioned above. Accordingly, men who possessed this title to pension for Army Service, and were transferred from the Military Police to the Civil Police, count their previous Army Service.

Pension for Army Service how chargeable.

(*l*)—Pensions granted to men who count Army Service under the foregoing Rules are, if their Military Service was sufficient to entitle them to pension if discharged without fault, a Military charge; otherwise they are a Civil charge.

Break in service.

142. Subject to the provisions of Chapter XIII, a Policeman on pay not exceeding twenty rupees, who re-enlists within one year after discharge or resignation, may, with the sanction of the Inspector General, count his service before such discharge or resignation.

AMOUNT OF PENSION.

Officers on pay not exceeding Rs. 20.

143. The Pension admissible to an Officer whose pay at date of discharge or resignation does not exceed twenty rupees, will be determined, as prescribed in Section 144, according to one of the following Scales:—

Scale A.

According to the rules of the Superannuation Fund of the Force.

1. As the Rules of the Superannuation Fund did not always provide for Compensation Pension, the following orders were issued with reference to the reductions directed in 1869:

(1)—Compensation Pension should be awarded at the same rate as the Superannuation Fund Rules provide for invalid pensions.

(2)—But if a Gratuity thus awardable is less than the amount (without interest) of the Officer's subscriptions to the Fund, the difference should be made up.

Scale B.

According to the Rules prescribed in Sections 99—124, for the calculation of pensions for Superior Service; except that (1) all service in the Police after the age of 18 years qualifies; (2) in addition to the leave which, under Sections 92—95 is reckoned as service, one year's leave in fifteen years' service, and two in thirty years' service, is so reckoned.

Calcutta and Bombay Town Police.

144. (*a*) The Pensions of Officers of the town Police of Calcutta and Bombay are regulated by Scale A.

Other Police.

(*b*) The Pension of an Officer of any Other Force is regulated as follows:—

(1).—If he was in the Police before the 19th July 1871 and has served continuously since that date; by Scale A or Scale B according to his election (which, by Order in the Financial Department, No. 2091, dated 19th July 1871, he was required immediately to declare): Provided that, in the case of an Officer who has elected to abide by Scale B, such election shall not prejudice his title to count as service for pension, any leave obtained by him before his election, which, under the Rules of the Superannuation Fund, would have counted for pension.

(2).—If he was enlisted or re-enlisted on or after the 19th July 1871;—by Scale B.

Exceeding Rs. 20.

145. The Pension admissible to an Officer whose pay at date of discharge or resignation exceeds twenty rupees, is determined by the Rules which apply to Ordinary Service, except that service rendered after the completion of 22 years of age, and declared by this Chapter to be qualifying, is treated as Superior Service, and that the benefit of Section 142 is not withdrawn from a Police Officer by reason of his being promoted to pay exceeding twenty rupees a month.

CHAP. X. **Special Rules for the Police.**

Promotion does not prejudice claim under Superannuation Fund Rules.

1. When a Police Officer, by promotion to a pay exceeding twenty rupees, loses any benefit as to pension which he would have enjoyed had his pay remained unchanged, his pension may be regulated as if he had not received the promotion.

Superior Service before establishment of Superannuation Fund in Bombay.

2. Men of the Bombay City Police count as Superior their service in the Force in inferior grades before the establishment of the Superannuation Fund.

Previous inferior service.

146. If part of an Officer's Continuous Service qualifies for pension under the General Rules in Chapter IX, but does not qualify under the Rules in this Chapter, he may elect to receive, in lieu of the pension admissible under the Rules in this Chapter, such pension as is admissible to him under Sections 117 and 118 for the whole of his service, both Inferior and Superior. (*See Note under Section 106, Rule 1, page 54.*)

Example.—An Officer who was transferred to the present Civil Police from an Inferior Grade in the Old Police, or from the Military Police, and who is not entitled, under Section 140 or 141, to count former service, may obtain pension under this Section.

If Gratuity is elected.

1. An Officer who, under Section 144(*b*) (1) has elected to abide by Scale B, will, if he takes gratuity under this Section, obtain, in lieu of the Scale prescribed in Section 117(*a*) one month's pay for every complete two years of service, but not more than twelve months' pay in all.

To be calculated on net pay.

147. Except in the case of the Town Police of Calcutta and Bombay (*Section* 144(*a*)), pension is to be calculated upon the net pay, *i.e.*, the pay actually received by the Officer, and not upon the gross pay, *i.e.*, the pay from which were deducted the subscriptions to the Superannuation Funds (*see first footnote to Section* 139). But this Rule shall not, unless he be either promoted to higher pay, or degraded for misconduct to lower pay, be applied to any Officer who, on the 19th July 1871, was entitled, by the Rules of the Superannuation Fund, to have his pension calculated on his gross pay.

Service does not

1. Good Service pay is not reckoned in calculating pension except in the case of those who, before the 19th July 1871, were members of the Police Forces of Bengal (excluding the East Indian Railway Police) or the Punjab.

VERIFICATION OF SERVICE.

148. (*a*) There shall be kept up for each District, by the District Superintendent of Police, a Service Roll in English, in which shall be recorded the date of the enrolment of each man in the Constabulary; his caste, tribe, village, age, height, and marks of identification when enrolled; his rank, promotion, reduction or other punishment; his absences, from duty, on leave or without leave; the interruptions in his service; and every other incident in his service which may involve forfeiture of portions of his service, or affect the amount of his pension. Service rolls.

(*b*) The Roll shall be checked by the Vernacular Roll and Order Book and the Punishment Register, and every entry in it shall be signed by the District Superintendent of Police.

(*c*) In addition to the Roll thus prescribed, the Inspector General of Police shall keep a record of all service on pay exceeding twenty rupees (except that of Gazetted Officers), and shall verify the record, yearly, in communication with the Accountant General.

(*d*) From this Roll the necessary Statement of Service of every applicant for pension shall be prepared, additional proofs being collected, as prescribed in Section 127 in respect of any service, rendered before enrolment in the Constabulary, which the applicant may be entitled to count.

1. District Superintendents of Police should be on their guard against endeavours to retire on Invalid Pension by Officers who are capable of serving longer. Medical Officers should be searching in their examination of the physical unfitness of every applicant for pension, and, whenever the number of applicants for pension is large, the examination should, if possible, be conducted by two Medical Officers. Caution against abuses.

2. Medical Officers should confine themselves to recommending leave to such policemen as are not likely to benefit by a further stay in hospital, and should not certify that a policeman is incapacitated for further service unless they are officially requested to report upon his incapacity for further service. Medical Officers' examination.

POWER OF SANCTION.

149. A claim to pension by a Police Officer, on pay not exceeding twenty rupees, only for the period Sanction.

of continuous and verified service in the Force in which at the time of his application he is serving, may, if admissible under the strict letter of the Rules, be allowed by the Inspector General of Police, and reported to the Accountant General with the necessary particulars for identification.

All other claims will be treated under the Ordinary Rules.

Extraordinary pension.

1. Claims to Extraordinary Pension (*see Chapter XI*), even though they may be provided for by the Rules of the Superannuation Fund, are subject to the Rules in Sections 157 and 158.

MANNER OF PAYMENT.

Payment

150. Payment of a pension shall be made by the Treasury Officer of the District where the Pensioner resides, on a Permanent Pay Order (in the case of a pension), and on the identification of the Pensioner by the District Superintendent of Police. Special Committees shall be assembled every five years to identify the Pensioners.

CHAPTER XI.

EXTRAORDINARY PENSIONS.

IN CASES OF INJURY OR DEATH.

[NOTE.—The Rules in this Chapter are analogous to the Regulations for the grant of pensions to soldiers wounded in action and to the heirs of soldiers killed in action.]

Circumstances in which pension is admissible.

151. The following are the Rules for the grant of a pension:—

(*a*) to a man so injured, in the execution of a public duty, as to be incapacited for earning a livelihood;

(*b*) to the family of a man killed in the execution of a public duty.

To whom applicable.

They apply to any person employed in the service of the Government, whether permanently, temporarily, or even casually, and whether remunerated by fixed pay, or (as, for example, miners in the salt mines) for piece-work. They apply also to Village Watchmen.

152. * An Extraordinary Pension is granted only when injury or death is met in the performance of a duty which is attended with extraordinary bodily risk. The Government recognises no claims on account of loss of life or bodily injury resulting from an ordinary accident.

Not cases of mere accident.

The following are examples of cases of ordinary accident: A Policeman falling from a horse; a Policeman on escort duty killed by sunstroke; a Lascar killed by the snapping of a hawser; a Laborer falling under a burden :—

1. The Government recognises no claim by a widow on account of the services of her husband: it is the duty of every Government Officer himself to provide for his family.

Claim by families not admissible in ordinary cases.

2. The Government of India are almost invariably under the painful necessity of rejecting recommendations made in contravention of Rule 1; and the submission of such recommendations, save under very extraordinary circumstances, is disapproved, as calculated only to give rise to hopes which cannot be fulfilled.

Submission of recommendations in contravention of Rule disapproved.

[NOTES.—(1.)—In despatch No. 36, dated 17th November 1841, regarding the establishment of the Bengal Uncovenanted Service Family Pension Fund, the Court of Directors observed—" In referring to the causes which may have operated to keep back Subscribers, the Directors advert to a reliance supposed to be placed on the special exercise of our bounty in favor of the families of deceased servants. Whether or not such reliance have any effect in discouraging subscriptions to the Fund, it is most important to the interests of the families of our Uncovenanted Servants that it should not be indulged. In our despatch, dated the 16th October 1839, No. 31, we called your attention to the fact that the Rules restricted the grant of pension to the family, or any member of the family, of a deceased servant, to cases where the servant shall have been killed in the exercise of his public duty, or shall have died in consequence of wounds or accidents sustained therein, except in special cases justifying extraordinary indulgence, and which are of very rare occurrence. The belief, therefore, that the fact of a person dying in our service gives his family a claim to pensionary provision (if such belief exist), is a delusion which may be productive of very painful consequences, and which, for this reason, we feel it an imperative duty to endeavour to dispel. We observe that the Committee of the Fund have taken some pains to make our views on the point generally known; and, in thus acting, they have contributed not ony to promote the interests of the Fund, but to render valuable service to their brethren by disabusing their minds of a dangerous error.

(2.) " Grave objections exist to the grant of special pensions to the families of Uncovenanted Servants, every such grant forming a precedent which is quoted in

* In an Order by the Government of India in the Financial Department, No. 3141, dated 20th September 1873, it was observed that this Rule being based upon the analogy of the Regulations for the grant of pensions to soldiers wounded, and to the families of soldiers killed in action, the Government is compelled strictly to limit its application to the cases for which it is intended to provide; and, moreover, that it is obviously inexpedient for the Government to dispense charity in individual cases, or to do anything which might weaken the inducements to Officers to secure proper provision for their families.

MANNER OF PAYMENT.

MUTINY PENSIONS.

CHAPTER XII.

PAYMENT OF PENSIONS GRANTED UNDER THE RULES IN CHAPTERS IX, X AND XI.

MANNER OF PAYMENT.

Sanction of pension.

161. The order granting a pension to be paid in India should be forwarded, with a copy of the first page of the Application in Form A, Appendix A, or of the application in Form D, Appendix A, as the case may be, to the Accountant General of the Province in which payment is to be made. Copy of the order should also be furnished to the Account Officer who submitted the application.

Permanent pay order.

162. The Accountant General of the Province in which payment is to be made will then communicate to the Officer who is to pay the pension authority to make the payment: in the case of a pension, such authority will be a Permanent Pay Order in Form B, Appendix A.

1. The Disbursing Officer will deliver one-half of the Order to the Pensioner, and keep the other half carefully, in such manner that the Pensioner shall not have access thereto.

2. Each payment made is to be entered on the reverse both of the Pensioner's half and of the Disbursing Officer's half of the Order, both entries being attested at the time of payment by the signature of the Disbursing Officer. When the reverse of a Permanent Pay Order is filled up, or when the Pensioner's half is found to be worn or torn, both halves should be returned to the Accountant General for renewal.

3. If a Pensioner loses his half of the Permanent Pay Order, the Disbursing Officer's half should be returned to the Accountant General, in order that he may issue a new Order. The observance of Rule 2 will prevent any payment being made on the half alleged to be lost.

Pension in India payable monthly on the 1st day of the following month.

163. A pension is payable in India monthly on the first day of the following month.

Date of beginning of payment of pensioner.

on which the Pensioner ceased to be borne on the establishment, or from the date of his application, whichever is later. The object of this latter alternative is to prevent unnecessary delay in the submission of applications. The Rule may be relaxed, in this particular, by the Local Government when the delay is sufficiently explained. But the pension of an officer who, under Section 100, Rule 2, has received gratuity in lieu of notice, is not payable for the period in respect of which the gratuity is paid.

In cases of pension specially granted.

2. Rule 1 applies to ordinary, not to special, cases. If, under special circumstances, a pension is granted long after an Officer has retired, retrospective effect should not be given to it without the special orders of the Government which granted it; in the absence of which special orders such a pension will take effect only from the date of sanction.

In arrears for more than six months not ordinarily payable for the first time.

3. With reference to Section 172, a pension should under no circumstances be paid for the first time in arrears for more than six months, without special orders of the Local Government.

To day of death.

4. A pension is payable for the day on which the Pensioner dies.

Payment quarterly at Home treasury.

5. At the Home treasury pensions are paid quarterly.

Personal appearance at time of payment.

164. (*a*) Unless specially exempted by the Local Government, or except upon the production of a Life Certificate signed by some person exercising the powers of a Magistrate of any class under the Criminal Procedure Code, or by any Registrar or Sub-Registrar under the Registration Act, or by any pensioned officer who, before retirement, exercised the powers of a Magistrate, a Pensioner must take payment in person, after identification, by comparison with the Permanent Pay Order.

Exemptions.

(*b*) A female Pensioner who is not accustomed to appear in public, or a male Pensioner who is unable to appear in consequence of bodily illness or infirmity, or is exempted from personal appearance by the Local Government, may receive his or her pension upon the production of a Life Certificate signed by a responsible Officer of Government, or by some other well-known and trustworthy person. In such cases, the Disbursing Officer must take precautions to prevent imposition, and must, before the first payment in each year, require proof not only of the existence of the Pensioner, but also, if the Pensioner is a male and has not been exempted from personal appearance by the Local Government, of his inability to attend in person to receive payment.

PLACE OF PAYMENT.

Disbursing Officer responsible for wrong payment.

1. The Disbursing Officer is personally responsible for any payment wrongly made. In case of doubt he should consult the Accountant General.

Private identification of a pensioner.

2. A Pensioner of rank may be privately identified by the Disbursing Officer and need not be required to appear at a public Office.

Certificate of non-employment.

165. A Pensioner drawing pension in India is required to append to his bills a Certificate as follows :—

"I declare that I have not received any remuneration for serving in any capacity, either in a Government establishment or an establishment paid from a Local Fund or by a Guaranteed Railway Company, during the period for which the amount of pension claimed in this bill is due."

1. In the case of a Pensioner permitted under Chapter XIII to draw pension after re-employment, this Certificate should be modified according to the facts.

Annual return.

166. An Annual Return* of Pensioners in Form F, Appendix A, should be sent to the Accountant General from every Office whence pensions are disbursed. The Accountant General will submit to the Government of India a Consolidated Abstract of these Returns in the same form; and also a Statement in Form G, Appendix A, comparing the actual rates of mortality with the probable rates calculated for Native Army Pensioners according to the table at foot of the Statement.

All pensions to be included.

1. The Return should include all pensioners to whom Civil pensions have been granted.

Report of death of pensioners.

2. The Local Government should instruct the Police or some other suitable Subordinate Agency to report promptly to the District Officer the death of any Civil Pensioner; and District Officers should enquire immediately into the cause of the non-appearance of any Pensioner to draw his pension.

PLACE OF PAYMENT.

Payable at any Treasury.

167. A pension is payable as follows :—

I.—If it is stated in Rupees—

(*a*)—At any treasury of the Government of India in India; or

(*b*)—If the Pensioner is resident elsewhere than in Asia, at his option, at the Home Treasury of the Government of India, at the rate of exchange fixed yearly for

the adjustment of financial transactions between the Imperial and Indian Governments.

II.—If it is stated in Sterling—

(*a*)—At the Home Treasury of the Government of India; or

(*b*)—If the Pensioner is resident in Asia, at his option, at any Treasury of the Government of India in India, at the rate of exchange fixed yearly for the adjustment of financial transactions between the Imperial and Indian Governments.

Covenanted rate of exchange.

1. The Rule for the payment at the Home Treasury of a pension at the rate of exchange fixed yearly for the adjustment of financial transactions between the Imperial and Indian Governments applies to an Officer under covenant, who is entitled by his covenant to pension in accordance with the Rules applicable to Uncovenanted Officers; the covenanted rate of exchange for his pay and allowances does not, unless it is expressly so stated, apply to his pension.

Payable to Agents.

2. A Pensioner not resident in India may draw his pension at any treasury in India through a duly authorised Agent, who must either produce a certificate by a Magistrate, a Notary, a Banker, or a Minister of Religion, on each occasion, that the Pensioner was alive on the date to which his pension is claimed, or execute a bond to refund over-payments, and produce such a certicate as aforesaid at least once a year. The pension of such an Officer should not be paid on account of more than a year after the date of the Life Certificate last received, and the Accountant General should be on the watch for authentic information of the decease of any such Pensioner, and, on receipt thereof, should promptly forbid further payments.

Payment at the Home Treasury.

168. When a pension is granted to an Officer who desires that payment thereof from the date of its commencement should be made at the Home Treasury of the Government of India, the Accountant General who audits the pay of the officer or the pay of the establishment in which the officer has been employed, should, on receipt of sanction to the grant of pension, issue a Last-pay Certificate, and forward a duplicate thereof, together with copy of the first page of application for pension and the order of the Local Government granting the pension—

Transfer between England and India.

169. Transfer of a pension from the Home Treasury to an Indian treasury is permitted whenever desired; but transfer of a pension from an Indian to the Home Treasury is permitted only once.

1. An application for transfer of payment from India to the Home Treasury should be made to the Accountant General within whose jurisdiction the treasury of payment is. If the transfer is admissible, he will grant a Last-pay Certificate, forwarding a duplicate, with copy of the first page of the application upon which the pension was originally granted, to the Comptroller General (or, in Bombay and Madras, to the Local Government) for transmission to England; if the transfer is not admissible, he will take the orders of the Government of India in the Finance Department.

2. If the pension is not wholly chargeable against the General Revenues, care must be taken to state in the Certificate how it is to be charged.

3. Intimation of any revision of a Pension paid at the Home Treasury should be made to the Secretary of State, so as to reach him before the Pensioner is informed.

Payment in a Colony.

170. *The Pension of a Pensioner residing in any Colony named in Schedule D may be paid there under the following Rules:—

I.—The authority for payment of a pension in a Colony shall be a Warrant in Form E, Appendix A, to be issued,—

in the case of a pension granted to an Officer serving elsewhere than under the Government of Madras or Bombay, or paid from an Indian treasury not in account with the Accountant General, Madras or Bombay;—	by the Comptroller General.
in the case of a pension granted to an Officer serving under the Government of Madras or Bombay, or paid at any treasury in account with the Accountant General, Madras or Bombay;—	by the Accountant General, Madras or Bombay, as the case may be.

II.—When a pension is first granted to an Officer serving otherwise than under the Government of Madras or Bombay,

* Applies to pensions granted under the Rules in all the Chapters of the Code.

and the pensioner desires that his pension shall be paid in a Colony, or when transfer of payment of a pension heretofore paid at some Indian treasury not in account with the Accountant General, Madras or Bombay, from India to a Colony is desired, the Accountant General shall furnish all particulars to the Comptroller General, who will issue the necessary Warrant.

III.—When a pension is first granted to an Officer serving under the Government of Madras or Bombay, and the Officer desires that his pension shall be paid in a Colony, or, if transfer of payment of a pension hitherto paid at some treasury in account with the Accountant General, Madras or Bombay, from India to a Colony is desired, the Accountant General, Madras or Bombay, as the case may be, will issue the necessary Warrant.

IV.—Pensions stated in Indian money shall, except when it is otherwise arranged, be paid in sterling money at the rate of exchange fixed every year for the adjustment of financial transactions between the Imperial and Indian Governments. If any payments are made at a different rate, or otherwise erroneously, they should be adjusted in subsequent payments.

V.—Every Warrant shall be issued in duplicate. The original, bearing the payee's signature, should be forwarded to the Colonial Authority concerned, and the duplicate should be made over to the payee. Each payment should be endorsed on the back of both the original and the duplicate Warrant. When no space for such entries remains, or when a Warrant is lost or destroyed, a fresh Warrant shall be issued by the Officer who issued the original Warrant on application being made through the Colonial Disbursing Officer.

VI.—Upon his return to India an Officer should deliver up his duplicate Warrant, which will serve the purpose of a Last-pay Certificate.

VII.—In case a Pensioner desires transfer of payment of his Pension from one Colony to another, the Government of India will recognise the proceedings of the Colonial Authorities sanctioning such transfer, which should, however, be reported separately by the Pensioner to the Government of India and to the Under-Secretary of State for India.

VIII.—The Accountants General, Madras and Bombay, will forward to the Comptroller General a statement prepared for each of the quarters ending on the 31st March, 30th June, 30th September, and 31st December, showing the Warrants for Pensions issued during the quarter.

These Quarterly Statements, together with similar statements of Warrants issued by the Comptroller General himself, will be forwarded by the Comptroller General to the India Office. If any pension is chargeable, either wholly or in part, to other than Indian Revenues, the proportion chargeable to each separate source should be shown in these Quarterly Statements.

IX.—Payments made in those Colonies which exchange Accounts Current with the Government of India will be adjusted through those Accounts Current. Payments made in other Colonies will be adjusted in the Accounts of the Home Treasury of the Government of India.

Transfer in India.

171. A Local Government or an Accountant General may, on application and on sufficient cause shown, permit transfer of payment from one treasury in India to another. This jurisdiction may be delegated by the Local Government to Commissioners of Divisions, or to any higher Executive Authority.

1. Copy of any order issued by a Local Government or other Executive Authority under this Section should be forwarded to the Provincial Accountant General, and the Collector of the District from which the payment is to be transferred should be instructed to return his half of the Permanent Pay Order. The Accountant General will then issue a new Order to the Officer who will in future pay the pension, or, if the Officer belongs to another Province, will move the Accountant General of his Province to do so.

2. A District Officer may authorise payment in any of the outlying treasuries subordinate to his District Treasury of a pension payable, under proper authority, at his Head-quarters, and may transfer the payment of a pension from such Subordinate Treasury to the District Treasury, or from one Subordinate Treasury to another in the same District.

LAPSE AND FORFEITURE OF PENSIONS.

Through falling in arrears.

172. If a pension payable in India remains undrawn for more than six months, the Permanent Pay Order must be returned to the Accountant General, and the pension ceases to be payable. If the Pensioner afterwards appears, the Disbursing Officer may reclaim the Permanent Pay Order and renew his payments; but the arrears cannot be paid without the order of the Accountant General, and, if the amount of arrears exceeds Rs. 1,000, without the previous sanction of the

Local Government obtained through the Accountant General.

1. If the suspension of payment is attributable to error or neglect by any Public Officer, the Accountant General may direct payment of the arrears without taking the orders of the Government. Accountant General may order payment of arrears.

2. On the death of a Pensioner, payment of any arrear actually due may be made to his heirs, provided that they apply within six months from his death: it cannot be paid thereafter without the sanction of the Local Government. Even if the pension has not been sanctioned before the death of the Officer, the payment may be made under the orders of the ~~Local Government~~. If an Officer dies before actually retiring or being discharged, his heirs have no claim to anything in respect to the Officer's pension. Payment on account of deceased pensioners.

173. Future good conduct is an implied condition of every grant of a Pension. The Government reserves to itself the right of withholding or withdrawing a Pension, if the Pensioner be convicted of serious crime, or be guilty of grave misconduct. Pension may be withheld on account of misconduct.

COMMUTATION OF PENSIONS.

174. A Life Pension not exceeding Twenty Rupees a year may, at any time, on certificate of good health by the Medical Officer (Covenanted or Uncovenanted) of the District, and provided the Pensioner's age does not exceed seventy years, be commuted at the rates shown in Table A in Appendix E. The pension of a Pensioner whose age is more than seventy years cannot be commuted, except by special order of the Government of India. Rate of commutation.

1. If a Pensioner whose pension has been commuted dies before receiving the commutation value, this value is payable to his heirs.

2. The only General Rules for the commutation of pensions are those in this Section. The Government of India is opposed to the commutation of pensions save under very exceptional circumstances; the Local Governments should invariably consult the Government of India before ordering (under Section 10* of Act XXIII of 1871) the commutation of pensions otherwise than as provided for in this Section.

* *Section* 10.—"The Local Government may, with the consent of the holder, order the whole or any part of his pension, or grant of money, or land revenue, to be commuted for a lump sum on such terms as may seem fit."

3. Rule 2 is not to be understood as interfering with the Rules issued, with the sanction of the Government of India, for the commutation of any special classes of pension in any Presidency or Province.

Commutation of gratuity to annuity.

175. A Gratuity may, at the discretion of the Government of India, or with the sanction of the Government of India, on the application of the recipient, be converted either into a Life Annuity, or into a Temporary Life Annuity, or into an Annuity payable for a fixed number of years with remainder to the Annuitant's heirs in case of his death.

1. The amount of the Life Annuity will be determined by Table A printed as Appendix E.

2. The amount of the Temporary Life Annuity will be determined by the formula given in the Note to Table A in Appendix E.

3. In calculating the amount of an Annuity for a fixed number of years, the Savings Bank rate of interest will be employed. At present that rate is 3¾ per cent.—(*See Table B in Appendix E.*)

4. Except as provided in Section 99, Rule 3, the Government of India will never insist on the conversion of a Gratuity into a Life Annuity, or Temporary Life Annuity, unless the expectation of life of the Officer be reported by competent medical authority to be equal to the average.

CHAPTER XIII.

RE-EMPLOYMENT OF PENSIONERS.*

After compensation gratuity

176. An Officer who has obtained a COMPENSATION GRATUITY, if re-employed in qualifying service, may either retain his gratuity, in which case his former service will not count for future pension, or refund it and count his former service.

Rate at which refund is allowable.

1. The intention to refund must be stated immediately on re-employment; but the refund may be made by monthly instalments of not less than one-third of the Officer's salary, and also not less than the whole gratuity divided by the number of months which have elapsed since the end of the service for which the gratuity was given. The right to count previous service does not revive till the whole amount is refunded.

[NOTES.—(1.) The equity of this Rule is based upon the consideration that so long as the refund of the gratuity is postponed, the Officer avoids the risk and

Add the following as Section 177A :—

177A. Section 177 applies to Officers of the Public Works Department who retired under the terms of the Resolution in the Department of Finance, No. 2079, dated 31st July 1879, except as regards re-employment in an establishment paid from a Local Fund. Any such Officer, whether re-employed permanently or temporarily, is required on re-employment to refund the special gratuity received by him under paragraph 5, section II, clause (5), of the Resolution of the 31st July 1879; but if he does not make the refund, his pension will, for the purposes of this Section, be held to be increased by an amount equal to 5 per cent. per annum on his special gratuity. If an Officer has capitalised his pension, the same deduction will, if necessary, be made from his allowances as if he had not done so. (For the purposes of this Section, service paid by a Guaranteed Railway Company shall be treated as if it were service rendered in a temporary capacity.)

An Officer re-employed in service paid from a Local Fund may, in addition to his salary, draw his pension and retain the special gratuity received by him under paragraph 5, section II, clause (5) of the Resolution of the 31st July 1879.—(63) *No. (2208, dated 7th July 1882.)*

the State loses the possibility of the gratuity lapsing absolutely to the Public Treasury by the death or dismissal of the Officer. A subsequent refund of a gratuity, even with compound interest, does not compensate the State for the loss of this possibility meanwhile. By Resolution No. 3047, dated 8th September 1869, the attention of all re-employed Officers was pointedly called to this Rule, and a fresh and special opportunity was given to any Officer then in the Service who had neglected to refund a gratuity, to repair his neglect.

(2.) The attention of every Officer who is re-employed should be specially called to this Rule by the authority re-employing him, and, whenever he becomes aware of such an appointment, by the Accountant General.]

After compensation pension.

177. An Officer who has obtained COMPENSATION PENSION, if re-employed, may retain his pension in addition to his pay: Provided that, if he is re-employed in a Government establishment or in an establishment paid from a Local Fund or by a Guaranteed Railway Company, the sum total shall not exceed the pay of the appointment on abolition of which the pension was given. If his re-employment is in Qualifying Service, he may either retain his pension (subject to the proviso above stated) in which case his former service will not count for future pension, or cease to draw any part of his pension and count his previous service. Pension intermediately drawn need not be refunded.

Pay in the case of a Section writer or Press servant, how calculated.

1. In the case of a Section Writer or Press Servant (*See Section* 73) re-employed, the pay of the appointment abolished is taken at the average earnings of the last six months of employment.

Option to be exercised within a specified time.

2. If an Officer does not, within three months from the date of his re-employment, exercise the option conceded by this Section, of ceasing to draw pension and counting his former service, he may not, thereafter, do so without the permission of the Local Government.

Limit up to which pension should be drawn during leave.

3. An Officer who, under this Section, draws pension in addition to pay shall, during leave of absence from his new office, draw so much of his pension as will bring his whole allowances during leave up to the amount which would have been admissible to him if he had taken leave of the same kind under the same circumstances while holding his abolished appointment: Provided that his allowances on leave shall never be less than his pension.

After Invalid Pension.

178. There is no bar to the re-employment of an Officer who has regained health after obtaining INVALID PENSION, or, if an Officer is invalided as being incapacitated for employment in a particular branch of the service, to his re-employment in some other branch of the service. The rules in such a case as to refunding gratuity, drawing pension, and counting service, are

the same as in the case of re-employment after Compensation Pension.

After Superannuation Pension.

179. An Officer who has obtained a SUPERANNUATION PENSION is, by the nature of the case, excluded from re-employment.

[NOTE.—An Officer who is Superannuated may not be re-employed on the ground that he was entitled to a Retiring Pension.]

After Retiring Pension.

180. An Officer who has obtained a RETIRING PENSION cannot be re-employed, either in the General Service or in Service paid from a Local Fund, or by a Guaranteed Railway Company, except on strong public grounds, and with the express sanction of the Government of India in the Finance Department, or, if Pensions are a Provincial charge, of the Local Government. If so re-employed, he is permitted to draw pension in addition to full pay.

Retirement with a view to being re-employed not admissible.

Exception.

181. No Officer may retire with the view of being re-employed, whether in the General Service or in service paid from a Local Fund, or by a Guaranteed Railway Company, and drawing pension in addition to Pay. But a soldier in Civil Employ, who has earned his Army Pension, may continue in Civil Employ, on condition that his Army Pension remains in abeyance so long as he is in Civil employ.

Pension to an officer holding two or more appointments to be deferred until retirement from service.

182. An Officer holding two or more separate appointments may not, save with the express sanction of the Government of India in the Finance Department or, if Pensions are a Provincial Charge, of the Local Government, resign one or more of such appointments on a pension, without retiring from the Public Service altogether. There is no objection to his being relieved from one or more of such appointments at any time, without being compelled to leave the Service altogether; but, in such case, any pension admissible to him for service in the office or offices from which he is relieved, will be deferred until he finally retires.

Indian Navy Pension.

1. THE RULES in this CHAPTER do not apply to an Officer pensioned on the abolition of the Indian Navy. If such an Officer is re-employed, his service will be on exactly the same terms as if he had never been employed before. But, so long as he is employ-

ed, his Naval Pension will be held in abeyance, excepting so much of it (if any) as is necessary to raise his total emoluments to one-and-a-quarter times the amount of his pension. If he has commuted his pension for a single payment, the same deduction will be made from his allowances as if he had not done so.

Exception.

2. But Engineers, Boiler-makers, and Warrant Officers of the Indian Navy, who were pensioned on its abolition, are permitted to draw their pensions, during re-employment, in addition to full pay.

Temporary employ.

3. A Civil, Military, or Naval Pensioner of any class may, with the sanction of the Local Government, be employed without loss of pension, on duty which is *bonâ fide* temporary, lasting for not more than a year.

Excepted cases.

4. The Rules in this Chapter do not apply to a pension paid from a Police Superannuation Fund constituted by contributions from the Force. Such a pension may be drawn without restriction in addition to salary.

Extraordinary Pension.

5. An Extraordinary Pension granted under the Rules in Chapter XI, or, under Military Rules, to a Native Commissioned Officer or a Non-Commissioned Officer or Soldier for wounds and injuries, may, in the event of the Pensioner's subsequent employment in the Civil Department, be, during such employment, reduced or suspended by the Government which granted the pension.*

Native soldier's invalid pension.

6. If, however, the Wound or Injury Pension of a Native Commissioned Officer or a Non-Commissioned Officer or Soldier includes an Invalid Pension, he may, if the Wound or Injury Pension is withheld, draw the Invalid Pension in addition to Civil Salary.

7. The Rules in this CHAPTER do not apply to a Military Pensioner in Civil employ; the claims of such an Officer to salary and pension in the Civil Department are not affected by his Military pension; but the salary in the Civil Department of a Commissioned Military Officer, not being a Native of India, whether the pay of his office be consolidated or Staff Pay, shall be reduced by the amount of any Annuity, Pension, or Pensionary Allowances, including the Colonel's Allowance, but not including a Good Service Pension, which he receives in the Military Department. If he has commuted any such allowance for a single Capital Payment, the same deduction will be made from his Civil Salary as would have been made if he had not done so. The pension of the heir of a Native Non-Commissioned Military Officer or Soldier, or of a Medical Subordinate, will, during re-employment, merge in

* The withdrawal of Pension is optional with the Local Government, and it should not be withdrawn except in cases of *complete* recovery. If A. B. is still capable of contributing in only a small degree towards earning a livelihood, his pension should not be withdrawn now that he is serving in the Custom House, Bombay, as he is not earning as much as he might have done had he not suffered from the wound or injury.—*Military Department, to Bombay, No. 500 S., dated 13th September 1878.*

his salary: Provided always that an Invalid Native Commissioned Officer shall receive only so much of his Invalid Pension as, with his Civil pay, will make his whole allowances equal to his Military pay and allowances immediately before his retirement. If, therefore, the pay of his Civil Appointment is not less than his Military pay and allowances at the date of his retirement, he receives no portion of his Military Pension.

Sub-Registrar of Assurances.

8. A Pensioner of any class may be appointed to be Sub-Registrar of Assurances if he be remunerated by fees only.

One pension only allowed.

9. Except as provided in Rules 1, 2 and 7, an Officer who, having been discharged with a pension, is subsequently re-employed, may not count his new service for a separate pension. Pension is, in any case, admissible only for the new service combined with the old, the whole being counted as one service.

Cases of neglect to refund.

10. If a Gratuity received for the earlier service has not been refunded, gratuity or pension (as the case may be) may be allowed for the subsequent service, on condition that the amount of such gratuity, or the present value of such pension calculated according to Table A in Appendix E, *plus* the amount of the previous gratuity, shall not exceed the amount of gratuity, or the present value of the pension that would have been admissible had the gratuity received for the earlier service been refunded. If the amount of such gratuity, or the present value of such pension, *plus* the amount of the previous gratuity, exceeds the amount of gratuity, or the present value of the pension that would have been admissible if the gratuity received for the earlier service had been refunded, the excess must be disallowed.

Examples:—

(1.) A. B., after a service of 8 years, received a Gratuity of Rs. 4,800. A. B. was re-employed, but did not refund his Gratuity. After serving for 5 years, A. B. becomes eligible for an Invalid Gratuity of Rs 3,000. If A. B. had refunded the Gratuity for the earlier service, he would have been entitled to a Gratuity of Rs. 7,200. As the Gratuity admissible for the new service, *plus* the Gratuity received for the earlier service, exceeds the Gratuity which would have been admissible to A. B. if the Gratuity for the earlier service had been refunded, A. B. is entitled to receive a Gratuity of Rs. 3,000 *minus* Rs. 600, which is the excess.

(2.) C. D. obtained a Gratuity of Rs. 4,000 after a service of 8 years. C. D. was re-employed, but did not refund his Gratuity. After serving for 16 years, C. D., at the age of 48 years, becomes eligible for an Invalid Pension of Rs. 150 a month. If C. D. had refunded his Gratuity, he would have been entitled to a Pension of Rs. 150 a month. The present value of the Pension of Rs. 150 (Rs. 18,971-14-0), *plus* the Gratuity received for the earlier service, is Rs. 22,971-14-0, and as this is in excess of the present value of the pension by Rs. 4,000 the excess should be disallowed. C. D. will therefore be entitled to a pension of which the present value is Rs. 14,971-14-0, *i. e.*, Rs. 118-5-11 a month.

(3.) E. F. is removed after a service of 10 years with a Gratuity of Rs. 3,000. E. F. was re-employed, but did not refund his Gratuity. After serving for 20 years, E. F., at the age of 56 years, becomes eligible for a Superannuation Pension of Rs. 150 a month. If E. F. had refunded his Gratuity he would have been entitled to a Superannuation Pension of Rs. 225 a month. The present values of the pension of Rs. 150 and Rs. 225 are, respectively, Rs. 16,092-3-0 and Rs. 24,138-4-6. The present value of the pension of Rs. 150, *plus* the amount of the Gratuity received for the earlier service, does not exceed the present value of the pension that would have been admissible if the gratuity for the earlier service had been refunded. E. F. is therefore entitled to a pension of Rs. 150 a month.

Governor General, &c.

11. The following is the Statute Law applicable to Governors General, Governors, and Members of Council :—

"Provided always, and be it enacted, that if any Governor General, Governor, or Ordinary Member of the Council of India, or any Member of the Council of any Presidency, shall hold or enjoy any Pension, Salary, or any Place, Office, or Employment of Profit under the Crown or any Public Office, or* the said Company (East India Company), or any annuity payable out of the Civil or Military Fund of the said Company, the salary of his office of Governor General of India, Governor, or Member of Council, shall be reduced by the amount of the Pension, Salary, Annuity, or Profits of Office so respectively held or enjoyed by him"—*3 and 4 Wm. IV., Cap. 85, Section LXXVII.*

*(*Sic* in original—Query "under.")

[NOTES.—(1.) If an Ordinary Member of Council hold or enjoy any pension or any annuity payable out of the Civil or Military Fund, the salary of his office of Member of Council is to be reduced under Acts 3 and 4 William IV, Chapter 85, Section 77, by the amount of the pension or annuity held by him. A Good Service Pension enjoyed by a Military Officer comes within the meaning of pension under the Act cited above.

(2.) A Good Service Pension also comes within the "allowances," which a temporary Member of Council appointed on a vacancy occurring in the office of an Ordinary Member must forego.

(3.) The salary of the substantive office of a temporary Member of Council appointed in the place of an Ordinary Member of Council who, by reason of infirmity or otherwise, is rendered incapable of acting, or is absent on leave, includes the Military pay or Staff Corps pay of an officer holding an appointment the pay of which is a Staff salary, but does not include a Good Service Pension. Such a temporary Member is not liable to any deduction of salary on account of Good Service Pension.]

PENSION RULES OF 4TH JANUARY 1831.

RULES relative to the grant of Superannuation Pensions to Subordinate Officers in the Civil Department.

[NOTE.—Subsidiary and Supplementary Rules of date later than 4th January 1831 are printed in *italics*.]

Superannuation Pensions will be granted only to the Superior Classes of Public Servants indicated in the annexed List.

[NOTE.—This list is not published, as the Code sufficiently declares to whom these Rules may now be applied.]

Section 1.—Inferior servants, sowars, armed or organised peons, including jamadars and other ranks, lascars, boatmen, artificers, laborers, and menials are to have no claim to such provision.

Section 2.—With the exception of Native Judges and Law Officers, the applicant must have been employed in the Public Service for a period of at least twenty years.

Section 3.—The Public Servant, whatever may have been the period of his service, must be incapacitated for further employment, by old age, protracted ill-health, loss of sight, or other bodily or mental infirmity.

Section 4.—The character, conduct, and past service of the Public Servant must be favorably certified by the Officer or Officers under whom he may have been employed, and must appear to be such as to entitle him to the favorable consideration of Government.

Section 5.—Whenever it may be judged expedient to grant a pension to a Public Officer whose case may come within the foregoing provisions, the amount of the pension shall be limited as follows:—

Clause 1st.—If the period, during which the individual may have been actually employed in the Public Service shall be more than twenty years, but less than thirty years, the amount of the pension shall not exceed one-third of the monthly Salary or authorised Official Allowances of such individual, calculated on an average of five years previously to the date of application for such pension.

Clause 2nd.—If the period of Actual Service shall have been thirty years or upwards, the amount of the pension shall not exceed one-half of the Salary or authorised Allowances of the individual, calculated in manner above stated.

1. Pension may be awarded on this scale to persons thrown out of employ by reduction of establishment, without their being required to produce medical certificate

2. In a despatch from Court of Directors, No. 18, dated 5th May 1854, the following further Rule is prescribed :—

" We authorise you to grant to any Uncovenanted Servant belonging to a class recognised by the present Rules, who though not possessed of medical certificate of incapacity, may be permitted to retire from the service, and who can produce unquestionable testimonials of a faithful, efficient discharge of his duties during a period of 35 years, a pension equal to half the average salary which he may have received during the last five years of his service. These pensions are to be regarded as the rewards of good service; they will

not, in any case, be claimable as of right, and every pension which you may see sufficient reason to grant, must be reported to us, with a statement of the grounds of your proceeding."

RULES REGARDING SERVICE.

3. The period of service must be continuous, but a break between two periods of employment, if it does not exceed twelve months, and was not caused by dismissal from office for misconduct, will not prejudice the Officer in whose service it occurs.

4. To the following extent, leave counts as actual service :—

(a)—*All leave taken before the Uncovenanted Service Leave Rules of 1856.*

(b)—*The following leave taken under the Rules of 1856 :—*

Two out of three years obtainable on medical certificate.
Leave subsidiary to leave on medical certificate.
Privilege leave.
Leave on private affairs on half pay.

(c)—*Leave during recess on half pay granted to Native Surveyors in the Revenue Survey Department, Bengal, North-Western Provinces, and the Punjab.*

5. Service before the attainment of 16 years of age does not qualify for pension.

RULES FOR CALCULATION OF PENSION.

6. "Authorised Official Allowances" include the following :—

(a)—*House-rent Allowance, or value of official residence.*
(b)—*Personal Allowance given as compensation for reduction of salary.*

The following are not included :—

(a)—*Personal Allowances otherwise than as above.*
(b)—*Horse and Tent Allowances.*

Clause 3rd.—For Law Officers and Native Judges, the period of 15 years shall be substituted for that specified in Clause 1st, and 22 years for the term mentioned in Clause 2nd.

1. This Rule applies also to Principals and Head Masters of Colleges and Schools, and also to Inspectors and Professors.

2. The concession granted by the Rule applies only to cases where the whole of the prescribed period of service has been rendered in the privileged capacities.

3. Law Officers are a class which now no longer exists. The designation "Native Judges" applies to Officers in such positions as Subordinate Judge and Munsif. Goung-gyoups in Burma are also "Native Judges." Magistrates of Police and Judges of Small Cause Courts are not "Native Judges;" but a "Native Judge" transferred to be a Judge of a Small Cause Court will retain his privileges.

Clause 4th.—The rates of pensions shall be fixed on a graduated scale, within the prescribed limitations, with reference to the responsibility and arduousness of the employment, the degree of merit of the individual, and the nature and length of his service.

1. The limit of pension in ordinary cases is Rs. 5,000 a year, but this is subject to the Rules under Section 113 of the Code.

Appendix B2 —Old Pension Rules.

2.

NOTE.—Wherever, in the following Resolution, a pension is stated in sterling, the equivalent in rupees is meant, at 2*s.* the rupee, which had been, at that time, for several years, the fixed rate of exchange for the adjustment of financial transactions between the Imperial and Indian Governments.

Resolution by the Government of India, Financial Department,—No. 1555, dated 1st July 1870.

As considerable misapprehension exists in regard to the limitations of pensions of Uncovenanted Servants, both under the old and the new Rules, the Governor General in Council is pleased to issue the following Resolution :—

RESOLUTION.—Up to 1855 the pensions admissible under the Uncovenanted Service Pension Rules were not formally limited within any maximum amount.

2. On 19th May 1855 the Government of India published a despatch of the Court of Directors, which limited pensions for Uncovenanted Servants, appointed after that day, to £500 a year if their pay exceeded Rs. 1,000 a month, or to £400 a year if their pay ranged from Rs. 700 to Rs. 1,000 a month. This limitation applied alike to the one-third pay pension and to the half-pay pension.

3. In 1862, with reference to the increasing number of well-paid appointments which were being thrown open to the Uncovenanted Service, the Government of Bombay recommended that the class who, in the opinion of that Government, were exempt from the foregoing limitation, *viz.*, those Uncovenanted Servants who had been appointed to the Government service before 19th May 1855, should, on promotion to an appointment the salary of which is Rs. 10,000 per annum, be called upon to renounce formally any claim to pension beyond the sum of £500 per annum.

4. The Government of India agreed with the Government of Bombay as to the propriety of the limitation, but demurred to the proposal for exacting a formal renunciation of title to a pension exceeding £500 a year from those admitted into the service before 19th May 1855, who might be offered promotion to a salary amounting to, or exceeding, Rs. 10,000 a year. Hesitation was felt on the following grounds, *viz.*,—

I.—That if a right to a pension exceeding £500 a year ever existed under the Pension Rules of 1831, in favour of those appointed to the service before 19th May 1855, it would be a "doubtful proceeding" to refuse "promotion to a deserving officer, unless he will consent to abandon that to which, it is assumed, he has a right under the existing Rules."

II.—That no such right existed under the Rules of 1831; inasmuch as those Rules did not pledge Government to any particular *amount* of pension, but merely prescribed that the pension should not exceed a certain fixed proportion of the effective pay of the applicant, and that, accordingly, it was within the competence of the Government to define specifically by subsequent Rules, as was done on 19th May 1855, the precise amount within the limit of the prescribed proportions of effective pay, which should not be exceeded in awarding pension.

III.—That, in this view, the wording of the order of 19th May 1855, which applied the limitation mentioned in the 2nd paragraph of this Resolution to those only who might be appointed to the service after 19th May 1855, was unhappy; inasmuch as no specific rate of pension had ever been guaranteed to those appointed before that date.

5. Accordingly, the Government of India inclined to think, "notwithstanding the difficulty caused by the proceedings of 1855 * * that, even now

Appendix B2.—Old Pension Rules.

it will be better that the Government should assert its right to alter the Rules of 1831 as regards all appointments clearly not embraced* by the original intention of those Rules, and to declare such alteration applicable to all Uncovenanted Servants, whether they entered the public service before 1855 or since.

6. "But if this be done, it may be right, having regard to the expectations which must naturally have been created by the order of 1855, to allow the full advantage of the Rules of 1831 with respect to all appointments *made up to the present time*,† and held by officers who entered the public service before 1855. Thus, such an officer, already holding an appointment of Rs. 1,500 a month, will, on superannuation after 20 or 30 years' service, according to the class of appointment, be able to claim a pension of £900 a year; but he will not, if hereafter promoted to higher emoluments, be able to claim a still larger pension calculated on those higher emoluments."

7. This reference was submitted to the Secretary of State quite apart from a memorial from Uncovenanted Servants praying for increased pensionary advantages. The Secretary of State, however, answered this reference and the memorial in the same despatch.

8. In reply to the memorial, he conceded certain additional benefits, but qualified them by a condition that pensions should be limited as follow, *viz.*,—

1st.—That half pay pensions should not exceed £500 a year, whatever the amount of salary, or £400 a year, when the salary does not exceed Rs. 12,000 per annum.

2nd.—That one-third pay pensions should not exceed £300 a year, whatever the amount of salary, or £200 a year, if the salary shall not exceed Rs. 12,000 per annum.

These form a part of the new Rules.

Para. 23 of despatch dated 8th December 1862.

9. In reply to the reference from the Government of Bombay, regarding pensions beyond £500 a year to those who were in the service on 19th May 1855, the Secretary of State decided that, "under the existing Pension Rules an Uncovenanted Servant is not entitled to claim a pension of the full amount, which is only authorised as the reward of approved service; and, when the Rules were framed, it could not have been contemplated that a larger pension than £500 per annum could.

Para. 24 of despatch dated 8th December 1862.

10. Under any circumstances, therefore, the full pension should only be awarded in cases of extraordinary merit.

Para. 25 of despatch dated 8th December 1862.

11. "With this reservation, therefore, I concur in the expediency of the propositions‡ made by you, which must be invariably acted upon as regards promotion subsequent to this§ date, and a clause to that effect should be included in the new Rules.

12. The 23rd and 24th paragraphs of the Secretary of State's despatch of 8th December 1862 (paragraphs 9 and 10 of this Resolution) were published; but, paragraph 25 not having been published, a memorial was submitted asking for an interpretation of the published paragraphs. In forwarding this memorial, the Government of India explained that "the recommendation which the Government of India submitted on this point was that those officers who entered the service before the 19th of May 1855 should be allowed, in respect of all appointments made previously to the time of the reference, a pension at the full rate allowed by the Rules of 1831, *whether more or less than £500 a year;* but that persons appointed to highly paid offices subsequently to his date (*i.e.*, the time of writing) should be limited as to the amount of

* *i.e.*, appointments on salaries exceeding Rs. 600, 700, or 800 a month.

pension by the Rule which fixes the maximum pension at £500 a year. The Government of India then contemplated a more liberal application of the Rules of 1831 as regards the class of servants referred to, than would be admissible under a strict interpretation of the 24th paragraph of your despatch."

13. The reply of the Secretary of State, which was published with Notification No. 1523, dated 19th March 1864, was as follows:—

"I have considered in Council your Financial letter dated the 13th October 1863, No. 127, forwarding a memorial from certain Uncovenanted Officers at your Presidency requesting an interpretation of paragraphs 21 to 25 of my Financial despatch, dated the 8th December 1862, No. 205, which relate to the limitation of pensions to Uncovenanted Servants to £500 per annum.

"2. In the letter from your Government, dated the 6th August 1862, No. 111, you stated that the Uncovenanted Service cannot claim to have any rights under the Rules of 1831 beyond what may be considered to arise out of the general pledge which those Rules may be taken to give, that a member of that service, when rendered incapable of further duty, shall not be discharged without some pensionary support. As regards the amount of pension to be given, the Rules merely fix a limit which is not to be exceeded; and although it has, with rare exceptions, been the practice to allow the highest pension of which the rules allow, this practice cannot be admitted to confer on the Uncovenanted Service any right to claim that maximum in all cases, without any regard whatever to the original design and scope of the Rules.

"3. In that view Her Majesty's Government fully concurred. It was, therefore, decided that Uncovenanted Servants appointed prior to the 19th May 1855 (the date of the Court's despatch limiting pensions to £500 per annum), whose average salary during the last five years of their service shall have exceeded Rs. 10,000 per annum, and also those who were promoted prior to the 6th August 1862 (the date of the letter from the Government of India relative to the limitation of pensions to Uncovenanted Servants) to offices to which salaries exceeding Rs. 10,000 per annum are attached, shall, if their average salary during the last five years of their service exceed that amount, be allowed, in cases of extraordinary merit, pensions exceeding £500 per annum, the amount of excess to be governed by the merits and services of the retiring servants, and to be limited to an amount consistent with a due regard to the public interests. In regard to Uncovenanted Servants who have rendered approved services of only an ordinary character, the pension must in no case exceed £500 per annum.

"4. An Uncovenanted Servant promoted subsequently to the 6th August 1862 to an office to which a salary exceeding Rs. 10,000 per annum is attached, is not to be granted an increased pension in consequence of the increase to his salary." *(Secretary of State, No. 20, dated 9th February 1864.)*

14. This reply did not embrace the cases of persons appointed before 19th May 1855, whose salaries, at the time of retirement, may be less than Rs. 10,000 per annum. In respect of such persons it was urged by the Government of India, in a despatch to the Secretary of State, No. 31, dated 5th February 1868, that, inasmuch as the orders of the 9th February 1864 "recognise the claim to a pension of Rs. 5,000 per annum, or one-half of salary, on the part of an Uncovenanted Servant whose average salary for the last five years of service is Rs. 10,000 per annum, Uncovenanted Servants with salaries of less than Rs. 10,000 per annum, who were appointed before the 19th May 1855, might be allowed one-third or half-pay pension, irrespective of the limits laid down in the new Pension Rules, which may be restricted to the cases of Uncovenanted Servants appointed after the 19th May 1855."

15. The Secretary of State, however, in a despatch No. 400, dated 18th November 1869, negatived the recommendation, observing that there was no ground "for excepting Uncovenanted Servants with salaries of less than Rs. 10,000 per annum from the Rules applicable to Uncovenanted Servants with salaries exceeding that amount;" and added, that "if, in any particular case of a servant whose salary is less than Rs. 10,000, you should consider that unusually meritorious service calls for a relaxation of the restriction contained in the Rules, I shall be prepared to consider any recommendation you might make for the grant of special pension, as already allowed in regard to servants with higher salaries."

Appendix B2.—Old Pension Rules.

16. Three other classes of officers have been exempted from the limitations of the half and one-third pensions prescribed by the new Pension Rules, *viz.*,—

I.—In a despatch No. 84, dated 31st March 1865, the Secretary of State ruled that "Civil Engineers who entered into covenants when the old Uncovenanted Leave and Pension Rules were in force" might be allowed "the benefit of those Rules in regard both to leave of absence and pension, and any Covenanted Engineer so situated may, therefore, have the option of selecting which Rules he will abide by; but, having once made his selection, he is not to be permitted to avail himself of any of the advantages of the other Rules."

II.—In Financial Resolution No. 1852, dated 16th August 1865, the benefit of the foregoing decision was extended to certain officers of the Telegraph Department who had executed their covenants before the publication, in June 1863, of the new Uncovenanted Service Leave and Pension Rules.

III.—Under an impression that the classes of officers who in the old Pension Rules were designated as Law Officers and Native Judges had ceased to exist, the Secretary of State, in a despatch No. 290, dated 23rd December 1865, declared the new Rules applicable to all Uncovenanted Officers in the Judicial Department. In reply, the Government of India explained that the term Native Judges included Principal Sudder Ameens, Sudder Ameens, and Munsifs, and that to these the old Rules assured a pension equal to one-third salary after 15 years' service and equal to one-half after 22 years' service, when the applicants were certified to be unfit for further duty. Thereupon the Secretary of State observed, in his despatch No. 174, dated 31st July 1866, that "it was not understood that the exceptional advantages granted by the old Uncovenanted Service Pension Rules to 'Native Judges' extended to Native Judicial Officers of other grades." So far as relates to any who can be considered entitled to benefits granted by the old Rules to officers of that class, I am willing that they shall still be considered eligible to the pensions allowed by those Rules; but, with reference to all future appointments, I see no ground for making a distinction between Native Judges and the general body of Uncovenanted Servants, for whom the new Rules make liberal provision."

The despatch of the 31st July 1866 was published by the Government of India on the 29th October 1866.

17. The Rules therefore regarding the limitations of the amount of pensions of Uncovenanted Servants may be thus summarised:—

I.—The limitations prescribed by the Uncovenanted Service Pension Rules of April 1864 in regard to one-third and one-half pensions do not apply to Uncovenanted Servants of the three classes noted in the margin. Ordinarily the limit of pension for these classes of servants will be £500 per annum. In cases of extraordinary merit, Uncovenanted Servants of the first of the said classes may be allowed pensions exceeding £500 per annum, the amount of excess to be governed by the merits and services of the retiring servant, and to be limited to an amount consistent with a due regard to the public interests.

1. Officers who entered the Service before 19th May 1855, or were promoted before 6th August 1862 to salaries exceeding Rs. 10,000 a year, and whose average salary during the last five years of service exceeds that sum.
2. Covenanted Civil Engineers in the Public Works Department, and certain civil Covenanted Officers of the Telegraph Department, who entered the Service before the promulgation of the new Rules, and have elected to abide by the old Pension Rules.
3. Native Judges who were in the Service on the 29th October 1866.

II.—In all other cases the pensions of Uncovenanted Servants are subject to the limitations of the new Pension Rules of 8th June 1863 and 13th April 1864, but, for "unusually meritorious services," special pensions may be allowed by the Secretary of State to any appointed before 19th May 1855.

From the letter of the Government of India in the Financial Department, to the Government of Bengal,—No. 3177, dated 31st August 1871.

4. The references made in your letter to a proposed formation of a Pension Fund by deduction from salaries, probably arise from the orders in this Department, No. 940, dated 16th June 1870, which contained, as models, certain Rules proposed by the Government of Bombay for the constitution of an Educational Pension Fund there.

5. The Government of India, on a reconsideration of the whole subject, is disposed to withdraw the approval which it then expressed of the scheme set forth in these Rules. There is an almost entire absence of data on which to estimate the amount of deduction which would be necessary to render such a Fund solvent; such calculations as can be made render it extremely doubtful whether five per cent. is nearly enough to cover the contingent charge; and it is of course out of the question to guarantee from Imperial Revenues the solvency of any such Fund. A Pension Fund formed by deduction from salary is, perhaps, objectionable also on another ground, namely, that it, to a certain extent, unnecessarily fetters the hands of the employer.

6. In the case, therefore, of Local Funds which will, beyond a doubt, be able, without embarrassment, to meet the pensionary claims of employés, it seems to the Government of India that it would be best, should the Local Government think proper to grant to the employés a right to pension, to leave the pensionary claims to be met when they arise. And in the case of Local Funds regarding whose position there is not the same absence of doubt, it would appear to be the wiser course to abstain from making any absolute promise of pension. The ability of such Funds to provide any pensions which, on special grounds, it may be deemed desirable to grant, can be more easily determined when the claim is presented for consideration, than it can be at a time antecedent, by many years, to the actual accrual of the charge.

7. It might even be a matter for the consideration of the Local Government whether, considering the peculiar constitution of Local Funds, it would not be well, especially in the case of such as are of uncertain solvency or stability, to credit to a separate account the capital value of any pension granted. The necessity of providing at once the entire value of a pension, instead of throwing the charge forward upon future years, would perhaps afford a useful check against indiscriminate recommendations by those who have the management of the Funds.

2. *(See Chapter III, Prefixed note.)*

From Resolution of the Government of India in the Financial Department,—No. 4359, dated 14th October 1871.

The position of the Government of India, and the difficulty experienced by Native States and public bodies in obtaining competent Officers without its assistance, frequently render it necessary for the Government, for political or for public reasons, to transfer its Officers to service paid for from sources other than its own revenues. Such transfers would, as a general rule, be impos-

sible if the condition were insisted on, that the Officer transferred should give up his privileges as a Officer in the service of the Government of India; and in the papers above read, the question is discussed what financial arrangements are proper to be made in the case of Officers of Government lent to, or transferred to service paid by, Native States, Municipalities, and other bodies financially independent of the Government of India, such as Courts of Wards, Port Trust, &c., and permitted at the same time to retain their privileges as servants of the Government of India.

2. The remuneration of Officers of Government may be thus classified,—

Immediate,—Their pay and allowances while on duty;
Contingent,—Their absentee allowances;
Deferred,—Their pensionary allowances;

and such Officers when lent to Native States, &c., though they obtained their "immediate" remuneration from the State or Fund at the charge of which they are employed, look, for the most part, to the Government of India for their "contingent" and "deferred" remuneration.

3. It may sometimes be expedient, for special reasons, that the Government of India should bear such charges; but, as a rule, it is not so; and it is necessary to prescribe the conditions which should be imposed, so that such charges may be avoided, unless the Government, for special reasons, accepted them.

4. The Government of India have accordingly resolved to require, on account of every Officer lent or transferred to a Native State, or a Municipality, or other financially independent body, who is permitted to retain his position in relation to the service of Government, and his claims to absentee and pensionary allowances under the Rules of the Service to which he belongs, and with regard to whom the exemption contemplated in paragraph 3 is not declared, a contribution proportional to the salary which he receives, and regulated on the following principles.

5. In the first place, it is to the Officers themselves, and not to their employers, that the Government will look for the contribution required; any other course would be productive of difficulty and inconvenience.

6. In the second place, a calculation founded upon such data as are available shows that the cost to Government of the charges above classed as contingent and deferred, excluding, however, privilege leave allowances, is about one-quarter of the amount actually disbursed in the form of "immediate" remuneration.

* * * * *

12. In the case of Covenanted Civil Servants, the contribution of one-fifth required by this Resolution includes the four per cent. deduction to the Annuity Fund which will not be separately levied. The amount of the contribution to be credited to the Annuity Fund is $3\frac{1}{3}$ *per cent.* of the full nominal pay and acting allowance, being one-twenty-fourth part of the amount retained by the Officer after deduction.* This proportion, being one-sixth of the entire contribution, will be credited to the Annuity Funds so long as they are maintained.

* *i. e.* the same as 4 per cent. retained out of 100.

3. *(See Section 166, Foot note).*

From Resolution of the Government of India in the Financial Department, —No. 1586, dated 22nd March 1871.

The Governor General in Council has had under consideration the question of how to guard against fraudulent claims to pensionary allowances being put forward by strangers after the actual incumbents are dead.

Appendix C.—Extracts.

2. The chief protection against such claims must be the careful testing by the Disbursing Officer of each claim at the time it is presented.

3. But it seems advisable also that statistical information regarding pensions should be kept up; and, for this purpose, His Excellency in Council is pleased to direct that, from every office where pensions are disbursed, Returns in the annexed Form shall annually be made to the Account Office to which it is subordinate :—

(1)—For pensions not exceeding Rs. 10.
(2)—For pensions exceeding Rs. 10 and not exceeding Rs. 50.
(3)—For pensions exceeding Rs. 50.

4. The Account Officers should scrutinise the information thus received, in order that enquiry may be at once made where any remarkable longevity appears, or where any other anomalous features present themselves.

5. His Excellency in Council is well aware that there is great difficulty in exercising a check by such means on the action of local Officers. The instances in any single Disbursing Office are necessarily too few to warrant the assumption that their departure from mathematical regularity requires any special explanation; and, on the other hand, in the compilation of the figures of several Offices, the effects caused by the perpetration of frauds in any one would probably disappear in the mass.

6. But while His Excellency in Council, in view of this difficulty in supervising this particular part of their work, confidently expects at the hands of local Officers extreme caution in dealing with claims to pension, he does not doubt that the information contained in the Forms now prescribed will be found, in both central and local offices, to be of great value.

STATUTE 35 VICTORIA, CAP. 12. *(See Foot note on page 96.)*

An Act to amend an Act of the fourth and fifth years of King William the Fourth, Chapter twenty-four, intituled "An Act to alter, amend, and consolidate the laws for regulating the pensions, compensations, and allowances to be made to persons in respect of their having held civil offices in His Majesty's Service."

(13th May 1872.)

Whereas by an Act passed in the Session holden in the fourth and fifth years of King William the Fourth, Chapter twenty-four, "to alter, amend, an consolidate the laws for regulating the pensions, compensations, and allowance to be made to persons in respect of their having held civil offices in His Majesty's Service," it is provided, amongst other things, "that in case any person enjoying any superannuation allowance in consequence of retiring from office on account of age, infirmity, or any other cause, or enjoying any compensation for past services, upon the abolition or reduction of office, shall be appointed to fill any office in any public department, every such allowance or compensation shall cease to be paid for any period subsequent to such appointment, if the annual amount of the profits of the office to which he shall be appointed shall be equal to those of the office formerly held by him; and in case they shall not be equal to those of his former office, then no more of such superannuation allowance or compensation shall be paid to him than what with the salary of his new appointment shall be equal to that of his former office."

And whereas doubts have lately been entertained as to whether the expression "office in any public department" as used in the abovementioned provisions extends to public departments in any part of Her Majesty's dominions beyond the limits of the United Kingdom;

And whereas it is expedient to remove such doubts:

Be it enacted by the Queen's Most Excellent Majesty, by and with the ad-

vice and consent of the Lords, Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

Explanation of Section twenty of 4 and 5 W. IV., c. 24.

1. It is hereby declared that the expression "office in any public department" as used in the abovementioned provisions of the said Act extends, and shall, from the date of the passing of the said Act, be deemed to have extended to any office in any public department in the British possessions.

Definition of colony.

2. In this Act, "British possession" shall include any territories for the time being vested in Her Majesty by virtue of any Act of Parliament for the government of India; also any colony, plantation, island, territory, or settlement within Her Majesty's dominions, and not within the United Kingdom.

Short title.

3. This Act may be cited for all purposes as "The Superannuation Act, 1872".

APPENDIX D. (*See Section 7, Foot note, and Rules 8 and 12 under the Section.*)

OFFICERS TRANSFERRED TO FOREIGN SERVICE BEFORE THE 14TH OCTOBER 1871.

Before 14th October 1871, the date of the promulgation of the Rules in Chapter VII, Foreign Service did not ordinarily qualify, as it did not satisfy the first and third conditions of qualifying service. Unless specially exempted or unless their case fell within one of the Special Rules stated beneath, Officers, not being Covenanted Civil Servants or Officers of the Army, who accepted such service, ceased to have any claim on the Government of India in respect of pensions or gratuities. Except as provided in Rule 9 under Section 46, the Rules in Chapter VII do not affect the position of these Officers, and they must abide by the conditions under which they left the regular service. In the same way, Officers who may transfer their services in future will have no claim, unless the transfer is such as is provided for in Chapter VII.

Special Rules in force before the 14th October 1871.

I. Officers transferred by competent authority to service under Native States, for a purpose in which the Government is interested, count their service as if it were under the Government of India.

The following cases are within this Rule:—

(*a.*)*—Teachers transferred to the service of the Chamba State. In this case the pension is paid by the Government of India and the Raja of Chamba, according to the Rule of Proportions.

(*b.*)*—Officers transferred to service in the Kolhapúr School; the pension being chargeable, according to the Rule of Proportions, to the Government of India, and to a Fund formed by contribution, proportional to salary paid by the Chief of Kolhapúr.

(*c.*)—Officers transferred, under the authority of the Government of the Punjab, to service under the Bhawalpúr State. In this case the charge for the pension will be shared by the Bhawalpúr State according to the Rule of Proportions.

(*d.*)—Assistant Opium Agents in Independent Native States, whose pay is found by the Native States.

2. Subordinates in the Revenue Survey, temporarily lent to Municipalities for duties which, though paid for by them, also promotes imperial interest count their services as if it were under Government.

* Applies to transfers before the 22nd October 1875.

3. Medical Officers lent to charitable dispensaries or hospitals in British India count their service as if it were under Government.

4. Officers transferred, on or after 23rd April 1863, by the authority of Government, or their official superiors, from qualifying service under Government, to service of the following descriptions, count their service as if it were paid from the General Revenues :—

Service under the Court of Wards.
Service in Jágír States in Bombay.
Service under the Talukdari Settlement Officer in Bombay,

Provided that six per cent. of the salary be contributed to the Government of India, either by the Officer himself, or from the Funds whence the salary is paid. This proviso has effect from the 9th November 1870, in the case of service under the Court of Wards, and from the 6th July 1871, in the case of service in Jágír States or under the Talukdari Settlement Officer.

[NOTE.—In the Madras Presidency an Officer transferred before 21st August 1862 from qualifying service to service under the Court of Wards, counts service under the Court of Wards rendered before that date as if it were under Government.]

APPENDIX E. (*See Section 82, Rule 1, Section, 99, Rule 3, Section 174, Section 175, Rules 1-3, and Section 182, Rule 10.*)

MEMORANDUM OF PENSION-VALUES OF CIVIL PENSIONERS.

The compilation of a table for showing the capital value of pensions depends upon two data, namely, the rate of mortality and the rate of interest.

2. I shall take these two separately, and first discuss the data as to rate of mortality.

3. Observations of native life are extremely few, so few indeed that those Assurance Companies in Calcutta which accept risks on native lives do not base their calculations on any data regarding native life. One office adopts European military rates, and two others take a certain percentage, in addition to European civil rates, as the basis of assurance on native lives. If we were to follow them, we should simply adopt for native rates of mortality something in excess of European rates.

4. The only regular investigation regarding native life which, so far as I know, has been made was the work of Dr. Robert Haines, a Surgeon in Bombay, who made elaborate enquiries on the subject, on the basis chiefly of military records, and whose papers were purchased by the Government of Bombay in 1867.

5. The following is a summary of the rates of mortality that resulted from his investigations, to which I have added, for purposes of comparison, the rates observed in the Bengal Uncovenanted Service Fund :—

AGE.	35-39.	40-44.	45-49.	50-54.	55-59.	60-64.	65-69.	70-74.	75-79.	80-84.	85-89.	90-
A.—Civil Pensioners. Warden's Official Fund, chiefly clerks.	·667	...	1 405	2·651	2·561	2·518	5·301	4·126	3·511	1·676	1·156	2·410

C.—Native Military pensioners, and a few others.	1·920	2·760	3·764	4·319	5·200	6·554	8·318	9·831	1 ·70	12·324	14·199	20·455
D.—Uncovenanted Service Fund (Mr. Woodrow's figures).	1·78	2·12	2·94	3·99	4·15	7·28	8·45					

Appendix E.

Of these series of results, the first (marked *A*) and the second (marked *B*) are based upon observations of only 140 and 164 deaths, respectively, so that the area of observation is not wide enough to enable us to accept them with any confidence. This is especially the case with the ages above 80, where, in the first case, the observations were confined to five deaths in an average of about twenty persons alive each year.

6. The series marked *C* has a much wider area of observation, 6,355 deaths having occurred among the cases observed; the regular gradation of the results also shows that the area has been sufficiently large to eliminate departures from the average. They may, in my opinion, be accepted as a good guide in the cases to which they immediately apply, namely, native military pensioners in Bombay: the only question is, whether the circumstances of native civil pensioners in Bengal are sufficiently similar to those of native military pensioners in Bombay, to warrant us in accepting statistics affecting the latter, as a guide towards conclusions affecting the former.

7. I recently had occasion to make a close comparison between the actual deaths occurring among the civil pensioners in Bengal during the years 1871-72 and 1872-73, and the number of deaths that might be expected according to the rates of the series *C* just mentioned. I quote here the results of the comparison, and my observations regarding them.

"The following is a summary of the whole of these statistics:—

Description of Pensioners.	Rate of pension.	Number.	Actual mortality.	Expected mortality.
India	All	204	25	24·5
Bengal, Mofussil	Under Rs. 10	500	82	66
	Under „ 50	357	38	44·5
	Over „ 50	105	28	14·
Bengal, Calcutta	Under „ 10	83	9	9·5
	Under „ 50	186	16	24·
	Over „ 50	99	11	18·5
Marine	All	69	4	6
	Total	1,603	213	202

"I think, therefore, that it is a pretty fair conclusion that, so far as can be judged from information and calculations so rough in their nature, the mortality rates, with which we above started, are not far from the average applicable to the case. It is worthy of remark that the younger pensioners show a tendency to excessive mortality (compared with our initial figures), which is easily accounted for by the fact that they are, by the nature of the case, mostly invalids; and that, as we might have expected, the pensioners of the class between Rs. 10 and Rs. 50 seem to be more healthy than those on higher or on lower pensions."

8. A similar examination of the Bombay pension returns for 1870-71 till 1872-73, three years, gave—

Rate of Pension.	Number.	Actual mortality.	Expected mortality.
Under Rs. 10	1,780	337·	325·1
Do. „ 50	639	126·	108·6
Over „ 50	210	35·	37·
All	2,629	498	470·7

the excess of actual mortality occurring chiefly at the ages under 50 and above 75.

Appendix E.

9. It seems to me therefore that, pending further observation, we should base our mortality tables upon the rates which we have thus examined. It is necessary, however, to make an alteration in respect of the earlier ages. Pensioners in the Civil Department, of ages 35 to 50, are for the most part invalids, and therefore have necessarily a comparatively high rate of mortality. On this ground, therefore, I have taken the rate for these ages at 4 per cent., instead of at 1·920, 2·760, and 3·764.

10. The second of the data is the rate of interest to be allowed; and this is a matter for the decision of the Government of India, as the capitalised value is to be received by it, and the interest to be given by it. I know, however, that, in a similar case, where the Government of India consented to receive money for annuities, simply at a fair rate of interest, without giving any privilege or donation of any kind, it fixed 3¾ per cent. (the present Savings Bank rate) as the rate which it would give. I take this rate, therefore, as the basis on which to make the calculation.

11. The calculation and the result are shown in Table A appended.

12. In actual practice the values received from Local Funds on account of pensions granted will be credited direct to Government, and the pensions will form a direct charge upon the Government; but, if accounts are kept up *pro formâ*, in which the amounts received are credited, and the amount of pensions paid are debited, and a sum equal to 3¾ per cent. interest upon the nominal balance credited each year, these accounts will afford an easy means of testing whether the rates of mortality have been so taken as to give fair valuation rates. If the actual mortality corresponds with our estimated rates, the balance of the account should always be equal to the aggregate value of the pensions still outstanding, the values being calculated from the appended table according to the ages on the date of the valuation. If the actual mortality be less, the balance will be less than the value; and if a decided tendency in this direction should be observed, it will be necessary to revise the rates in favour of the Government. If the actual mortality be greater, the balance will exceed the value, and any marked excess would similarly suggest a revision of the rates in favour of the contributory Local Funds.

13. A small table (Table B) is appended, which may be useful for the conversion of lump payments into monthly payments lasting for a given number of years. The monthly payments thus reckoned are absolute, and are not dependent upon any life.

14. It should be added that the results which are shown in these tables involve no margin for safety, or for working expenses, no allowance of any kind being made in favour either of the payers or of the receivers of the pension-values. I have confined myself entirely to the question of exact valuation upon data which involve no margins.

* The adjustment is two-fold: *First*, the figures in the column "Value of annuity" show the value at the exact age x, whereas we want for working purposes the value at age x last birthday. This may be taken at the mean between the value at age x and at age $x+1$. *Secondly*, the value thus given is the value of an annuity defined as a sum payable at the end of each year, provided the recipient is alive at the end of the year; we have to add about 5 to get the value of the annuity payable monthly up to the date of death.

[NOTE.—To calculate the amount of a temporary life annuity granted under Section the following formula will be employed:—

$$Y = 12\left\{\frac{G}{Ax - Ax + n\,Dx^{-}}\,Dx+n\right\}$$

Y = amount payable monthly on account of annuity.
G = amount of gratuity.
x = age last birthday.
n = number of years for which the annuity is payable
Ax and $Ax+n$ are the numbers shown in column headed "Adjusted value" opposite Age x and Age $x+n$ respectively.
Dx and $Dx+n$ are the numbers shown in column headed Dx opposite Age x and Age $x+n$ respectively.

[NOTE.—All the provisos to Rule 2 under Section 157 apply equally in the case of Subsidiary Leave.]

65.* If an Officer eventually fails to obtain the medical certificate required by Section 78, Rule 10 or 13, he is entitled to Joining Time from the date on which the decision of the Medical Board or Officer is communicated to him, to enable him to return to his appointment. During this Joining Time, his allowances are regulated as if he was on Subsidiary Leave. Failure to obtain medical certificate.

66.* An Officer may take Furlough or Special Leave, partly in and partly out of India. But Subsidiary Leave is not admissible unless the Furlough or Special Leave begins or, as the case may be, ends, as Furlough or Special Leave out of India. Not admissible except with Furlough or Special Leave out of India.

Proviso: If an Officer going on Furlough or Special Leave out of India, is prevented by sickness or other urgent and adequate reason not within his own control, such, for example, as the postponement of the departure of the vessel in which his passage is engaged, from embarking within his Subsidiary Leave, the Local Exception

Military Officer subject to Military Rules.

3. A Military Officer subject to Military Rules is not entitled to Subsidiary Leave without the orders of the Government of India, or, as the case may be, the Government of Madras or Bombay, in the Military Department. If Subsidiary Leave is granted to such an Officer, it is calculated by the Rules in Sections 63—66, and his allowances during such Leave are regulated as if he were subject to Civil Rules.

Provisos—

i. If under the action of the Leave Rules, such an Officer have lost his lien on his appointment, he draws allowances under Military Rules during his Subsidiary Leave.

ii. His allowances on Subsidiary Leave must not be less than his allowances during the Furlough to which the Leave is subsidiary.

[*Note.*—The Subsistence Allowance of a Military Officer subject to Military Rules is that prescribed in Rule 1, under Section 59.]

Lien.

67. An Officer on Subsidiary Leave under Section 63 (*a*) (1) has or has not a lien on an appointment, according as he has or has not such lien on the first day of the leave to which it is subsidiary.

[NOTE.—A Military Officer subject to Military Rules does not lose his lien during Subsidiary Leave preparatory to Furlough.]

68. An Officer on Subsidiary Leave under Section 63 (*a*) (2) has or has not a lien on an appointment, according as he has or has not such lien on the day last preceding the Subsidiary Leave.

Allowances.

69. An Officer on Subsidiary Leave is entitled to allowances as follows:—

(*a*) If the leave be subsidiary to Special Leave, and the Officer have had leave subsidiary to a former Special Leave:—no allowance.

* Applies to a Military Officer subject to Military Rules.

† Applies to all Officers, including Military Officers subject to Military Rules.

1. The corresponding Leave under the Covenanted Civil Service Rules in force before the 1st July 1868 is Special Leave within the meaning of this Clause.

(*b*) If the leave be subsidiary to Ordinary Furlough, or Special Leave:—the allowance admissible under Section 56, but calculated, in the case of a Covenanted Civil Servant or a Military Officer subject to Civil Rules, without the limitations of Maximum or Minimum prescribed by Section 57. Without lien.

1.* An Officer may draw allowances as if he were on Privilege Leave, for any part of his Subsidiary Leave under Section 63 (*a*) (1), for which, if he were not retiring from the Service, or going on Furlough or Special Leave, Privilege Leave would be admissible to him. It is to be observed that an Officer who has no lien on an appointment cannot benefit by this Rule (*see Rule 3 under Section 75*). Privilege leave allowances.

PRIVILEGE LEAVE.

[The Rules in this Chapter apply to Military Officers subject to Military Rules.]

70. The amount of Privilege Leave admissible at one time is limited to three calendar months. Limit.

71. The amount of Privilege Leave earned by an Officer is one-eleventh part of the time during which he has been on duty without interruption: Provided that no Privilege Leave can be earned by an Officer by duty done while three months' such leave is due to him, and that, whenever duty is interrupted, all claim to Privilege Leave earned theretofore is forfeited. Amount earned.

* Applies to a Military Officer subject to Military Rules.

Absence on Privilege Leave, though not counting as duty, is not an interruption of duty within the meaning of this Section.

Process of calculation

1. The calculation must be made as follows:—One calendar month for every eleven complete calendar months of duty, and one day for every eleven days of the balance.

Subsidiary leave not reckoned as duty

2. Time spent on Subsidiary Leave does not qualify for Privilege Leave: but if an Officer, returning from leave, not before the expiration thereof, be, only for the convenience of the Local Government and not for any fault of his own, prevented from joining an appointment on which he has a lien, or be kept out of employ on Subsistence Allowance, then, duty qualifying for Privilege Leave begins on the day on which he presents himself to the Local Government ready for duty.

Beginning of qualifying service.

3. When an Officer is first appointed to the Public Service, duty qualifying for Privilege Leave does not begin until he takes charge of the office to which he is appointed.

Examination leave reckons as duty.

4. Examination Leave may, if the examination for which it is granted be successfully passed, or, unless the Officer has already had twelve months' Examination Leave, count as duty qualifying for Privilege Leave. Examination Leave does not interrupt duty within the meaning of this Section, unless, in the case of Leave granted under Clauses (*c*) and (*d*) of Rule 1 in Section 76, the Officer fails to pass the examination for which the Leave is granted.

Suspension does not reckon as duty.

5. Suspension from Office as a penalty for misconduct, is an interruption of duty within the meaning of Sections 71 and 73.

In what cases suspension is no interruption to duty.

6. The Suspension of an Officer from Office pending enquiry into his conduct interrupts his duty or not as the Local Government may in each case decide. Time passed under such Suspension does not qualify for Privilege Leave, unless, in any case, the Local Government expressly orders that it shall so qualify.

Absence after the end of leave interrupts duty

7. If an Officer remains absent after the end of Privilege Leave his duty is interrupted within the meaning of Sections 71 and 73. But if the Local Government considers that his default was due to circumstances beyond his control, it may remit the penalty.

Absence after examination leave or of joining time does not reckon as duty.

8. If an Officer remains absent after the end of Examination Leave, or of Joining Time, the period of absence cannot count as duty qualifying for Privilege Leave, and, unless the absence is accounted for to the satisfaction of the Local Government, it is an interruption of duty within the meaning of Sections 71 and 73.

Marine Officer.

9. An Officer, Warrant or Petty Officer, of Indian Government sea-going, inland or harbour vessels and hulks, is in case of sickness or injury, ordinarily treated on board his vessel, and is entitled to full pay for a period not exceeding six weeks. If sent to a hospital, such an officer is, unless the disease or injury is certified by a

responsible Medical Officer to have been caused by an offence* committed by him, entitled to full pay for a period of six weeks, inclusive of any time passed on board his ship sick quarters. Time thus spent in ship sick quarters or in hospital, or shore, up to a period of six weeks, is not an interruption of duty within the meaning of Sections 71 and 73. An Officer of the Marine Department who holds a shore appointment is not entitled to this concession.

Military officers.

10. In calculating the Privilege Leave of a Military Officer subject to Military Rules, no distinction should be made between an Officer who has a substantive Civil appointment and an Officer who is merely Officiating in the Civil Department. The leave is earned by uninterrupted duty in either the Civil or the Military Department. But such a Military Officer who has taken, in any calendar year, the Privilege Leave which is admissible to him for this year, under the Rules of the Military Department, does not begin to count service for Privilege Leave in the Civil Department until the first day of the following year.

Amount due.

72. The Privilege Leave due to an Officer is the Privilege Leave which he has earned, less the period during which he has been absent on Privilege Leave.

Uncovenanted Judicial and Educational Officers.

1. To Uncovenanted Judicial and Educational officers whose duties are not continuous, and who enjoy regular vacations, during which they are allowed to be absent from duty, Privilege Leave is not admissible, except in case of urgent necessity. When Privilege Leave is granted under this Rule, the officer taking it shall only receive half the salary and allowances ordinarily admissible during Privilege Leave.

[NOTE.—This Rule does not apply to the case of an Uncovenanted Judicial officer who is prevented in any year from availing himself of the vacation or vacations by reason of his having to remain at his post on duty. In such a case Privilege Leave may be granted under the ordinary Rules.]

District and Sessions Judges.

2. District and Sessions Judges who are prevented from availing themselves of the periodical court vacations by reason of having to hold sessions, or to hear criminal appeals, or to perform other official duties within the limits of their charges, during the vacations, may be allowed Privilege Leave under the ordinary Rules.

To District and Sessions Judges, who are permitted to avail themselves of the periodical court vacations, Privilege Leave shall only be admissible on the terms stated in Rule 1.

Accumulation allowed but not combination with vacation.

3. The Privilege Leave admissible under Rules 1 and 2 may be accumulated under the ordinary Rules; but it cannot in any case be combined with vacation.

Condition of grant.

73. To an Officer who has been on duty, without interruption, for eleven calendar months, and who has not, for six calendar months, been absent on Privilege

* Malingering, Wilful maiming, Wilful aggravating of disease or injury, Drunkenness.

Leave, the whole or any part of the Privilege Leave due to him, may be granted.

Declaration required

1. An Officer applying for Privilege Leave must record a declaration that he has no intention of retiring or of taking Furlough, Special Leave, Subsidiary Leave, Leave on Private Affairs, or Leave on Medical Certificate, for three months after his return to duty. Though not absolutely debarred by this declaration from applying for permission to retire or to take such leave within the three months, he should, if he does so, explain his change of mind.

Lien.

74. An Officer on Privilege Leave has a lien on his substantive appointment; he has also a lien on his officiating appointment, so long as it is not resumed by an Officer having a superior lien on it.

Allowances.

75. An Officer on Privilege Leave is entitled to a Leave Allowance equal to the salary which he would receive if he were on duty in the appointment on which he has a lien.

Holding an appointment sanctioned for a limited time

1. If Privilege Leave is granted to an Officer who holds an appointment sanctioned only for a limited time and for a special purpose, he is not entitled, during Privilege Leave, to any Special Allowance attached to the appointment.

Acting allowances.

2. An Officer on Privilege Leave is entitled to a Leave Allowance equal to his salary, even though another Officer be appointed to act for him.

Without an appointment

3. An Officer who has no lien on an appointment is entitled, during Privilege Leave

in the case of a Covenanted Civil Servant or a Military Officer subject to Civil Rules—to Subsistence Allowance;

in the case of an Uncovenanted Officer—to no allowance.

Leave taken on transfer.

4. If an Officer, on transfer from one appointment to another, obtains Privilege Leave without joining his new office, his Leave Allowance shall not be less than it would have been if he had joined his new office before taking leave.

House-rent in Bombay

5. In the Bombay Presidency, an Officer on Privilege Leave may draw the House-rent attached to his appointment, if he places his house at the disposal of the Officer, if any, who officiates for him. The Officiating Officer cannot, in such case, draw the House-rent attached to the appointment. But if the Officer, for a reason which the Local Government considers sufficient, refuses the accommodation placed at his disposal, the allowance is to be drawn by him and not by the Absentee.

Tentage in Madras and in the Revenue Survey Department, Bombay.

6. In the Bombay Presidency an Officer of the Revenue Survey Department, and, in the Madras Presidency, any Officer on Privilege Leave, may draw his Tentage on the conditions prescribed as to House-rent in the Bombay Presidency in Rule 5; but, in the

Madras Presidency, if an Officer already holding an office in a District is appointed to officiate for a Superior Officer in the same District absent on Privilege Leave, the Absentee may draw his tentage, the Officiating Officer in such a case continuing to draw the Tentage of his Grade.

Geological Survey.

7. An Assistant in the Geological Survey of India on Privilege Leave may draw the House-rent and Horse-allowance of his office, provided that they are not claimed by an Officer officiating for him during his absence.

Police Inspector, Madras.

8. A Police Inspector in Madras on Privilege Leave may draw any Horse-allowance to which he is entitled while on duty, provided that such allowance is not claimed by an Officer officiating for him during his absence.

Presidency house-rent or allowance.

9. An Officer may draw Presidency House-rent or Presidency Allowance on Privilege Leave, provided that no extra expense is thereby caused to the State.

Local allowance.

10. A Local Allowance may be drawn by an Officer on Privilege Leave, provided that it is not drawn by his *locum tenens*.

EXAMINATION LEAVE.

[The Rules in Section 76 do not apply to Officers employed in the Public Works Department, in the Survey Department under the Surveyor General of India, or in the Forest Department: the Rules in this Section apply to Military Officers subject to Military Rules serving in any other Civil Department.]

76. The following Rules regulate the grant of leave to enable Officers to appear at examinations :—

1. (*a*) A Covenanted Civil Servant or a Military Officer subject to Civil Rules, who is a candidate for a reward by the Higher Standard in Persian or Sanskrit, or by the High Proficiency Standard in the vernacular languages or Sanskrit, or by the Degree of Honor Standard in the vernacular languages or Sanskrit is entitled to Joining Time to and from the place of examination, besides leave for the day or days of examination.

(*d*) An Officer who is a candidate for the Degree of Honor in Arabic or Persian, may be allowed, instead of the leave for two months provided in Clause (*c*), leave for three months to Persia for Persian; and to Arabia, Mesopotamia, Egypt or Syria for Arabic.

Lien.

2. An Officer on Leave under Rule 1 has a lien on his appointment, substantive or officiating, and is entitled to Leave Allowances, as if he were on Privilege Leave for an aggregate maximum period of twelve months.

Covenanted Civil Servants not being Native Civil Servants, &c.

3. An officer while absent from his Office or from his Station to attend an obligatory Departmental Examination, or (in the Punjab) an examination in Pushtu or Biluchi, is considered to be on duty.

No preparatory leave.

4. Leave may not be given under Rule 3 to an Officer to prepare for examination, or for recreation after examination. A reasonable time, including the day or days of examination, should be allowed for the journey to and from the place of examination, and nothing more.

Military Officer.

5. Leave may not be granted under this Section to a Military Officer subject to Military Rules to enable him to pass an examination under the orders of the Government of India in the Military Department, No. 1009, dated 3rd December 1866.

EXTENSION AND COMMUTATION OF LEAVE.

Extension and commutation.

77.* Except as provided in Section 63, no kind of Leave can be granted in continuation of any other kind; but any Leave granted under the Rules in this Code may be retrospectively changed for any other kind or period† of leave which might at first have been granted:

Provided that the grant, or extension of Furlough, under this Rule (otherwise than on Medical Certificate), is subject to Proviso (3) under Section 49.

Whether any objection exists to extension or commutation.

1.‡ When granting Furlough or Special Leave out of India, a Local Government should always state if there is any objection to its being prolonged or commuted under the Rules, and the Accountant General should note any reservation of this kind upon the Absentee's Leave or Last-pay Certificate. When no such reservation is expressed by the Local Government, the Accountant General may always assume that none is intended. In the absence of such reservation, the Secretary of State will exercise jurisdiction under this Section in the case of an Officer on Leave in Europe, without reference to the authorities in India: Provided always that an Officer on Furlough or Special Leave in Europe, who wishes to have his leave extended, must apply to the Secretary of State at

* In 1871 two Officers were allowed to take Special Leave of Absence under Section 60, in continuation of Privilege Leave under Sections 70-73 The concessions were made, in each case, on public grounds only, the Officers having undertaken to perform certain important public duties in England. The Secretary of State, however, wrote upon the second case:

"In permitting C. D. to take Privilege Leave and Special Leave together, you have followed the course adopted in A B.'s case.

"Grants of leave in direct opposition to the Furlough Rules cause inconvenience and create embarrassing precedents, and I request that no similar concession may be granted in future"—(*Financial Despatch No. 65, dated 15th February 1872.*)

Section 77, Rule 1.

Substitute the following for the Rule :—

1. ‡An officer absent on furlough or special leave out of India, who wishes to have his leave extended or commuted, must apply to the Secretary of State and produce with his application evidence that the Local Government, or if he is an officer serving under the direct orders of the Government of India, that the Head of his Department, had been referred to by him, and that the Local Government or the Head of his Department, as the case may be, had no objection to the extension or commutation desired. This Rule will be strictly enforced, and officers returning to India, at times other than those fixed for them by their own Government or the Head of their Department as the case may be, must understand that they are liable to be kept on subsistence allowance until a suitable vacancy occurs to which to post them. The Secretary of State, however, reserves to himself the power of granting extension or commutation of leave to an officer, in any case in which it appears to him that sufficient ground has been shown for the application being made, without the previous approval of the Local Government or the head of the Department, as the case may be; but in the event of it being found necessary by the Secretary of State, to communicate with the Government of India or the Government of Madras or Bombay by telegraph in regard to any such application, the cost of the telegrams to and from India, will be charged to the applicant.

Combination of Examination and Privilege Leave.

3.* Examination Leave may be prefixed to Privilege Leave; and Privilege Leave may be (1) prefixed to the three months' Examination Leave admissible under Clause (*d*), Rule 1, Section 76, on condition that it is spent in one of the appropriate countries mentioned in that Clause; and (2) affixed to the one month's Examination Leave which may be prefixed to the Examination Leave under Clause (*b*) of that Rule; otherwise it may not be combined with any other Leave granted under that Section. Except as herein provided, no kind of Leave, except Furlough on Medical Certificate, may be granted in continuation of Examination Leave.

Privilege Leave if changed to Furlough out of India.

4.* When Privilege Leave is, on Medical Certificate, retrospectively changed for Furlough out of India, so much of the Leave passed before the departure of the vessel in which the Officer sails may be treated as Subsidiary Leave, under Section 63 (*a*) (1), as might have been granted as Subsidiary Leave if the Officer had originally obtained Furlough and not Privilege leave, notwithstanding that a portion of such retrospective Furlough has been passed in India.

II.—If a Chaplain applying for Furlough or Special Leave belong to the Madras or Bombay Ecclesiastical Establishment, the Local Government under which he is serving will, if the Furlough or Leave be granted, inform the Government of Madras or Bombay, as the case may be.

III.—The Bishop of the Diocese is empowered to grant Privilege Leave to Chaplains under Section 121, subject to the public exigencies, of which the Bishop shall be the judge. But the grant, cancelment, or extension of such leave should be reported to the Local Government concerned.

IV.—All applications for Leave or Furlough should be accompanied by a certificate from the Local Accountant General, showing that the applicant is entitled to the leave asked for, and should, as a general rule, be forwarded, in the first instance, through the proper channel to the Bishop of the Diocese, who will transmit applications for Furlough or Special Leave, with His Lordship's remarks, to the Local Government concerned, and will himself dispose of applications for Privilege Leave. V.—Except under orders of the Secretary of State, the term of Furlough or Special Leave cannot be altered without the permission of the Government by which it may have been granted.

The following Rules regulate the granting of Leave to Chaplains of the Church of Scotland, and the Department from which their pay should be drawn :—

I.—It is only on rare occasions that a Chaplain is specially attached to a particular Regiment, although, usually, he is moved with the Regiment, and is appointed Chaplain of the Station where the Regiment is quartered. When so appointed, he draws pay from the Civil Department. On the other hand, when attached to a Regiment, his pay becomes a charge upon the Military Department, and should be drawn thence.

II.—Leave of Absence, however, whether the Chaplain is attached to a Regiment or not, should be granted by the Local Government, and notified in the Local Gazette. When the Chaplain is attached to a Regiment, the application for leave will be forwarded through the Commanding Officer. Local Government and by the Government of India concurrently, and be notified in the Local Gazette and in the *Gazette of India*.

III.—A record of each Chaplain's services shall be kept in the Office of the Comptroller General for Chaplains in the Bengal Presidency, and in the Office of the Local Accountants General for those in Bombay and Madras. When a Chaplain is attached specially to a Regiment, and when he is relieved from that charge, the Account Officer concerned should be informed by the Military Department.

The Director General of the Post Office may grant full pay for three months to a Postman, Mail Carrier or Mail Coachman under exceptional circumstances, as, for example, if he is wounded by robbers or a wild animal.

(2.) A Police Officer enrolled under any Act of the Legislature, or belonging to the Trans-Indus or Port Blair Police Force whose pay does not exceed Rs. 20, or an Officer of the Inland Customs Department whose pay does not exceed Rs. 20, may, while sick in hospital or while receiving medical aid as an out-door patient at the Station or Head-quarters of the District in which he serves, be allowed, at the discretion of the Authority granting the Leave, and in addition to any Leave admissible to him under the Rules in this Chapter, Leave of Absence from duty for six months altogether in any period of three years, whether such Leave be taken in one period or by instalments. 1. Only one day is allowed for joining an appointment which does not, necessarily, involve a change of residence. Period admissible.

[NOTE.—See Proviso VI to Rule 2.]

2. Otherwise, Joining Time is calculated as follows, excluding Sundays not actually spent in travelling :—

Six days for preparation ; and, in addition thereto,—

for the portion of the journey which the Officer travels or might travel—	a day for each		
By Railway	200 miles.		
By Ocean Steamer	150	„	or any longer time actually occupied in the journey.
By River Steamer	80	„	
By Mail Cart or other public stage conveyance drawn by horses . .	80		
In any other way	15	„	

[NOTE.—An extra day is allowed for any *fraction* of distance over that prescribed. *But see Rule 15 in the case of Ministerial officers on salaries not exceeding Rs. 100 a month.*]

Provisos—

i.—The maximum Joining Time is thirty days: the following provisos are all subject to this maximum.

[NOTE.—If the Local Government is satisfied that an Officer has, through no fault of his own, been unable to avail himself of the usual mode of travelling, it may extend even the Maximum Joining Time of thirty days. But in that case it should report its proceedings to the Government of India in the Finance Department, with a full statement of the circumstances of the case.]

ii.—When part of the journey is by steamer, the days intervening between the Officer being set free from his

office, or, if he has no office, receiving his orders, and the departure of the steamer, or his start duly regulated to catch the steamer, shall be added to the time calculated under this Rule.

iii.—By whatever route the Officer travels, his Joining Time shall, unless the Local Government specially permit otherwise, be calculated by the route which travellers habitually use.

[NOTE.—But see Rule 15 for Ministerial officers on salaries not exceeding Rs. 100 a month.]

iv.—If the Officer satisfies his new Departmental Superior that, notwithstanding due diligence on his part, the journey has occupied altogether more time than is allowed by the Rules, the time actually occupied may be allowed.

v.—On being satisfied that the Rules have, in any particular case, operated hardly, as, for example, if an Officer has, through no default on his part, missed a steamer, or fallen sick on the journey, the Local Government may allow concessions in excess of what is admissible by the Rules, on such conditions as to allowances or otherwise as it may think fit. Such concessions must not be made as a mere indulgence or otherwise than because the Rules do not appear to provide reasonably and equitably for the case.

vi.—The Local Government may extend the Joining Time admissible by Rule if it considers such extension necessary for the public convenience, or for the saving of public expense, as, for example, to prevent unnecessary and merely formal transfers.

[NOTE.—This Proviso applies also to Rule 1.]

vii.—The Accountant General, as defined in Section 127, Rule 2, Civil Pension Code, shall bring to the notice of the Local Government any concession made under Proviso iv which seems to him improper or unreasonable, and shall move the Local Government to report to the Government of India any concession made under Proviso v, or extension made under Proviso vi, which appears to him contrary to the spirit of those Provisos. The Local Government may not, in either case, finally overrule the Accountant General without a reference to the Governor General in Council.

[NOTE.—Upon the application of the Local Government, the Government of India will sanction any necessary relaxation or modification of these Rules in exceptional localities, where their general application would operate harshly.]

3. The Joining Time of an Officer, whose appointment is changed while he is in transit from one appointment to another, begins on the day following that on which he receives his orders. Change of appointment during transit.

4. When an Officer, after giving over charge of his office at one Station, on transfer or reversion to another office, takes Privilege or Examination Leave before joining the office to which he has been transferred, or to which he has reverted; or when an Officer, while on Privilege or Examination Leave, is transferred to a Station other than that from which he took leave, he is entitled to Joining Time in addition to his Privilege or Examination Leave. The Joining Time of an Officer transferred during Privilege or Examination Leave will be counted from his old Station, or from the place where he receives the order of transfer, whichever calculation would entitle him to the less Joining Time. When leave intervenes.

5. Unless, for special recorded reasons, the Authority under whose orders the transfer takes place, permits or requires it to be made in any particular case, elsewhere or otherwise, the charge of an office must be made over at its Head-quarters, both the Relieving and the Relieved Officers being present. Furlough taken during transit.

10. When, under Rule 4, an Officer combines Privilege or Examination Leave and Joining Time, his Allowances during Joining Time, that is to say, for the period, not exceeding the Joining Time admissible by Rule, in excess of his Privilege or Examination Leave, during which he is absent from duty, must be calculated at the rate at which his Joining Time Allowance would have been calculated if he had joined the office to which he is transferred directly.

Uncovenanted officer without appointment.

12. An Uncovenanted Officer, who has no substantive appointment, is not entitled to any allowance during Joining Time; but if such an Officer, officiating in an office, is transferred to another office under the same Local Government, the Local Government may allow him to draw, during his transit, the allowance to which he would be entitled under Rule 10.

Ministerial officers.

13. The Rules in this Chapter apply to a Ministerial Officer who, with the consent of the Head of his Office, or under the orders of competent Authority, is transferred to service in another office on grounds of public convenience only, and not at his own request, for his own advantage, or in consequence of any fault on his part.

Cessation of allowances.

14. An Officer who does not join his new appointment within his Joining Time is entitled to no allowances after the end of his Joining Time, and after a week ceases to have a lien on any appointment. But if the Local Government considers that his default was due to circumstances beyond his control, it may exempt him from the loss of his appointment.

Personal appearance or Life Certificate

6.* If a Gazetted Officer signs his bill himself, he must either appear in person at the place of payment, or furnish a Life Certificate signed by a responsible Officer of Government, or some other well known and trustworthy person. If he draws his allowances through an authorised Agent, the Agent, whether he has or has not a Power-of-Attorney, must either furnish a Life Certificate as aforesaid, or execute a bond to refund over-payments. A Life Certificate may be given periodically, a bond being given to cover intermediate payments not supported by the Life Certificate.

Stamp duty.

7.* The proper stamp duty upon bonds executed under this Rule is that chargeable upon Indemnity Bonds according to the First Schedule of the Indian Stamp Act, I of 1879.

Ministerial Officer

8.* A Ministerial Officer on leave in India can draw his Leave Allowances only at the treasury where his salary is paid, and under the signature of the Head of his Office, who is responsible for any over-charges: no other security is required.

* Does not apply to Officers in the Public Works Department. There are special Departmental Rules for these Officers.—(*See Appendix B.*)

(*b*) If payment be taken at the Home Treasury it is made quarterly, and rupees are converted into sterling at the rate of exchange fixed, for the time being, for the adjustment of financial transactions between the Imperial and the Indian Treasuries. Unless otherwise arranged, this rate of exchange is also applied in the payment of leave allowances in a Colony. If any payments are made at a different rate, or, otherwise, erroneously, they should be adjusted in subsequent payments. Exchange with England.

Exception.—The Absentee Allowance of a Military Officer on Furlough out of India and drawn in England, who elected the Military Furlough Rules of 1868 before the 1st July 1871, is paid at the rate of two shillings the Government rupee.

1. Payment is made from the Home Treasury as follows:— At Home Treasury.

On fixed Quarter Days (namely, March 25th, June 24th, September 29th, December 24th), a form is supplied on application to the India Office, containing,

(1)—a Life Certificate to be filled up in the manner directed on its face:

(2)—a Cheque for the amount due (which is specified) for the Officer to fill up, and which may be cashed through any Banker.

2. If, in any covenant or contract, dated before the 23rd day of November 1871, with any officer for service in India, it is provided that, in payments to be made under, or in pursuance of, the contract, a pound sterling shall be considered an equivalent or equal to, and calculated after the rate of, ten rupees, any leave allowance which the officer is, under his covenant or contract, entitled to receive in England, shall be converted into sterling at that rate. But if, in such contract, no provision is made for the payment of any allowances during leave, the aforesaid rate of exchange will not apply to any leave allowances. Rate of exchange in the case of an officer under covenant or contract.

3.* If an officer receives an advance of pay in England to enable him to return to duty in India, the advance will be recovered at Recovery of advances.

* The following Rules regulate the grant of advances to officers on arrival in India on first appointment to the service of the Government in India and to officers returning from leave or special duty out of India:

I.—An advance of pay for the month in which the officer arrives in India and for the ensuing month, up to a maximum of Rs. 1,000, may be made to any public officer in the Civil Department, on arrival in India on first appointment, or, on return from leave or special duty out of India.

II.—The advance may be drawn under the orders of the Accountant General from any treasury in India to be specified in such orders.

III.—Such advances, as well as similar advances issued by the Home Government, are to be recovered by monthly instalments of one-third of salary.

the rate, or rates, of exchange fixed for the adjustment of financial transactions between the Imperial and Indian Governments for the year in which the advance was made. This Rule will also apply when an advance is made in England to a person appointed there, proceeding to India to join his appointment.

CHAPTER XV.

LAST-PAY CERTIFICATE AND WARRANT.

[NOTE.—This Chapter does not apply to officers employed in the Public Works Department.]

159. No officer (unless he has been newly appointed to the service of Government) can begin to draw any pay or allowances at any treasury in India, or at the Home Treasury of the Government of India, without producing a Last-pay Certificate from the treasury where his pay or allowances were last disbursed, or from the Accountant General within whose jurisdiction this treasury is.

Not required in certain cases.

Exception.—A Salary or Establishment Bill on account of an officer of whatever rank required to accompany the Head-quarters of the Government of India to Calcutta or Simla, signed or countersigned by a gazetted officer, is exempted from the operation of this Section.

Military officer subject to Military Rules.

1. A Military officer subject to Military Rules, proceeding on furlough, cannot obtain a Last-pay Certificate or a Warrant, as the case may be, until he submits to the Accountant General a Certificate in Form A, B, or C, as the case may be, contained in Appendix D;—in the case of an officer of the Bengal Army, by the Secretary to the Government of India in the Military Department, and in the case of an officer of the Madras or Bombay Army, by the Adjutant General of the Army to which he belongs.

160. The following rules are prescribed for the issue of Last-pay Certificates to officers who proceed on leave out of India, other than on Privilege Leave, and are entitled to allowances during the leave :—

1. The Accountant General who audits the pay of the officer will, as soon as the leave is gazetted or otherwise notified to him, send to the officer a letter in Form A, with enclosure in Form B, in Appendix A, requiring him to call at his office or give the necessary information.

2. If the officer calls at the Accountant General's Office, the Accountant General will pay him up to the day before he leaves India. The Accountant General will also—

(a) if the officer proceeds to Europe and intends to draw leave allowances at the Home Treasury of the Government of India, give him a completed* Last-pay Certificate in Form C, Appendix A.:

(b) if the officer proceeds to a Colony and intends to draw leave allowances there, a Last-pay Certificate in Form D, Appendix A.

3. If the officer is unable to call at the Accountant General's Office, the Accountant General will prepare a Bill for the officer's allowances from the end of the month preceding that of his making overcharge, to the day before he sails, and will (if the officer intends to draw Leave Allowances at the Home Treasury of the Government of India or in a Colony) forward it with the certificate in Form C or D, as the case may be, to the Treasury Officer, for delivery to the officer according to the instructions in Form E.

4. With every such Last-pay Certificate a blank Form F will be given, on which the officer proceeding on leave is to report to the Accountant General, from the first port at which the vessel touches, the day of his departure from India. When the Accountant General delivers or receives from the Treasury Officer, report (Form G, Appendix A) that he has delivered a Last-pay Certificate to the officer concerned, he will, if he is not the Accountant General at Bombay or Madras, and the certificate is in Form C, forward a duplicate of the certificate to the Comptroller General, for transmission to the India Office in London. In the case of Bombay or Madras, the Accountant General himself will forward a duplicate to the India Office.

5. An officer proceeding to Europe should present his Last-pay Certificate at the India Office in London. When he returns to India, he should obtain a Last-pay Certificate from the India Office.

6. If it becomes necessary to amend a Last-pay Certificate in Form C, Appendix A, the amended certificate should not be forwarded to the officer, but to the Local Government, for transmission to the Secretary of State, with appropriate explanations, direct or through the usual channel.

[NOTE.—The Last-pay Certificate is issued on the assumption of the correctness of the intended dates of making over charge and of leaving India. If these dates are changed, the required adjustment of allowances will be made when the officer returns to India, or, if necessary, sooner. No alteration may be made in the Certificate as issued by the Accountant General unless there is time to send it to him for alteration.]

7. A Last-pay Certificate in Form C, Appendix A,—the 11th, 13th and 14th columns, and the notes below it, being omitted,—is

* "Complete," that is, as regards the pilot's certificate, which is required in the case of officers embarking at Calcutta, and which the officer himself is responsible for producing.

required in the case of an officer proceeding on leave out of India whose leave allowances payable in India are required to be paid in a circle of account other than that under which the officer's appointment is held. If change of treasury is at any subsequent time desired, a new Last-pay Certificate in the same form must be issued by the Accountant General who last paid the allowances.

8. An officer proceeding to a Colony should submit his Last-pay Certificate

(*a*) if he embarks at any port not in the Madras or Bombay Presidency .	To the Comptroller General at Calcutta.
(*b*) if he embarks at any port in the Madras or Bombay Presidency ...	To the Accountant General at Madras or Bombay, as the case may be.

The Comptroller General or the Accountant General at Madras or Bombay, as the case may be, will retain the Last-pay Certificate, and, in lieu thereof, issue a Warrant in Form H, Appendix A, upon the Colonial Authority concerned.

9. Every Warrant shall be issued in duplicate. The original, bearing the payee's signature, should be forwarded to the Colonial Authority concerned, and the duplicate should be made over to the payee. Each payment should be endorsed on the back of both the original and the duplicate Warrant. When no space for such entries remains, or when a Warrant is lost or destroyed, a fresh Warrant shall be issued by the officer who issued the original Warrant, on application being made through the Colonial disbursing officer.

10. Upon his return to India, an officer should deliver up his duplicate Warrant, which will serve the purpose of a Last-pay Certificate.

11. In case an Absentee desires transfer of payment of his Leave Allowance from one Colony to another, the Government of India will recognise the proceedings of the Colonial Authorities sanctioning such transfer, which should, however, be reported separately by the Absentee to the Government of India and to the Under-Secretary of State for India.

12. The Accountants General, Madras and Bombay, will forward to the Comptroller General a Statement prepared for each of the quarters ending on the 31st March, 30th June, 30th September, and 31st December, showing the Warrants for Leave Allowances issued during the quarter. These Quarterly Statements, together with similar statement of Warrants issued by the Comptroller General himself, will be forwarded by the Comptroller General to the India Office. If any Leave Allowance is chargeable, either wholly or in part, to other than Indian Revenues, the

proportion chargeable to each separate source should be shewn in these Quarterly Statements.

13. Payments made in those Colonies which exchange Accounts Current with the Government of India will be adjusted through those Accounts Current. Payments made in other Colonies will be adjusted in the Accounts of the Home Treasury of the Government of India.

161. The following Rules are prescribed for the issue of Last-pay Certificates to officers who—

Case I—proceed on leave from one place in India to another.

Case II—proceed on duty from one Province or Circle of Account to another.

Case III—proceed on duty from one place to another in the same Province or Circle of Account.

CASE I.

Proceeding on leave to another place in India.

The officer should obtain a Certificate in Form C, Appendix A, from the Accountant General of his Presidency or Province.

1. An officer on leave, who does not leave his district, does not require a Last-pay Certificate: nor does an officer who leaves his district on leave in India without allowances.

2. If during leave the officer desires to change the Treasury at which he receives payment of his allowances, he must obtain a new Last-pay Certificate; and, when he returns from leave, to duty, he must bring with him a Last-pay Certificate.

CASE II.

Proceeding on duty to another Province.

The officer should obtain a Certificate in Form I, Appendix A. If he be employed at the Station of the Accountant General of his Presidency or Province, the Certificate should be given by that officer. If he have to pass through that Station on his way to his new Presidency or Province, the Certificate should be given by the officer in charge of the Treasury from which he last drew pay, and countersigned by the Accountant General. If he be not employed at, and have not to pass through, the Accountant General's Station, the Certificate should be given by the officer in charge of the Treasury from which he last drew pay, and a duplicate of it should be forwarded by the Treasury Officer to the Accountant General, for countersignature and transmission to the Accountant General of the transferred officer's new Presidency or Province.

CASE III.

To another place in the same Province.

The officer should obtain a Last-pay Certificate in Form I, Appendix A, from the officer in charge of the Treasury from which he last drew pay.

CHAPTER XVI.

RETURN TO DUTY.

[This Chapter does not apply to Military Officers subject to Military Rules, except in respect to Leave of Absence granted in the Civil Department.]

Overstaying leave.

162. An Officer who remains absent after the end of his Leave is entitled to no allowance for the

period of such absence, and ceases to have a lien on any appointment,

if his leave was Furlough,—immediately; and
if it was Special or Privilege Leave,—after a week.

Permission to return to duty.

1. An Officer on Furlough or Special Leave in Europe may not return to India without obtaining the permission of the Secretary of State. He must apply for this permission at least three months before the end of his Leave. An Officer whose furlough was granted or has been extended on medical certificate is required to produce a certificate of fitness before he can be permitted to return to duty. Ordinarily, he must obtain this certificate from the Medical Board of the India Office; but, in special cases, particularly if the Officer be residing at a distance of more than sixty miles from London, the Secretary of State will, at his discretion, accept a certificate from two medical practitioners in lieu thereof.

Compulsory retirement in England

2. If a Local Government considers it inexpedient that an Officer should return from Furlough or Special Leave in Europe to duty in India, it should furnish a complete statement of the circumstances to the Secretary of State (in the case of the Government of Madras or Bombay, direct, or otherwise, through the Government of India), if possible, when the Furlough or Special Leave is granted, but, in any case, in time to enable the Secretary of State to take any measures that may seem to him necessary before the Officer would, in ordinary course, be permitted to return to duty. The report to the Secretary of State should reach the India Office, at latest, three months before the end of the Officer's Leave.

Notice of compulsory retirement

3. If a Local Government decides, before an Officer whom it has the power to remove from the Service leaves India, that he shall not be permitted to return to duty in India, it should give notice to him before he leaves India, so that any remonstrance which he may wish to make, may be considered on the spot by an Authority fully cognisant of the facts of the case. Such notice should not be postponed until after the Officer's departure and then communicated to him through the Secretary of State.

Notice of removal for ill health

4. If the question to be determined is the propriety of removing an Officer for incapacity, whether mental or physical, which is of such a nature that it is not possible to say, before his departure, whether it will be permanent or temporary, the Local Government should report the circumstances fully (in the case of the Government of Madras or Bombay, direct, otherwise through the Government of India) to the Secretary of State for India, in time to enable him to take any necessary measures before the Officer would, in ordinary course, be permitted to return to duty. A communi-

cation of this nature should not be made direct to the Officer concerned, but only to the Secretary of State.

[NOTE —These Rules (2 to 4) must not be understood to authorise the grant of Furlough to an Officer who ought to be dismissed or removed from the Service for misconduct or general incapacity.]

5. In the same way the abolition of the appointment of an Officer absent on leave out of India should be communicated to the Secretary of State as long as possible before the Officer would, in ordinary course, be permitted to return to duty. Abolition of appointment during leave out of India

6. A Gazetted Officer must report his return to duty to the Local Government under which he is employed. A Bengal Covenanted Civil Servant employed directly under the Government of India, returning from Furlough or Special Leave, must also report his return to the Government of India in the Home Department. Report of return

7. An Officer may not, without the permission of the Authority which granted him Leave, return to duty more than fourteen days before the end of Furlough or Special Leave. Return to duty more than 14 days before the end of Furlough.

[NOTE —This Rule applies to a Military Officer subject to Military Rules, but he must obtain permission to return to duty from the Local Government.]

~~8. An Officer permitted to return to duty before the end of his Leave should have the unused part of his Leave formally cancelled by the Authority which granted it, but this is not necessary, if his return to duty is separately notified in the Gazette.~~ Cancellation of unused leave

9. If the Local Government is satisfied that the default of an Officer is due to circumstances beyond his control, it may exempt him from loss of appointment under this Section, but not from loss of allowances during the period of his Absence Without Leave. The Local Government may authorise the payment to an Uncovenanted Officer of as much as it thinks fit of any allowances during Subsidiary Leave under Section 63 (*a*) (2) to which he would have been entitled if he had not remained absent after the end of his Furlough or Special Leave. Exemption from loss of appointment, and grant of allowance during Subsidiary Leave after absence without leave

10. So long as an Officer retains a lien under this Section, or if he is exempted under Rule 9 from loss of appointment, absence after the end of his Leave, though not counting as Continuous Service, does not operate as an interruption of Continuous Service or Continuous Active Service. Absence after end of leave is no interruption of Continuous Service in certain cases

11. If the appointment of an Officer is changed during Furlough or Special Leave in India, he must join his new appointment within his Leave. But the Local Government may allow him Joining Time, if he have not had sufficient notice of the change. Change of appointment during Furlough in India.

12. An Officer begins to draw Pay and Acting Allowance from the day on which he assumes the Office (substantive or officiating) to which he may have been appointed, or on which he may have a Salary from date of assumption of office

lien. But if his Leave or Joining Time end on a Sunday or Authorised Holiday, and he take charge before noon on the first working day after such Sunday or Holiday, his assumption of office and the re-arrangement of appointments and allowances (if any), consequent thereon, shall be held to have taken place on the day after that on which his Leave ended: Provided that such re-arrangement (if any) does not involve the transfer of any Officer to another Station, the formal appointment of any Officer to a new office, or the loss of his office by an Officer appointed temporarily to the Public Service. But if the Local Government considers that the strict application of this proviso would be inequitable, or if there is any doubt as to its application, the Local Government shall decide which Officer shall be held to have been in charge, and to which the salary of the office for the Sunday or Holiday shall be paid.

Officer of Pilot or Light Vessel.

13. An Officer or Seaman serving on a Pilot or Light Vessel attached to the Port of Calcutta is considered to have returned to duty on the day on which he reports himself to the Port Officer.

Charge of office after noon

14. If charge of an office is transferred after noon, the transfer does not affect allowances till the next day.

(2.) The deductions to which the allowances of a Covenanted Civil Servant are subject while he is on leave on account of his annuity should invariably be stated in his Last-pay Certificate.—(*See Section 24 of the Civil Pension Code.*)

(3.) In forms C and D, the Presidency to which an Officer belongs should be stated in the title, and the Presidency or Province in which he is employed should be stated under the first heading.

(4.) In column 11 in Forms C and D, the Section of Chapter IX of the Civil Leave Code, or of the Military Furlough Regulations under which the advance is made, should be mentioned.

(5.) In form C it must be shown whether an Officer is entitled to the full amount of furlough permitted by the Rules.

(6.) In the heading "Sources from which, &c.," the term "Indian Revenues" should be used in all Certificates intended to be sent to England, as the term "Imperial Revenues" has there a different signification. If the allowance is not chargeable finally to the Government of India, the Local Administration or Fund from which it is recoverable must be expressly stated.

(7.) A copy of Section 162, Rule 6, and Section 78, Rule 19, should be given to an Officer going on Leave, and a copy of the proviso in Section 77, Rule 1 (omitting the first three words), and Section 162, Rule 1, to an Officer going on Leave to Europe. A copy of Section 162, Rule 7, should also be given to an Officer proceeding on Furlough or Special Leave.

(8.) The service and residence of a Chaplain proceeding on Leave to Europe should be entered in a foot-note on his Last-pay Certificate.

(9.) The date on which any officer will, during the currency of leave, complete the term of service, or attain the age after which, by any Rule, he is required to retire from the service, should be shown.

(10.) The Certificates of Officers proceeding on leave to Europe shall be prepared—

1st, for Officers in the employ of the Military Department—in Black Ink;

2nd, for officers in the employ of the Public Works Department—in Blue Ink;

3rd, for Officers in the employ of the Civil Department—in Red Ink;—

and it should be distinctly stated in the Certificates whether the Absentee Allowance is chargeable to the Civil, the Military, or the Public Works Department.

[NOTE.—The object of the use of ink of different colours is to enable the Home Authorities to ascertain at once the Department to which the Absentee Allowance of an Officer is to be charged.]

(11.) Whenever a corrected Last-pay Certificate, whether original or duplicate, is furnished, it should invariably be marked "Amended Certificate."

Appendix A.—Forms A & B.

(12.) No entries in regard to arrears of Indian pay and allowances due to an Officer proceeding on leave or on retirement to Europe should be made in his Last-pay Certificate. Such allowances are not paid at the Home Treasury of the Government of India.

(13.) The Secretary of State does not recover subscriptions for the Civil Funds. The Last-pay Certificate should therefore contain no reference to such subscriptions.

I.—The allowances of an Officer or Subordinate of the Public Works Department who is absent on Leave in India, and who is entitled to draw allowances during such absence, should be included monthly, as they become due, in the salary bill of the Division or Office to which he is attached, and submitted for audit to the Examiner. The allowances, if admissible, should be audited by the latter Officer provisionally, subject to receiving an assurance that the Officer is alive.

II.—If the Absentee is attached to a Division, the Executive Engineer of this Division, on receipt of the audited bill, should either remit the amount by a Remittance Transfer Receipt, on receipt of a Life certificate, or request the Executive Engineer at the Station at or nearest which the Absentee resides during his Leave, to pay the allowances to the Absentee on his appearing in person to receive payment, or on his furnishing a Life Certificate by a Covenanted Civil Servant, a Magistrate, a Notary, a Banker, a Military Officer, a Chaplain, an Officer of the Engineer Establishment of the Public Works Department, or any other Officer of the Department holding an analogous position. If the amount exceeds Rs. 500, and has to be paid in another Province or

MILITARY FURLOUGH RULES OF 1868.

GENERAL ORDER, MILITARY DEPARTMENT, No. 171 OF 1874, DATED THE 25TH FEBRUARY.

The Furlough Rules of 1868, as revised by various subsequent decisions, are re-published for general information; and, in future, this General Order shall ordinarily be referred to in any matter depending on those Rules. The Rules previously in force will be designated, as heretofore, the Furlough Rules of 1796 and 1854.

The following G. G. O.'s are cancelled prospectively from the 1st January 1875:—

G. G. O. No. 630 of 1869 (1st clause).
G. G. O. No. 627 of 1870.
G. G. O. No. 613 of 1871.

* NOTE.—The advantages granted by the Furlough Rules of 1854 to Officers who obtain Furlough on Medical Certificate are not applicable to any Officers of the British Service whose Regiments, Battalions, Brigades, or Batteries arrived in India after the date of the Passage Warrant of 1865, and neither those Rules nor the Furlough Rules of 1868 are, *as respects Furlough on Private Affairs*, applicable to British Officers serving with their Regiments or employed with a five years' tenure in staff situations (see paragraph 4)

But Officers of the late Indian Army who hold permanent appointments under the Government of India, and who have elected to abide by the Furlough Rules of 1854, in preference to those of 1868, of course retain their election.

Rules apply to officers of Staff Corps and Indian Army

2. These Rules are applicable to all Officers who on the 1st July 1868 belonged to the several Indian Staff Corps, or to the Indian Army, and who have elected, or may elect to adopt them: Officers of the British Army who entered the Staff Corps after that date are of course subject to them.

* Added by G G O. No. 585, dated 5th June 1874, paragraph 1.

Appendix C 1.—Military Furlough Rules of 1868.

In regard to the periods of Leave of Absence during which appointments may be held, and in regard to the increased allowances, they are also applicable to Officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature, and to such Officers of the Engineers of the Imperial Establishment as may be permanently employed on the staff in India.

Also to officers of R. A. and R. E., late of Indian Army, when holding permanent non-regimental appointments.

But should an Officer of the British Service, holding such permanent staff appointment, be allowed to proceed on leave under circumstances which, by those Rules, would involve loss of appointment, he cannot take leave under them, but simply as a British Officer holding no appointment.

3. These Rules are not applicable to Officers on the Invalid or Invalid Pension Establishment, even if, previous to their transfer, they should have elected them, being intended solely for Officers on the Effective List.

Do not apply to Invalid Officers

4. They are not applicable to Regimental Officers generally of the British Service, whether formerly belonging to the Indian Army and now in the Royal Artillery, Royal Engineers, and new Line Regiments, or on the old Line Establishment: nor are they applicable to officers of the British Army holding staff appointments the tenure of which is limited to five years, except in the sense in which the Rules of 1854 were made applicable, *viz.*, as regulating the amount of Absentee Allowance to be granted to such Officers holding staff appointments when they are absent on Furlough on Medical Certificate.

Nor to Regimental Officers of the British Service, even though formerly of Indian Army.

Only partially to officers of the British Service holding 5 year appointments.

Officers of the British Medical Staff are not entitled to this advantage.

Do not apply to officers of the British Medical Staff

5. They are applicable to Officers of the Royal Engineers on the Imperial Establishment, who are employed in the Public Works Department, or who are receiving a staff salary as on the fixed establishment of the Sappers and Miners; these will count service towards Furlough from the date of their arrival in India.

Apply to R. E. Officers of the Imperial list holding permanent non-regimental staff appointments.

* These Officers therefore, and other Royal Engineer Officers of the Imperial list on permanent staff employ under the Government, will be entitled to a Furlough of two years after eight years' service in India, or at the expiration of one year from the date of their return (for a second tour of service in India) on the completion of the prescribed home service after the first period of seven years' service in India.

Such Officers† will be allowed an advance of passage money, or free passage in a Troop-ship if proceeding in the trooping season; the advance to be refunded on receipt of the balance of Furlough Pay. The English rate of pay of their rank only will be passed to them during their leave; but at its conclusion, on their presenting an order for them to return to India, the difference between that rate and Furlough pay, less the Passage money they have received, will be paid to them in England, conditionally on its refund if the order to return to India is not carried out.

Pay allowed them during furlough

‡ Those Royal Engineer Officers who arrived in India before the 1st July 1872, are, however, not subject to the provisions of the preceding clause as long as they do not exchange Indian for Home service, but draw Furlough Pay during Furlough as others.

* Original rule modified by G G O No. 585, dated 5th June 1874, paragraph 2.
† Added by G G. O No 585, dated 5th June 1874, paragraph 3.
‡ Original rule modified by G. G. O. No. 585, dated 5th June 1874, paragraph 2

Appendix C 1—Military Furlough Rules of 1868.

Rules apply to R. E. Officers of the Imperial list on the *fixed staff Establishments* of Sappers and Miners.

Royal Engineer Officers on the Imperial Establishment, who are merely doing duty with, or attached to, the Sappers and Miners, but not on the fixed establishment and drawing staff salary, will, in regard to these Rules, be on the footing of Regimental Officers of the British Service: see preceding paragraph. If, however, they afterwards accept staff employ, they also will count their service for Furlough from date of arrival in India.

A British Officer vacating appointment becomes, on re-employment, again eligible to these rules.

* An Officer of the British Service holding permanent staff employ under the Government, who may proceed on Furlough under circumstances which involve the forfeiture of his appointment, must obtain the Furlough as a British Regimental Officer, and it will reckon as a portion of the aggregate eight years of Furlough on pay to which an Officer is restricted during his service by Rule XVI. But on again becoming permanently employed, he resumes the right of obtaining Furlough under these Rules.

Previous service of Officers of the British Service who join Staff Corps how reckoned towards furlough.

6. Officers of British Regiments who may join the Staff Corps, can count as service towards Furlough all their military service in India, provided that half of it (in no case less than four years) shall have been passed in the Staff Corps. But any leave to England they may have taken during service so counted will be reckoned as Furlough already taken. Officers of the British Service who formerly belonged to the Indian Armies are exempted from the above proviso.

Rules apply to Warrant Officers with Honorary Commissions.

Their pay.

Warrant Officers without Commissions can take furlough on medical certificate only under these rules.

7. These Rules apply also to all Warrant Officers holding Veteran or Honorary Commissions who may elect them, the period of service qualifying for Furlough being calculated from the date of the attainment of a Commission. They will receive during Furlough half their total receipts, calculated as laid down in Rule V, but without any reference to a minimum or maximum rate. Warrant Officers not holding Commissions can obtain Furlough under these Rules only on Medical Certificate.

Such Furlough may be for two years with retention of appointment and half of the aggregate allowances; but any extension of such leave (which will not be granted for more than one year in excess of the two years), or any leave taken within less than three years from the date of last return to duty, will be on "English Furlough Pay." [See Note to paragraph 9.]

Warrant Officers who were so before 19th February 1869 to elect on first applying for leave.

8. Every Warrant Officer who attained Warrant Rank before the 19th February 1869, and who has not made his election, will be required, on the first occasion of his applying for leave out of India, to state whether he desires to take the leave under these Rules, or under those previously in force applicable to Warrant Officers, *viz.*, G. G. O. Nos. 518 and 531 of 1854, G. G. O. No. 1559 of 1857, and subsequent orders. That election will be considered final.

Those who became Warrant Officers after 19th February 1869 are subject to these Rules, and cannot elect any of the previous Rules.

Leave on Medical Certificate on Indian pay and allowances to places eastward of the Cape, as allowed to Commissioned Officers under the Furlough Rules of 1796, is not in any case admissible to a Warrant Officer.

Rules apply to Medical as to other Warrant Officers.

These Rules respecting Warrant Officers apply to Honorary Assistant Surgeons and Warrant Officers in the Medical Department.

---

* Original rule modified by G. G. O No. 585, dated 5th June 1874, paragraph 2.

Appendix C 1—Military Furlough Rules of 1868.

Meaning of "Furlough Pay" and "English Furlough Pay."

9. The term "Furlough Pay" having now a changed and two-fold signification, in all future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits specified in paragraph V of these Rules, converted at the rate of exchange fixed by the Secretary of State for the official year,* whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English Pay under the Rules of 1796 and 1854.

"English Furlough Pay" of Warrant Officers.

NOTE.—Where in these Rules English Furlough Pay is mentioned as that to which an Officer is to be restricted, the rates laid down in paragraph 11 of G. G. O. No. 69, dated 22nd January 1868, and (for Medical Warrant Officers) paragraph 22 of G. G. O. No. 550 of 1868, are to be understood as intended in the cases of Warrant Officers.

RULES.

Assimilation of allowances on furlough on private affairs and medical certificate.

I.—The distinction, with respect to allowances, which has been hitherto drawn between Furlough on Private Affairs and Sick Leave is abolished, both kinds of leave being included under the general term *Furlough*, provision, however, being made for the obtainment of Furlough under Medical Certificate without all the restrictions applicable to Furlough when taken without Medical Certificate.

II.—Leave taken under the Rules now prescribed will not involve forfeiture of appointment, except in the cases herein specially provided for.

Certain officers retain appointments during *all* leave duly granted

Officers of the Staff Corps and local Indian Service, and Officers on the General List, can retain their appointments during *all* leave of absence granted by competent authority.† But their pay during such absence will be the same as they would obtain under these Rules had this exemption from forfeiture of appointment not been granted

Absence from India for more than five years bars return to duty as formerly.

III.—The Rules now prescribed do not affect the provisions of Act XXXIII of George III, Chapter 52, Section 70;‡ but an Absentee cannot retain his appointment and draw absentee allowances, except under the Rules now pre-

---

* Under the authority of the Right Hon'ble the Secretary of State for India, it is hereby notified that the Furlough Pay of all Officers who elected the Furlough Rules of 1868 before the 1st July 1871 will for the future be issued at the rate of exchange of two shillings the rupee.

2 This order does not apply to officers who were admitted to the Staff Corps on and after the 1st July 1868.—*G. G. O by the Military Department, No 991, dated 22nd September 1870.*

† The following despatch from the Secretary of State was published under Military Department's General Order No. 1174, dated 24th November 1875:—

No 249, Military, dated 14th October 1875.

Major-General * * of the Royal (Bengal) Engineers, now on Furlough for two years has raised the question whether, in the event of his obtaining an extension of such Furlough, he will be entitled to retain his appointment in the Public Works Department; and I have to inform you that, with reference to this application, I have decided, that the Rule under which Officers of the Staff Corps and Local Service retain their appointments during all authorised leave shall be made applicable to all Military and Medical Officers taking leave under the Rules of 1868.

‡ The Section referred to is quoted below:—

Section 70.—"And be it further enacted that no person who shall have held any civil or military station whatever in *India*, in the service of the said United Company, being under the rank or degree of a Member of Council or Commander-in-Chief of the Forces, and who having departed from *India* by leave of the Governor General in Council, shall not return to *India* within the space of five years next after such departure, shall be entitled to any rank or restoration of office, or be capable of again serving in *India*, either in the *European* or Native Corps of Troops, or in the civil line of the Company's Service, unless, in the case of any Civil Servant of the Company, it shall be proved to the satisfaction of the Court of Directors that such absence was occasioned by sickness or infirmity, or unless such person be permitted to return with his rank to *India* by a vote or resolution passed by way of ballot by three parts in four of the proprietors assembled in General Court, specially convened for that purpose, whereof eight days' previous notice of the time and purpose of such meeting shall be given in *The London Gazette*; or unless, in the case of any Military Officer, it shall be proved to the satisfaction of the said Court of Directors and the Board of Commissioners for the affairs of *India*, that such absence was occasioned by sickness or infirmity, or some inevitable accident."

scribed. Nor do they affect the regulations by which General Officers Commanding Divisions and Brigades can only obtain limited periods of leave without forfeiting their commands.

IV.—Leave of Absence will in future be of three kinds, *viz.*,—

I.—Furlough in or out of India.

II.—General leave on Private Affairs, or Sick Certificate in India, or Short Leave to Sea.

III.—Privilege Leave.

[Doubts having been expressed on the point, the Right Hon'ble the Governor General in Council is pleased to notify, under instructions from Her Majesty's Government, and in continuation of G. G. O. No. 1160, dated 11th November 1873, that neither the Indian Furlough Rules of 1868 nor those of 1854, are, *as respects Leave on Private Affairs*, applicable to British Officers serving with their Regiments or employed with a five years' tenure in staff situations. Any leave on this account which may be granted to them by the authority under whom they may be serving, must be taken under the Rules of the British Service, and therefore, whilst borne on the Indian Establishment, they will receive the British pay of their rank and that only.

2. This ruling does not apply to Officers of Royal Engineers permanently employed in Departmental service, or to other British Officers who may be permanently employed under the Government of India; these are eligible for all the advantages of the Indian Furlough Rules so long as they retain their appointments.—(*G. G. O. of the Military Department, No.* 497, *dated* 13*th May* 1874.)]

CHAPTER I.

FURLOUGH.

Furlough pay how reckoned.

V.—An Officer drawing Staff Pay, in addition to Pay of Rank, proceeding on Furlough will be allowed pay at the rate of 50 per cent. of the salary of his substantive office.*

† But an Officer in Civil Employ and drawing consolidated salary will be allowed 50 per cent. of the average salary drawn by him during the three years prior to his proceeding on Furlough, or during his actual service in India, should that be less than three years: and the time spent and the allowances drawn during any Leave "other than Privilege Leave" will be omitted in the calculation of Average Salary.

No Absentee shall in either case draw more than £1,000, or less than £250 per annum.

Meaning of term "Salary."

The term "Salary" will signify the total amount drawn by an Officer, whether as consolidated pay or staff allowances in addition to pay, but will not include any extra or special allowances. But in the case of a Military Officer in Civil Employ, his acting allowances shall be taken into account as a part of his salary in calculating his Furlough Pay.

Pay of officers transferred to other appointments during furlough.

§ 2. An Officer absent on Furlough, who may be transferred to another office during his absence, shall be entitled, for the entire period of his Furlough, to Furlough pay at the rate sanctioned to him when leaving India, whatever the salary of the office to which he may be transferred may be. This Furlough Pay will be continued to an Officer in Military Employ after his return to India, and until he joins his appointment, provided it is not less than the military pay, or pay and allowances, of his rank.

Pay when the appointment lapses or is vacated during furlough.

But an Officer whose term of office shall lapse, who shall vacate his appointment, or whose appointment shall be abolished during his Furlough, will revert at once to the Furlough Pay which he would draw in virtue of his

* For the purpose of this Rule, the temporary promotion from one grade to another of an Officer of the Royal Engineers employed in the Public Works Department is an acting appointment, and the grade to which the Officer is permanently attached is his "substantive office." (*See foot note on page* 267.)

† The allowance of a Commissioned Medical Officer in Civil Employ will not be less than half his Unemployed Pay, or, if he was appointed to the Medical Service before the 7th November 1864, half the Grade Pay of his Rank.

Appendix C 1—Military Furlough Rules of 1868.

rank as laid down below, in § 4. Any case of sudden abolition of appointment may, however, be specially considered in the department of the Government under which the Officer may have been employed. An officer will also be entitled to the benefit of his promotion to a higher Staff Corps of Regimental Rank whilst on Furlough, subject to the maximum limit.

Pay of officers promoted during furlough

§ 3. Officers holding Regimental Medical Charges will be allowed to retain such charges during the authorized periods of Furlough as if they were Medical Staff Appointments. And the difference between the Unemployed* Grade pay of the Officer holding the substantive charge and the consolidated salary of the charge will be considered the staff salary divisible between the Absentee and the Officer officiating for him.

Regimental medical charges retained during furlough

The staff salary how divided.

§ 4 Officers not in staff employ will receive half the Indian pay of their rank, provided that an Officer entitled to Furlough shall in no case receive less than the above minimum of £250 per annum.

Minimum Furlough pay.

[NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum Absentee Allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.]

VI.—All grants of Furlough on Private Affairs are subject to the exigencies of the public service,—of which exigency the Government is to be exclusively the judge,—and to any regulations that may be found necessary for limiting the number of absentees.

All furlough on private affairs subject to the exigencies of the service.

[NOTE.—It is therefore within the competency of Local Governments and of the Commander-in-Chief to decline to forward the application of any Officer whose absence would, in their opinion, be detrimental to the interest of the public service, until such time as arrangements can be made for removing the difficulty; and it is the duty of every Head of a Department to decline to forward any application for Furlough whenever the services of the Officer cannot be spared without risking the efficiency of the Department, any doubtful case being referred for the orders of Government.]

Applications of officers who cannot be spared need not be forwarded.

VII.—The maximum amount of Furlough on Private Affairs to be taken at any one time, carrying pay and retention of appointment, will be two years: any extension of such Furlough will be without pay, unless it is on Medical Certificate: see Rule XIII. (But see Notes (3) and (4), Rule IX.) And no extension on Private Affairs beyond two years will be granted, though without pay, except upon satisfactory evidence of very urgent necessity.

Furlough on private affairs limited to 2 years at one time.

Extensions of such furlough.

VIII.—A period of at least three years' service after return from last Furlough, except Furlough for a period not exceeding six months under Rule XI (and excepting also, in the case of an Officer in Civil Employ *Ordinary Furlough not exceeding three months*†) must be completed before Furlough can again be taken, unless obtained under Medical Certificate (See Rules XIII and XIV, and Note 3 of Rule IX.)

Three years' service to intervene between two furloughs

* G. G. O. No. 1060 of 23rd December 1864, paragraph 29.
G. G. O. No. 370 of 4th April 1867, paragraph 9

† Such furlough will, however be excluded from the three years' *service* required between two furloughs—(*G. G. O. No. 24, dated 12th January* 1877.)

Appendix C 1.—Military Furlough Rules of 1868.

But an Officer who may be *ordered* to return to duty before the completion of his Furlough for the purpose of proceeding on Field Service may be allowed to take the balance of such Furlough at any time.

Exception in cases of officers ordered out on Field Service.

[NOTE.—An Officer in Civil Employ cannot reckon in this interval of three years any period of absence from actual duty, excepting those spent on Privilege Leave.]

IX.—An Officer will be eligible for two years' Furlough on the completion of eight years' actual service in India (see paragraph 6 of this order); for a third year after a further period of six years' actual service, and for a fourth and fifth year after similar intervals of six years, and so on up to the maximum prescribed in Rule XVI. The grant of Furlough to an Officer eligible for it will be subject only to the conditions specified in Rules VI and VII. But see notes to this Rule.

Periods of service qualifying for furlough.

§ 2. * Leave granted under these Rules, without Furlough Pay, will not reckon as Furlough already taken in calculating the balance at an Officer's credit, or as part of the total of eight years allowed as shown in Rule XVI; but all Furlough with Furlough Pay, whether on Private Affairs or on Medical Certificate, taken under these Rules, will so reckon.

Furlough *without pay* not reckoned as "furlough taken."

§ 3. * Furlough and Leave previously taken under the Rules of 1796 or 1854 will count, as respects Officers who have elected these Rules, as follows:—

How far previous furlough on medical certificate bars furlough on private affairs.

Furlough on Private Affairs, with pay, taken under the Rules of 1796 or 1854, counts in all respects as Furlough.

Leave on Sick Certificate, under the Rules of 1796, does not count in any respect as Furlough.

Leave on Sick Certificate, with pay, under the Rules of 1854, counts as part of the maximum of eight years allowed under these Rules; but until the maximum thus made up be reached, this leave will not count as Furlough already taken in determining the amount of Furlough to which an officer is entitled.

Leave without pay under the Rules either of 1796 or 1854 does not count in any respect as Furlough.

§ 4 If an Officer appointed to any *duty* in England draws his Indian allowances with or without any portion of his staff salary, he can count the period of such employment as service towards Furlough; but if he is appointed to an office in England to which a fixed consolidated salary is attached, he cannot reckon the time of such employment as service towards Furlough.

Service *on duty* in England how reckoned.

NOTE (1).† But an Officer of less than eight years' service in India may obtain Furlough, not exceeding two years, on Medical Certificate, with Furlough Pay and retention of appointment, provided he has been three years in the Staff Corps, or—in the case of a Royal Engineer Officer holding a permanent staff appointment, or an Officer not in the Staff Corps—has served for three years in India.

* Original Rules modified by G. G. O. No. 197, dated 1st March 1877.

† Under the authority of the Right Honourable the Secretary of State for India, it is hereby notified that furlough on Medical Certificate with furlough pay obtained by officers, under Rule IX, note (1), of the Regulations of 1868, between the publication of G. G. O. O.'s No 171 of the 25th February 1874, and No. 197 of the 1st March 1877, will not be reckoned as "furlough already taken" in computing the amount of furlough at the credit of such officers.

2. It will, however, form part of the aggregate of eight years allowed to Officers.—*G. G. O. Military Department, No. 935, dated 4th February 1872.*

Appendix C 1.—Military Furlough Rules of 1868

Furlough on medical certificate when on English furlough pay

NOTE (2).—If the Officer has not been three years in the Staff Corps, or served three years in India, as the case may be, he will receive "English Furlough Pay" only, and must vacate his appointment, unless entitled to retain it under Rule II.*

This Rule and the Proviso in Note I, however, are not applicable to Officers of the Indian Army who entered the new Line Regiments or Royal Artillery, and subsequently the Staff Corps.

General Officers exempted from certain rules

NOTE (3).—Unemployed General Officers of the Staff Corps of Local Service can be granted Furlough without serving the intervals of three and six years respectively prescribed in Rules VIII and IX; and they can remain in Europe after they have exhausted the full period of Furlough allowed during an Officer's service by Rule XVI (eight years on the whole) on the English Furlough Pay of their Rank.

NOTE (4).—And a Major-General of the Staff Corps—if he has so much Furlough at his credit, and proceeds to England within a year of his being promoted to that rank, or of his ceasing to be employed—can continue, after the expiration of the two years' Furlough, to receive half his Indian pay until he completes the period of three years during which he would be entitled to draw his Staff Corps pay if he were in India.

Furlough may be taken by instalments.

X.—An Officer eligible for Furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of Furlough for which he may be eligible.

Illustrations.

Furlough at credit how determined

1. An Officer who has served nine years in India is entitled to two years' Furlough; he takes only one year, and after his return remains in India for five years. He is then eligible for two years' Furlough as follows:—

Total service in India	14 years
Furlough due on that service	3 years.
Furlough already taken†	1 year.
Balance for which he is eligible	2 years.

2. An Officer who has served 20 years in India without taking Furlough is entitled to four years' Furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of Furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.

* *Extract from a letter from the Government of India, in the Military Department, to the Adjutant General in India, No 21, dated 3rd October* 1876

With reference to your letter No. 2795A., "*Leave*," dated 24th July 1876, and previous correspondence, regarding the question of the retention by Lieutenant * * R E. Imperial Establishment, of his appointment in the Public Works Department, I am desired to state, for the information of His Excellency the Commander-in-Chief, that, in the opinion of the Government of India, the retention of the appointment by an officer situated as Lieutenant * * is, is provided for by the Furlough Regulations as they stand.

2 By Note 2 of Rule IX of the Furlough Regulations of 1869, published in G G. O No. 171 of 1874, an officer who has not served three years in India, and proceeding on furlough on medical certificate, will receive "English Furlough Pay" only, and will vacate his appointment unless entitled to retain it under Rule II

3 Rule II lays down that officers of the Staff Corps and local Indian service can retain their appointments during all leave of absence granted by competent authority Subsequently the Secretary of State for India in his despatch, published under G. G. O. No 1174 of 1875, decided that the rule under which officers of the Staff Corps and local service retain their appointment during all authorised leave, shall be made applicable to all Military and Medical Officers taking leave under the Rules of 1868.

4 The provisions of Note (1) of Rule IX, which you state will, under the above ruling, require modification, are not really affected by it, as they refer to leave on "Furlough Pay," with retention of appointment. Note 2 relates to leave on "English Furlough Pay," with retention on vacation of appointment. Lieutenant * * retains his appointment, but as he has not performed three years' service, he does so on "English Furlough Pay" only

Appendix C 1.—Military Furlough Rules of 1868.

NOTE.—An Officer is said to have Furlough at his credit,—even though he may not be able to obtain it owing to the number of Absentees, or other cause,—when the calculation of his Service, as in illustration 1 above, shows a "balance for which he is eligible."

Furlough on urgent private affairs when granted.

XI.—Furlough on Urgent Private Affairs for six months on pay equivalent to the British Regimental pay of his rank may be granted when the Officer has less than six months' Furlough at his credit, or when, from other causes, *e.g.*, the number of the Absentees, or his not having served three years since his last return to duty, he is not able to take it. The said period may form part of the periods of either eight or six years referred to in Rule IX, and also—except in the case of an Officer in Civil Employ, see Rule VIII, note—of the three years which are required to intervene between two periods of Furlough by Rule VIII.*

Extended beyond 6 months only on medical certificate when its advantages are lost.

This Leave cannot be given in extension of Furlough of any description. It cannot be extended beyond six months, unless on Medical Certificate and on the same pay, in which case, the Officer will be deemed to have vacated his appointment, unless entitled to retain it under Rule II; the whole period will be reckoned in the maximum amount of Furlough (8 years) allowed by Rule XVI, and no portion of it can form any part of the periods referred to in Rules VIII and IX.

NOTE.—Ill-health is not considered as warranting Furlough under this Rule to any Officer who, under the provisions of these Rules, can obtain Furlough on Medical Certificate without forfeiting his appointment.

Special permission needed for change of residence from England to India, and *vice versâ*, during furlough

XII.—Subject to State considerations, there will be no restriction as to the places to which an Officer may resort during Furlough. But, if he desires to spend in England the rest of a "Furlough in India," or *vice versâ*, he must obtain permission to do so from the Government of his Presidency, or from the Secretary of State for India, as the case may be; and on landing in either country, he must report his arrival accordingly to the Military Department of his own Presidency, or to the India Office, forwarding a copy of the permission granted him to change his destination He must also communicate his address. An Officer who, on his return to India, reports his debarkation, without forwarding *at once* a copy of the permission granted him to change his destination, or submitting an application for such permission, will be considered to have returned to his duty.

Reports, &c., required.

Consequences of extension of furlough on medical certificate over 2 years.

XIII.—Furlough on Medical Certificate is obtainable as indicated in Notes (1) and (2) of Rule IX, and in Rule XIV. Absence on such Furlough for a longer period than two years at one time will involve forfeiture of appointment. [But see Exceptions in Rule II.] Furlough may, however, be extended on Medical Certificate up to a third year on "English Furlough Pay;" and an Officer on Furlough on Private Affairs, who may be obliged to obtain an extension on medical certificate, will be thenceforward entitled to the same advantages, and subject to the same disadvantages as to retention of appointment, pay, &c., as if he had originally obtained Furlough on Medical Certificate.

If he exceeds 3 years' absence on medical certificate, the officer may have to retire or go on half-pay.

In the event of an Officer not being able to return to his duty after an absence of three years, it will rest with the Secretary of State for India in Council to order him to appear before a Medical Board, with a view to placing him on the Retired List, if entitled to pension, or on the half-pay list.

Appendix C 1.– Military Furlough Rules of 1868.

Extension on medical certificate over 3 years to be without pay

Should the circumstances of the case warrant a further extension of Furlough, it can only be granted without pay.

Officers on medical certificate must be pronounced fit for duty before returning to India

NOTE.—All Officers, however employed, and whatever the amount of leave granted them may be, who leave India on Sick Certificate, are required to produce a certificate of fitness for duty before they can be allowed to return

Consequences of furlough on medical certificate taken within 3 years of last return.

XIV.—An Officer whose health may necessitate his taking Furlough within three years from the date of last return from any Furlough, except that taken for a period not exceeding six months under Rule XI (and excepting also, in the case of an Officer on Civil Employ, *Ordinary Furlough, not exceeding three months*), may obtain, under the usual Medical Certificate, such amount as may be duly certified to be necessary for the restoration of his health; but he will receive only "English Furlough Pay," and must vacate any appointment he may be holding, unless entitled to retain it under Rule II.

§ 2 If, however, he shall have served three years since the date of his last return to duty, although there may be no balance of Furlough at his credit, he will be entitled, on obtaining Furlough on Medical Certificate, to retain his appointment, and to receive "Furlough Pay" as laid down in Rule V, for the entire period not exceeding two years. Should the latter period be exceeded, he will come under the provisions of Rule XIII

"Furlough at credit" bars furlough on medical certificate.

XV.—An Officer entitled to Furlough, or having a balance of Furlough at his credit, whose health may necessitate his absence from India, must take the leave as Furlough under Rule IX, but without forfeiting any Passage money to which he may be entitled under Military Fund Rules,—or, if a Subaltern, by Regulation,—when proceeding on Medical Certificate.

Furlough on medical certificate when extended on private affairs.

§ 2. Should the Officer be declared fit for duty before the expiration of two years, he may be granted extension on Private Affairs up to that limit, provided that he has so much at his credit, and that if he remains he will not be in excess of the established proportion of absentees. Any extension *on Private Affairs* of such Furlough beyond the said period of two years must be without pay.

Furlough at credit must be exhausted before furlough on medical certificate can be given.

§ 3. Any extension on Medical Certificate of Furlough under § 1 of this Rule beyond two years, or any lesser period which may be at his credit under Rules IX and X, will be regarded, in all respects, as Furlough on Medical Certificate (Rule XIII); and if the period of two years should not exhaust the balance of Furlough at his credit under Rule X, the period or periods of extension shall be deducted from such balance till the latter is exhausted. On the aggregate of two years' leave being exceeded, the Officer will come under the provisions of Rule XIII.

Total furlough with pay, &c, in an officer's service limited to 8 years.

XVI.—The aggregate amount of Furlough with pay and retention of appointment on Private Affairs and on Medical Certificate, that may be granted to an Officer during his service, will be limited to eight years.

Furlough not reckoned in this period.

NOTE.—The following periods of leave, however, will not be reckoned in this period of eight years.—

§ 1.—Leave without pay.

§ 2.—Sick Leave to Europe, or to the Colonies eastward of Cape under the Rules of 1796.

§ 3.—Leave taken under Rule XI of these Rules, provided it be not extended over the six months. If it be so extended, the whole period will reckon as part of the eight years.

Appendix C 1.—Military Furlough Rules of 1868.

§ 4.—Leave necessitated by wounds, or sickness contracted on active service, and any other leave which may be allowed by proper authority, to reckon as service for pension.

§ 5. In the case of an unemployed Officer, periods of residence in England on English pay after promotion to the rank of Major-General, or to the rank of Regimental Colonel in the Royal (late Indian) Artillery and Engineers, or after completion of tour of service as Inspector General or Deputy Inspector General of Hospitals when the Officer is no longer required to reside in India.

All other leave to Europe, or out of India, for periods exceeding three months (see Rule XXVII), including Furlough on Medical Certificate under the Furlough Rules of 1854, will form part of the period of eight years

Dates from and to which furlough is reckoned

XVII.—If taken in India, Furlough will be reckoned from the date of the absentee's quitting his Station to the date of his return thereto; if taken out of India, from the date of the sailing of the vessel in which he may have embarked to the date of his *bonâ fide* disembarkation in India for the purpose of rejoining his appointment or Regiment; the date of embarkation (or of the vessel's leaving the Sandheads if from Calcutta) and that of disembarkation also, are included in the Furlough.

NOTE (1).—As an illustration of this Rule, it may be observed that a Madras Officer's landing and reporting himself at Madras *en route* to Calcutta to join his appointment in Bengal or the North-Western Provinces, &c., is not disembarkation in the sense intended by this Rule.

Extension to cover excess over furlough how obtained.

NOTE (2).—To enable an Officer who overstays his leave to obtain an extension, he should show that he took all needful precautions to ensure his arrival in proper time, and if delayed by the departure of the vessel being deferred, he should obtain the certificate of the Owner or Agent that she had been *bonâ fide* advertised to sail from———on the———but that her departure had been delayed till the——— See General Order No. 52, dated 21st February 1873.

Preparatory leave

XVIII.—Preparatory Leave to embark for Europe, or elsewhere, on Furlough will be granted for any period deemed necessary, not ordinarily exceeding 30 days. Leave up to the same limit, to enable him to rejoin on his return from Furlough, will be granted from the date succeeding that of his disembarkation in India. This applies equally to Furloughs taken under Rule XI.

Limited ordinarily to 30 days.

The authority which has power to grant Preparatory Leave can, on due cause being shown, grant any necessary extension of it; but this can be done only on very sufficient reasons.

G G. O granting furlough has effect for 3 months only

NOTE (1).—An Officer obtaining a Furlough on Private Affairs or Medical Certificate must embark within three months of the date of the General Order which notifies it, or take up the first portion of his Furlough in India until he embarks, if not, the General Order will cease to have effect. The only exception to this Rule that can be allowed is when the Officer is prevented from embarking within the three months owing to his detention in India by proper authority on *bonâ fide* public grounds. If, however, the Officer does not within a reasonable time avail himself of the Furlough given him, his subsequently being placed on duty rendering his detention necessary will not exempt him from the Rule: and in every case of such detention the Officer must at once report it, and he is not to embark after the expiration of three months until he has applied for and obtained from the Government of his Presidency an extension of the period.

Detention when deemed a valid excuse

An officer serving out of his Presidency may embark from it

NOTE (2).—Officers who may be serving in other Presidencies than their own if they desire to embark *bonâ fide* for Europe from the latter, may obtain Preparatory Leave accordingly, and their Furlough will reckon from the date of their embarkation at their own Presidencies

Applications for furlough how submitted.

NOTE (3).—For full information as to the submission of Applications for Furlough, see G G O No 34 of 11th January 1869; G. G O No. 103, dated 26th January 1869; General Order by the Commander-in-Chief, No. 135, dated 11th June 1870

Appendix C 1.—Military Furlough Rules of 1868.

NOTE (4).—The allowances of Military Officers in Civil employ during Preparatory Leave, and after return to India until they rejoin their appointments, will be adjusted according to Civil Rules.

Leave preparatory to retirement

NOTE (5).—Leave preparatory to retirement from the service does not reckon as service towards pension.

Pay issued monthly in India; quarterly in England.

XIX.—Furlough allowances are payable monthly, if payment is taken in India; and quarterly, if payment is taken in England.

Advances of furlough pay given in India only.

XX.—Advances* of Furlough Pay will continue to be made in India to those Officers who desire it for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date. No advance is made in England to Officers on their returning to duty.

Last-pay certificate to show rate of furlough pay, &c.

XXI.—The Last-pay Certificate issued to each Officer who may be granted Furlough, whether on Private Affairs or on Medical Certificate, will specify the rate of the pay and staff salary of his last substantive appointment, and the rate to which he will be entitled to Europe in virtue of Rule V.

Pay of officers acting for those on Furlough.

XXII.—An Officer acting in India for an Absentee on Furlough will be restricted, for the entire period that he may so act, to the half staff salary of the appointment in which he may be acting, in addition to the full pay of his rank and the half staff salary of his own appointment, if he possess one. †The aggregate staff salary granted to the Acting Officer on such cases will not be less than Rs. 100 per mensem, unless the full staff salary of the post in which he is officiating is less than that sum.

Pay of Warrant Officers acting for others on furlough.

A Warrant Officer, acting for one of a higher grade on Furlough, receives half of the aggregate allowances of the Absentee, added to half of the aggregate of his own allowances.

[NOTE —‡ The indulgence granted by §1 of this Rule is only allowed to one *directly* officiating in the place of the Officer absent on furlough, not to one acting in the room of an Officer who is himself acting for an absentee on Furlough.]

XXIV.—In computing the Furlough on Private Affairs to which an Officer who has already enjoyed some portion of such Furlough will be entitled under these Rules, it will be necessary to deduct the total amount of the Furlough on Private Affairs of which he may have availed himself during his service from the total periods to which under Rule IX he can lay claim. CHAPTER II.

GENERAL LEAVE ON PRIVATE AFFAIRS AND SICK CERTIFICATE IN INDIA.

Leave on private affairs or medical certificate limited to six months.

Pay as heretofore.

If taken for a third year consecutively, staff appointment forfeited.

XXV.*—An Officer will be eligible, as at present, to take leave on Private Affairs or Sick Certificate anywhere in India for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief, or of the Government under which he may be serving. During the entire period of his absence on this account, the Officer will be entitled, as at present, to his full pay and a moiety of his staff salary. Leave taken under this Rule will form no part of the eight years' aggregate Furlough. If this indulgence should be taken advantage of for a third year consecutively, the Officer will lose his staff appointment, unless entitled to retain it under Rule II.

If extended to one year on medical certificate, reckons in the 8 years of Rule XVI.

If extended over one year, reckons as furlough.

XXVI.—Leave on Sick Certificate for a period exceeding six months, capable of extension, under renewed Medical Certificate, to a limit of one year, may be granted to any Officer who, in the opinion of a Medical Board†, may require it. Leave of this nature, taken after the promulgation of these Rules, will be held to constitute a part of the maximum period of eight years' Leave of Absence to which an Officer is entitled in his entire period of service, but will not be regarded as Furlough, nor will it affect the intervals entitling to Furlough laid down in Rule IX. During this Leave the Absentee will draw a moiety of his staff salary in addition to the pay of his rank. But if the 12 months be exceeded, the whole leave must be reckoned as Furlough, and allowances be adjusted accordingly.

Short leave (not exceeding 3 months) allowed as heretofore.

XXVII.—Short Leave, not exceeding three months, on Private Affairs or Sick Certificate, may also be taken to sea on the above condition; but absence from India for any longer period will be treated as furlough.

XXVIII.—All General Leave taken in India counts as part of the Leave reckoning against service for pension.

CHAPTER III.

PRIVILEGE LEAVE.

Limited to 60 days in each year.

When extended.

XXIX.—Privilege Leave may be granted, as at present, for sixty days in each year‡ to all Officers in Military employ, without deduction from the salaries and emoluments drawn by them. General Leave, in extension of Privilege Leave, can only be granted on the ground of sickness, or some other serious emergency which could not have

* A Military Officer, subject to Military Rules, in civil employ, cannot obtain leave under this Chapter, unless the Government has previously declined to permit him to resign his civil appointment and revert to military employment, and then only with the express sanction of the Local Government.—(*Military Department, No.* 21, *dated 4th January* 1876.)

† *G. G. O. Military Department No.* 367, *dated 25th June* 1880.

With the approval of Her Majesty's Government, the Government of India are pleased to sanction the abolition of the Standing Medical Boards at the ports of embarkation, in regard to officers of the Indian service proceeding on furlough out of India on medical certificate, who have appeared before local Medical Committees.

2. As furlough can be granted to the officers of the Indian services for a longer period than to officers of the British service, it is hereby ruled that the local board, in the case of an officer of the Indian services, shall invariably be presided over by an administrative medical officer.

The following Military Letter from the Right Honorable the Secretary of State for India is published for general information:—

"I have received and considered in Council Your Military letter, No. 57, dated the 1st March 1878, forwarding a letter from the Adjutant General in India, conveying the recommendation of

XXX.—In the case of the Stations noted in the margin, Privilege Leave may, as at present, be granted for ninety days to Officers of Local Corps, or of Corps which are usually employed in one or other of the Districts named.

No restriction as to place.

XXXI.—An Officer is at liberty to proceed, wherever he may desire, on Privilege Leave, provided he can ensure his return before the expiration of his Leave.

Must be apart from Furlough or other leave.

XXXII.—Privilege Leave cannot be taken in continuation of Furlough, nor can Furlough be obtained in continuation of Privilege Leave. If Furlough be obtained by an Officer while absent on Privilege Leave, the Privilege Leave will be converted into General Leave, the Officer for that period sacrificing a moiety of his staff salary.

Military Officers in Civil employ.

When they take leave out of India, they come under the Military Leave Rules.

For Preparatory or Subsidiary leave, see Note (4) of Rule XVIII.

Subsidiary Rule.

Election of these rules to be final

XXXIV.—Officers of the Indian Military and Medical Services will be required generally to notify their intention to accept these Rules, or to adhere to those now existing, on the first occasion of their taking Furlough or General Leave after the publication of this order. Such election must be considered final, and under no plea whatever will an Officer be subsequently relieved from the choice thus made.

§ 2. Officers going Home under these Rules will pay English rates of subscription only to the Military Fund.

Benefits allowed to those who elect existing rules

§ 3. Officers who may determine to abide by existing Rules, will be allowed to proceed on Furlough on the conditions laid down in Rules VII, VIII, and XIII, to the extent to which they may be entitled under the Furlough Regulations of 1854, or of 1796, whichever of the two they may have elected, and on the rates of pay contemplated in those Regulations, but retaining their appointments. The principle laid down in Rule XV must, however, be applied in those cases.

His Excellency the Commander-in-Chief, that officers in Military employ be allowed to accumulate their privilege leave to three months after 33 months' duty, in view to their visiting Europe, as now allowed to officers in Civil employ

"2 As the measure is recommended by your Government, and on the understanding that it will not involve, directly or indirectly, any additional expenditure, I am willing to sanction it on the terms proposed by His Excellency the Commander-in-Chief in India, *viz.*, that to claim the privilege it shall be necessary for an officer to show that he has had no privilege leave for 33 months, and that he has made satisfactory arrangements for the performance of his duties during his absence, at no additional cost to the State.

"As it will not be necessary for the officer during such absence to report himself to the India Office, it will be incumbent on him to keep his departmental superiors in India acquainted with his address"—[*Secretary of State to Government of India, No.* 129, *dated* 9*th May* 1878.]

Appendix C 2.—Military Furlough Rules of 1875.

§ 4. If an Officer under the Furlough Rules of 1796 elects the present Rules, his service for pension will be reckoned under the former Rules up to 1st July 1868, and thenceforward under the Rules of 1868; and the fact of the Officer having been on Furlough on 1st July 1868, and not then having elected the Rules of 1868, will not affect the case. All periods of Leave out of Indian limits taken previous to 1st July 1868, will be wholly excluded from his service for pension; but he may reckon towards pension periods of Leave taken subsequent to that date, according to the length of his service counting for pension, as shown in Rule XXIII.

Previous service of Officers under 1796 Rules how reckoned.

His election of these Furlough Rules in no way affects his right to *retire* under the Pension Rules of 1796.

Retirement under 1796 Rules not affected.

MILITARY FURLOUGH RULES OF 1875.

Revised Furlough and Leave Rules for the Staff Corps and Indian Local and Medical Services.

General Order, Military Department,—No. 1316 of 1875, dated 30th December 1875.

Under instructions from Her Majesty's Government, the Right Hon'ble the Governor General in Council is pleased to publish the following revised Furlough and Leave Rules applicable to the Staff Corps and Indian Local and Medical Services:—

Furlough and Leave Rules.

1. Officers included in Schedule A may receive, after five years' service in India or under the Government of India, one year's Furlough, and an additional year for each subsequent five years' service. Furlough not taken at the time it becomes due is not lost, and can, subject to these Rules, be taken later.

2. An Officer may receive at any time any portion of the Furlough to which he is entitled. But, except under Rule 8, he may not be absent from duty on any ground for more than three years consecutively; nor, on return from Furlough, may he receive, except under Rule 6, any further portion of the Furlough to which he is entitled, until after the interval of two years.

3. It must be distinctly understood that Furlough is subject to the exigencies of the Public Service. Officers commanding Regiments and Heads of Departments will forward no application for Furlough unless able to satisfy the superior authorities that the Officer's services can be spared without any inconvenience to the Public Service.

4. Furlough does not involve forfeiture of appointment, may be spent anywhere, and counts as service for pension.

5.* A Commissioned Officer on Furlough receives (up to, but not beyond, the sum of 1,000*l.* a year) half the emoluments of his office, computed according to a rate of exchange to be fixed in each year by the Secretary of State: but in any case he does not receive less than 250*l.* a year. The emoluments of his office include all Pay, Staff Corps Pay, Staff Salary, and Indian Allowances he would receive in respect to it if he were on duty, and for the purpose of each payment his office is the office he fills on the day when that payment becomes due.

† A Warrant Officer receives half the emoluments of his office calculated in the same manner as those of Commissioned Officers, no Warrant Officer,

* Original Rule modified by G G O No. 140, dated 11th May 1877.
† Added by G G. O No. 140, dated 11th May 1877.

Appendix C 2.—Military Furlough Rules of 1875.

however, receiving as Furlough Pay less than the English Furlough Pay of his rank.

6. Upon certificate of a Medical Board, an Officer not entitled to Furlough, if he has served not less than two years in India, may receive it for any period not exceeding two years; but such Furlough will be deducted from his next accruing Furlough until it is paid off. An Officer will not be allowed to anticipate Furlough under this Rule to an aggregate amount of more than two years.

Ruling.—* An Officer of less than two years' service, from date of coming under the new Rules, falling sick, will be sent to England on Medical Certificate on English Furlough Pay, subject to the decision of Her Majesty's Government as to his ultimate disposal, a special report on each case being submitted to Her Majesty's Government by the Government of India, or, in the case of officers of the Madras or Bombay Army, by the Governments of those Presidencies.

7. An Officer who has exhausted the Furlough obtainable under these Rules, and who may be certified by a Medical Board to be still unfit for duty, will be placed temporarily or permanently on half-pay, according to the circumstances of the case.

8. Under very urgent circumstances Special Furlough may be granted for Private Affairs, which need not be paid back; but it will be in all cases without any kind of pay, and will not count for pension.

Ruling.—* The amount of Leave which may be granted under this Rule will be restricted to such period as the Government granting it is satisfied is actually necessary with reference to the urgency of the case.

9. † Advances for Passage Money, on need shewn, will be granted to Officers on Furlough, to be recovered in manner specified at the time of the grant: in India, at the discretion of the Local Government: and in England, at the discretion of the Secretary of State.

10. Leave may be granted for any period not exceeding six months at a time, and may not, except for very urgent reasons, to be specially reported to the Government of India, be renewed till after six months have elapsed from its expiration. It must be spent at some place east of the 40th degree of east longitude. Subject to these conditions, it may be granted or refused entirely at the discretion of the local authorities, who in granting it shall fix its duration, and may fix the limits within which it shall be spent, and whether during its continuance half-pay and allowances are to be deducted for the payment of a substitute; and they may grant it as preparatory to Furlough or for the purpose of a medical examination. Leave counts as service for Pension and Furlough. The local authorities shall be defined for the purpose of this Rule by the Government of India.

11. Leave and Furlough are reckoned from and to the close of the days named in the order granting them.

12. The position of Officers not included in Schedule A will be unchanged as respects Leave or Furlough.

13. Officers now in the service placing themselves, from a given date, under these Rules shall count service for pension up to that date under the Rules to which they were then subject.

Ruling.—* An Officer takes with him so much service for pension as he had become entitled to under former Rules. Under the Rules of 1854 and 1868, two years' leave in 20 years' service counts for pension, but in periods of less than 20 years, no Leave counts. Therefore, if an Officer, now under the Rules of 1854 or 1868, of 20 years' service, with two years' Leave, elects the present Rules, his service for pension will be 20 years; if an Officer of 19 years' service with the same amount of Leave elects these Rules, his service for pension will be 17 years only.

Appendix C 2.—Military Furlough Rules of 1875.

SCHEDULE A.

Officers entering the Staff Corps or the Indian Medical Service, and Warrant Officers attaining that rank, after the 31st December 1875; and

Ruling.—* The date of entry into the Staff Corps is that of entry for choice of Furlough Rules, *viz.*, the date on which the Officer was originally appointed on probation. An Officer, therefore, whose date of admission to the Staff Corps is not after the 31st December 1875, will have the choice of Rules, but an Officer whose date of admission is after that date will have no option.

Any other Officers, Commissioned or Warrant, belonging to the Indian Army or Medical Service, or Officers of the Staff Corps, who, after the 31st of December 1875, shall, before asking for Leave or Furlough, apply in writing to their Local Governments to be placed definitively upon this Schedule: but their service for Furlough under Rule I shall commence from the date of such entry or such application respectively

Ruling.—* An Officer coming on this Schedule, having Furlough to his credit under previous Rules, forfeits such Furlough absolutely, he being required to serve five years from date of applying to be placed on the Schedule before he can take one year's Furlough unless it be Sick Furlough under Rule 6. An Officer similarly circumstanced, but having Furlough to his debit, is equally with the others entitled to take one year's Furlough, five years after joining the new Rules.

Any Officers in Civil employment declared by the Government of India to be under Civil Leave Rules shall not be under these Rules.

*** The Last-pay Certificate issued to an Officer to whom Furlough or Leave has been granted shall state the pay to which, under Rule 5, he is at that date entitled in respect to the Office he is holding, noticing the date, if any fixed, at which he will vacate it.

With advertence to the foregoing Rules, the Right Hon'ble the Governor General in Council is pleased to notify—

I. That no "Extra Special Allowances" drawn by an Officer which are now excluded from the account in calculating Furlough Pay under the Rules of 1868, can be reckoned in calculating Furlough Pay under these Rules (Rule 5).

II. That the Governments of the three Presidencies, or Their Excellencies the Commanders-in-Chief in regard to Officers serving directly under them shall be held to be the "local authorities" named in Rule 10.

III. That pending further orders, a Staff Officer granted Leave under Rule 10, shall receive, as heretofore, the pay or Staff Corps pay of his rank and half the Staff Salary of his appointment during such Leave: but full Staff Salary may be allowed him for the first two months (as now during Privilege Leave) when he makes approved arrangements for the performance of his duties during that period. In such cases the G. O. granting the Leave must state that the first two months are to be on full Staff Pay.†

N.B.—It is distinctly to be understood that the Rule regarding the pay to be drawn on leave under paragraph 10 is liable to be modified at any time in any way that the Government of India may deem expedient.

IV. Pending further orders, these rules are not applicable to any Officer in Civil Employ.

* G. G. O., Military Department No. 1110, dated 27th October 1876.

† With the sanction of the Right Honorable the Secretary of State for India, it is notified that the provisions of G. G. O. No. 540, dated the 14th June 1878, granting privilege leave to Officers for three months after 33 months' duty, are extended to officers under the Furlough Rules of 1875.

2. It is to be understood that to claim the privilege it shall be necessary for such an officer to show that he has had no leave on full Indian pay and allowances for 33 months previous to date of his application, and that he has made satisfactory arrangements for the performance of his duties during his absence at no additional cost to the State.—*G. G O., Military Department, No.* 185, *dated* 28*th February* 1879.

Supplementary Rules for Military Officers in Civil* Employ

His Excellency the Governor General in Council is pleased to notify the following Supplementary Regulations, which have received the approval of the Right Hon'ble the Secretary of State for India, providing for the case of Military Officers in Civil Employ, referred to in paragraph IV of the Subsidiary Rules appended to G. G. O No 1316 of the 30th December 1875 :—

Despatch No. 164, dated the 10th May 1877

I Any Officer now in Civil Employ, who is subject to the Military Furlough Regulations of 1854 or 1868, shall remain so subject.

II Any Military Officer who may hereafter enter Civil Employ, who is not already subject to the Military Furlough and Leave Rules of 1875, shall remain subject to the Rules applicable to him when he enters Civil Employ.

Note.—An officer referred to in Rules I and II cannot elect the Military Furlough and Leave Rules of 1875, so long as he continues in Civil Employ.

III Any Officer who may enter Civil Employ, who is already subject to the Military Furlough and Leave Rules of 1875, shall be subject to the Rules in the Civil Leave Code applicable to Covenanted Civil Servants, both as regards Furlough and Leave taken out of India and in India.

IV If any Officer, who is employed in the Civil Administration, has taken Furlough in the Military Department under the said Rules of 1875, this Furlough shall be treated, in calculating the Furlough or Special Leave admissible to him under the preceding Rule, as if it had been Furlough taken under the Civil Leave Code. Leave so taken under the 10th Military Rule shall be treated as if it had been Privilege Leave taken under the Civil Leave Code, and the claims of the Officer under the Civil Leave Code adjusted accordingly.

V. If an Officer, who has been subject to the Rules in the Civil Leave Code under the third of these Rules, is again employed in the Military Department, and so again becomes subject to the Military Furlough and Leave Rules of 1875, any Furlough or Special Leave taken by him under the Civil Leave Code will be treated, in calculating the Furlough admissible to him under the said Military Rules, as if it had been Furlough taken under the said Military Rules. Privilege Leave taken under the Civil Leave Code Rules will be treated as if it had been Leave taken under the 10th Military Rule. Subsidiary or Examination Leave taken under the Civil Leave Code will not affect the claims of such an Officer under the Military Furlough and Leave Rules.—*G G O., Military Department, No.* 1102, *dated the 7th December* 1877.

---

* An officer who entered permanent Civil Employ after the 10th January 1880; or who, being already in such permanent employ on that date, had not then been continuously in civil employ, whether officiating or substantively, for five years, holds his appointment subject to any change in his position as a Military Officer, which may hereafter be ordered.—(*G G. O, Military Department, Nos.* 64, *dated* 10*th January* 1880, *and* 781*A*, *dated* 2*nd April* 1880)

Rules for the retention of Regimental Officers in civil employ.

Clause 129.—With the sanction of the Secretary of State for India, it is notified that a regimental officer selected for temporary employment with a department of the State in an appointment, other than those* whose seconding is regulated by the provisions of paragraph 4 of G. G. O. No. 811 of 1877, will, on the expiration of a year of such temporary duty, be seconded, provided that the department employing him certifies that there is a fair likelihood of his being brought on the permanent establishment of that department; otherwise he must immediately be returned to his regiment.

* Army or personal staff appointments tenable for fixed periods.

2. An officer so seconded must either return to his regiment at the end of five years, or be struck off its strength on retention in a department for any period beyond that term. (*Indian Army Circulars, Military Department, No. 1451, dated 20th October 1880.*)

2. The Furlough granted under these Rules to a Judge selected from the Covenanted Civil Service shall be exclusive of the Furlough to which such Judge is entitled under the Rules applicable to Furloughs allowed to members of such service.

3. If a Judge of the High Court, selected from the Covenanted Civil Service, who has not taken his Furlough under the Rules applicable to his branch of the service, before his appointment to the High Court, shall take such Furlough within one year after the expiration of his Furlough under these Rules, the Furlough taken by him as Judge of the High Court shall be reckoned as so much time of his Furlough under the Rules applicable to the Covenanted Service, and the amount drawn by him shall be adjusted, with reference to such Rules, by deductions from the allowances payable to him as a Civil Servant on Furlough.

1st.—The Master Attendant may grant, to any Pilot upon application and sufficient cause shown, leave to absent himself from his duties for a period less than one month, without quitting the presidency; and for such absence, there shall be no deduction from the pay and allowance of the party availing himself of the indulgence

3rd.—Any Branch Pilot, desiring leave of absence on account of private affairs for more than one month, or desiring to quit the presidency otherwise than in the way of duty, shall submit an application for the same to the Master Attendant, and shall make known to him the occasion which induces him to apply for leave. The Master Attendant shall be competent to grant leave on account of private affairs for a period not exceeding three months, and the party availing himself thereof shall be subject to the deduction above provided.

4th.—Any Pilot who shall be absent for a longer period than three months without the special sanction of Government, shall lose all pay and allowances for the period of absence, and, further, shall suffer deduction of the time of such absence in computing the period of his general service.

ance as if absent in Europe on medical certificate; but he is not to receive any passage money.

3rd.—Pilots whose state of health may require a voyage to sea, or who may, on that account, desire to leave the presidency, shall submit application for the same to the Master Attendant, forwarding, with the application, a certificate from the Marine Surgeon. The Master Attendant may grant leave for any period not exceeding three months, and the party availing himself of it, may draw, while absent on such leave, his entire pay and allowances, without deduction. If the leave solicited exceed the period of three months, the medical certificate must be countersigned by a member of the Standing Medical Committee, and the sanction of Government will be required to enable the Pilot to proceed to the Cape or elsewhere under the following rules.

4th.—Any Pilot compelled, by sickness duly certified, to proceed to the Cape, or elsewhere beyond sea, to the east of the Cape, shall be entitled to draw, for six months from the date of his leaving the presidency, the entire pay and allowances of his grade in the Pilot Service. After the first six months, no Pilot will receive more than seven-eighths of the allowances of his rank.

5th.—A Branch Pilot authorised to proceed to England for the benefit of his health will receive Rs. 1,435-5 passage-money and draw an allowance of Rs. 200 a month from the date of the vessel in which he embarks leaving the Pilot for sea.

6th.—Rs. 500 passage-money will be granted as an advance to a Branch Pilot proceeding, under medical certificate, to the Cape of Good Hope or elsewhere than Europe, when he may be in actual need of such assistance, under the condition of repayment by instalments, to be settled, in each instance, by the Master Attendant, and submitted for the sanction of Government along with the application.

7th.—Pilots absent at the Cape or elsewhere, under the rules for such absence above stated, will be required to return to India at the end of six months from the date of their leaving Calcutta, unless they forward to the Master Attendant a renewed certificate from the Colonial Surgeon or other principal medical officer of the place where they may be residing, stating that a prolonged residence is necessary for complete recovery.

8th.—A Pilot absent under the above rules may, provided he forwards renewed medical certificates every six months, as required in the preceding rules, continue absent from India for a total period not exceeding two years, drawing, during absence, the allowances stated, either through his agent in Calcutta, or by a bill signed in the presence of a Magistrate at the place where he may be residing and certified to be so signed on the date specified. The bills may be drawn in duplicate, and will be payable to the order of the Pilot, provided, however, that no Pilot shall be allowed to benefit by this provision, unless he shall give security to such amount as may be sufficient to cover any refunds to which he may become liable in case of proceeding to Europe, whether on resignation of the service or otherwise, without returning to Calcutta, or of over-receipt by agents.

9th.—Any Pilot who shall be absent beyond sea for a period exceeding two years, shall, from the date of the expiration of the two years, be considered as suspended from the Service. It will remain to be decided, upon his return at any subsequent date, whether he shall be restored or not, accordingly as he shall be able to satisfy the Master Attendant and Government that he used all possible exertion to return within the time fixed, but failed to do so from causes beyond his control.

PAY AND ACTING ALLOWANCE CODE.

CHAPTER I.

GENERAL RULES.

1. The Pay of an *Officer* is as follows :— Pay and Salary.

(1) In the case of an Officer with a substantive appointment :—the amount which he would receive, monthly, under any of the following designations, in his substantive appointment:
Substantive Pay,
Consolidated Pay,
Military Pay and Allowances and Staff Salary,
Staff Corps Pay and Staff Salary.

(2) In the case of an Officer without a substantive appointment:—his monthly Subsistence Allowance (if a Covenanted Civil Servant or a Military Officer subject to Civil Rules); and his Military Pay and Allowances, or Staff Corps Pay (if a Military Officer subject to Military Rules).

2. The pay of an *appointment* is the pay which any particular Officer would receive monthly if he held the appointment substantively.

Examples (1).—The allowances of an Officer acting in an appointment the pay of which is subject to increase upon the passing of an examination or upon the completion of a certain period of service, are calculated upon the pay which he would from time to time receive, if he held the appointment substantively.

(2)—The allowances of an Officer acting in an appointment the pay of which has been reduced with effect from the next succession thereto, are calculated upon the reduced pay.

3. (*a*) The maximum salary of an Officiating Officer is the pay of the appointment. Maximum and minimum

(*b*) The minimum salary of an Officiating Officer is half the pay of the appointment.

Seconding.

4. If an Absentee draws no part of the pay of his appointment, another Officer may be appointed thereto substantively for a time only, on full pay, without disturbing the lien of the Absentee. The full pay of an Officer thus appointed substantively, for a time only, may, in like manner and upon the same condition, be given to a substitute appointed substantively, for a time only. The status of an Officer appointed substantively for a time only under this Section is that of an Acting Officer.

1. An Officer deputed to act in another office is not an Absentee within the meaning of this Section, unless the full pay of that office is available, and he is appointed substantively to it for a time only.

2. An Absentee who receives absentee allowances draws, within the meaning of this Section, "part of the pay of his appointment;" and this Section is not to be construed as conflicting with Rule 1, under Section 53 of the Civil Leave Code.

[NOTE.—The Subsistence Allowance of a Covenanted Civil Servant or a Military Officer subject to Civil Rules, and the English Furlough Pay of a Military Officer subject to Military Rules, are not, for the purposes of this Rule, treated as a part of the pay of an absentee's appointment.]

3. A substantive appointment may be made under this Section for a time only in the place of a Military Officer subject to Military Rules whose appointment would be forfeited under Military Furlough Rules but for the operation of Rule II of the Rules published with the General Order of the Government of India in the Military Department, No. 171, dated the 25th February 1874.

4. If an Officer is transferred to duty of a permanent kind either in Foreign Service, or, if in British Service, such that he retains no connection with his own appointment, the Local Government may, if it thinks fit, suspend his lien upon his own appointment altogether and fill up that appointment substantively, reserving only the right to reverse the arrangements thus made, in case the absent Officer at any time reverts to his original appointment.

5. Full pay is not to be drawn under this Section as a matter of course, or unless the Officer claiming it is, by proper authority, formally appointed to the office substantively for a time.

promo-
ne
nent not
-lly to be
in case of
ice on
lege leave.

5. No acting promotion is given to an Officer in the Financial Department in consequence of the absence of an Officer on privilege leave, unless an Officer is transferred from another station to fill the place of another Officer, or required to perform decidedly more responsible and onerous duties.

BENGAL SECRETARIAT LIBRARY

Pay drawn without joining.

6. If the substantive appointment of an Officer is changed while he is officiating in an appointment; or if, while so officiating, an Officer is appointed, for the first time, to some substantive office; then, provided that his tenure of his officiating appointment is not interrupted by his new substantive appointment, he may draw the pay thereof without joining it, from the date on which he is appointed thereto, or from any later date on which the substantive office becomes vacant.

Charge allowance when charge is held independently.

7. Provision is made in Section 36 for the case of an Officer appointed to be in charge of the current duties of an office in addition to his own duties. An Officer appointed to be in charge of the current duties of an office independently, without retaining charge of his own office, is entitled to a charge allowance of three-quarters of the acting allowance which would be admissible to him if he were appointed to officiate in the office. An Officer cannot be thus appointed to be in charge of a "grade."

The Local Government may, if it thinks fit, assign to the Officer a charge allowance of less than the amount thus admissible, and, on the other hand, if it thinks this amount too small, may grant him, for special recorded reason, the full acting allowance, excepting that Clauses (*b*) and (*c*) of Section 14 shall not apply to such an Officer. The charge allowance of an Officer under this Rule must never exceed what he would draw as acting allowance if appointed to officiate in the appointment.

[NOTE.—See Rules 1 and 3 under Section 36.]

Personal Allowance.

8. Unless in any case it is specially ordered otherwise, a Personal Allowance should be reduced by any amount by which the recipient's pay or salary may be increased, and should cease as soon as his pay or salary is increased by an amount equal to his Personal Allowance.

Local Fund.

9. No Acting Allowances paid from a Local Fund, or from any other sources under the control of any

Government Officer, shall, without the express sanction of the Government of India, exceed what would be admissible under the Rules which apply to an Officer paid from General Revenues. If an Officer, whose substantive office is paid from an Incorporated Local Fund (*see Definition*, "LOCAL FUND," is appointed to act in an office paid from the General Revenues, his salary is calculated as it would be if his substantive office also were paid from the General Revenues. This Rule also applies to an Officer whose substantive appointment is in Foreign Service and who is transferred in the public interests to act in an appointment paid from the General Revenues.

Pay of Native Civil Servant

10. The pay of an office held by a Native Civil Servant is, unless otherwise specially ordered, 64 per cent. of what would be the gross pay of the office if it were held by a Covenanted Civil Servant appointed after competitive examination in England.

Persian Section Indo-European Telegraph

11. The following scale of pay and allowances is

Under the Rules sanctioned by Her Majesty's Secretary of State for regulating the appointment of natives of India to offices ordinarily held by members of Her Majesty's Covenanted Civil Service, Native Civilian Probationers cannot, unless specially exempted by the Governor General in Council, be recommended for confirmation in the service until they have passed such examinations as may from time to time be prescribed by the local Government, subject to the approval of the Government of India.

2. In consequence of certain inquiries and suggestions from the Government of Bengal as to the nature of the examination to which Probationers should be subjected, and as to the period to be allowed for passing them, local Governments have been consulted on those points, and the Governor General in Council, after considering their replies, is pleased to rule that Native Civilian Probationers, appointed under the Statutory Rules, may be confirmed in their appointments at the close of the probationary period of two years, provided that they pass within that period the departmental examination by the Lower Standard prescribed for Covenanted Civilians appointed in England. With regard to the departmental examination by the Higher Standard, the Government of India does not consider it necessary to fix any obligatory period within which that examination must be passed by Native Civilians appointed in India; but it should be understood that no promotion or increase of pay will be attainable until the Higher Standard examination has been passed; and further, that the Governor General in Council reserves to himself power to dispense with the services of any Native Civilian appointed under the Statutory Rules who may fail to pass by the Higher Standard within a reasonable time, and who, as a result of such failure, is found to be disqualified for the efficient discharge of his duties as a member of the Civil Service.—*Resolution in the Home Department, No.* 1 *dated 11th January 1881*) 27-38,

Maximum Civil salary.

12. The maximum Civil Salary, except for the Governor General, the Governor of Bombay or Madras, a Lieutenant-Governor or an Ordinary Member of the Council of the Governor General, is Rs. 50,000 a year. But Sumptuary Allowances may be granted in addition to this maximum.

13. * The following are the Rules regarding the grant of increases to pay and creation of new appointments:—

I.—No payments may be made on account of increases to pay until the additional expenditure thereby caused has been provided for in the Estimates, and duly sanctioned.

II.—No increase which would have the effect of raising a pay above Rs. 5,000 a year may be included in the Estimates until the sanction

* The Secretary of State has repeatedly objected to the Government of India sanctioning, in anticipation of his approval, increases of pay and establishments, grants of Special Pensions, and measures involving additional expenditure; and has now requested that the Standing Orders on the subject may be strictly observed in future.

2. It will be therefore out of the power of the Government of India to sanction any such measures provisionally, except in special emergencies.

3 The President in Council accordingly desires that all Departments of the Government of India, Local Governments and Administrations, and Heads of Departments will refrain from recommending the sanction, in anticipation of the approval of the Secretary of State, of any expenditure which requires the sanction of Her Majesty's Government. Nothing short of urgent necessity will be held to justify any disregard of these orders. Whenever such urgent necessity occurs, its nature must be precisely explained, together with the reason why it was not foreseen in time to enable the Government of India to take the orders of Her Majesty's Government in due course.—(*Resolution No. 3648. dated 23rd November 1880*)

But temporary appointments on more than Rs. 250 a month, which are not likely to be made permanent, such as appointments in connection with war or famine, and the deputation of officers on any temporary duty with an increase to their pay raising it above Rs. 5,000 year, do not require the sanction of the Secretary of State, and need not be reported —(*Resolution dated 7th April 1880.*)

of Her Majesty's Secretary of State for India has been obtained.

III.—No new appointment with pay exceeding Rs. 3,000 a year may be created without the previous sanction of the Secretary of State for India. If an emergency should arise demanding the immediate creation of such an appointment, it may be made provisionally; but in such case it must be at once reported to the Secretary of State,—no expectation being held out to the individual appointed to it, which would warrant a claim for compensation in the event of the appointment not being finally sanctioned.

CHAPTER II.

THE COVENANTED CIVIL SERVICE, AND MILITARY OFFICERS SUBJECT TO CIVIL RULES, EXCEPTING THOSE ACTING IN APPOINTMENTS OF WHICH THE PAY IS A STAFF SALARY, AND EXCEPTING ALSO THOSE IN THE PUBLIC WORKS DEPARTMENT (INCLUDING THE RAILWAY REVENUE ESTABLISHMENT), THE SURVEY, OR THE FOREST DEPARTMENT.

Officers with substantive appointments

14. (*a*) An Officer with a substantive appointment officiating in another appointment or in a higher grade, is entitled to an Acting Allowance of one-fifth of the pay of the appointment or grade.

Minimum Acting Allowance

(*b*) But the Acting Allowance shall not be less than two-thirds of the difference between the pay (or, if the pay is Progressive, the minimum pay) of the appointment or grade, and the pay of the Officiating Officer.

(*c*) Nor shall it be less than Rs. 200.

I. In the North-Western Provinces, when a Settlement Officer officiates in an appointment in another Department, his salary shall be calculated as if his pay were the pay of the Ordinary Grade next below the standing which he occupies in the Settlement Department.

15. An Officer officiating in a Class divided into Grades will officiate in the Lowest Grade, unless it be otherwise specially ordered.

[*Illustration.*—A is Magistrate, in the First Grade, of Nuddea: B is Magistrate of Midnapore, the senior in the Second Grade: C is a Joint Magistrate. If A takes leave, then, in ordinary course of promotion, B would obtain officiating promotion to the First Grade without leaving Midnapore, and C, appointed to officiate as Magistrate of Nuddea, would officiate in the Second Grade.]

Officer without substantive appointment.

16. An Officer without a substantive appointment is entitled to Subsistence Allowance with an Acting Allowance of half the pay of any appointment in which he officiates.

[NOTE.—For rates of Subsistence Allowance, see Civil Leave Code, Section 59, Rule 1.]

CHAPTER III.

MILITARY OFFICERS SUBJECT TO MILITARY RULES, AND MILITARY OFFICERS SUBJECT TO CIVIL RULES ACTING IN ANY APPOINTMENT OF WHICH THE PAY IS A STAFF SALARY [NOT BEING IN THE PUBLIC WORKS DEPARTMENT (INCLUDING THE RAILWAY REVENUE ESTABLISHMENT), THE SURVEY, OR THE FOREST DEPARTMENT].

[NOTE.—A Military Officer employed in the Military Secretariat of the Government of India, Madras or Bombay, though drawing pay in the Civil Department, is not subject to this Code.]

Specification cases

17. The cases which may occur are these:—

(*A*) An Officer officiating in an appointment of which the pay is Consolidated may be—

Case 1.—An Officer without a substantive appointment.

Case 2.—An Officer having a substantive appointment the pay of which is consolidated.

Case 3.—An Officer having a substantive appointment the pay of which is a Staff Salary.

(*B*) An Officer officiating in an appointment of which the pay is a Staff Salary may be—

Case 4.—An Officer without a substantive appointment.

Case 5.—An Officer having a substantive appointment the pay of which is consolidated.

Case 6.—An Officer having a substantive appointment the pay of which is a Staff Salary.

1. An appointment of which the pay is fixed upon the assumption that it will be held by a Civil Officer, Covenanted or Uncovenanted, is treated, for the purposes of this Section, as if the pay of it were "consolidated."

Appointments on Consolidated Pay

18. In *Case 1* the Officer is entitled to his pay. If his pay is less than the following Subsistence Allowance added to half the pay of the appointment, then the Officer is entitled, besides his pay, to such Acting Allowance as will make the total equal to the sum of the following Subsistence Allowance added to half the pay of the appointment:—

Subsistence Allowance.	Rs.
For an Officer of the rank of Captain or Subaltern	250 a month.
For an Officer of the rank of Major . . .	320 ,,
For higher rank	400 ,,

Appointments on Staff Salary

19. In *Cases 2 and 3* the Acting Allowance is regulated by Sections 14 and 15.

20. In *Cases 4, 5, and 6* the salaries are calculated by Military Rules:* any excess of the consolidated pay of the substantive appointment in *Case 5*, over the military pay and allowances or the staff corps pay of the Officer, being treated as a staff salary.

[NOTE.—Allowances only are to be calculated under Military Rules: it is not intended that the restrictions which apply to the grant of Privilege Leave under the Military Rules are to be applied to Officers officiating in the Civil Department.]

* The Military Rules referred to are as follows:—

(1) For an Officer officiating for an Absentee who is subject to the Rules of 1854—

An Officiating Officer will draw half the Staff Salary of the appointment for the first six months. After acting for six months (or earlier if it is available), he will become entitled to the full Staff Salary. But in such case, he can draw no portion of the Staff Salary of his substantive appointment.

(2) For an Officer officiating for an Absentee who is subject to the Rules of 1868—

An Officiating Officer will draw half the Staff Salary of the appointment and half the Staff Salary of his substantive appointment (civil or military) if he have one: Provided that the whole Staff Salary thus drawn shall not be less than Rs 100 a month, unless the full Staff Salary of the post in which he is officiating is less than that sum If the full Staff Salary is available, he may draw the whole of it, but in such case he can draw no portion of the Staff Salary of his substantive appointment.

(3) For an Officer officiating for an Absentee under the Rules of 1875—

The Rules are those which apply to an Officer officiating for an Absentee under the Rules of 1868, except that as the furlough allowance of an Officer subject to the Rules of 1875 varies in the case of his transfer from one appointment to another during furlough (*Pay Code, Vol. I, Article 1043F*), the salary of the Acting Officer would likewise vary (*Article 218*), while the furlough allowance of an Officer subject to the Rules of 1868 is unaffected by such transfer (*Article 1026*).

21. (*a*) As an exception to Sections 18 and 19, the allowances of a Commissioned Medical Officer, officiating in an appointment the pay of which was fixed by General Order of the Government of India in the Military Department, No. 370, dated the 4th April 1867, shall be regulated by Section 20, on the assumption that the pay of the appointment is a Staff Salary equal to the difference between the Officiating Officer's unemployed pay and the consolidated pay he would receive if he held the appointment substantively. Medical appointments

(*b*) Provided that, whatever may be the appointment held by an Officer appointed to the Medical Service before the 7th November 1864, his aggregate allowances shall not be less than the grade pay of his rank.

sal. [NOTE.—If a Military Officer officiating in a military appointment has a ubstantive appointment in the Civil Department, he draws in the Military Department the allowances to which he would have been entitled under Military Rules had his substantive appointment been an appointment in the Military Department.]

CHAPTER IV.

THE PUBLIC WORKS DEPARTMENT.

[ENGINEER- ESTABLISHMENT, SUPERIOR RAILWAY REVENUE ESTABLISHMENTS, AND SUPERIOR OFFICERS OF ACCOUNTS BRANCH.]

Explanation.—The Civil Pay of a Graded Class is the Average Civil Pay of the Grades (calculated without reference to the number of appointments in each Grade); but the Officiating Officer's salary shall not exceed the pay of the Lowest Grade.

Net Military Pay of Royal Engineers.

24. The Net Military Pay which an Officer of the Royal Engineers serving in the Department of Public Works on consolidated departmental pay receives in addition thereto, is not taken into account in calculating Acting Allowances. His Civil Salary is fixed independently of his Net Military Pay, to which he is separately entitled over and above his Civil Salary.

Special Allowances

25. In the following cases Special Allowances may be granted in addition to pay by the Local Government, or, if the Officer is not serving under any Local Government,* by the Government of India:

27. An Officer officiating in the Grade immediately above his own is entitled to the pay of that Grade.

28. An Officer officiating in a Grade higher than that immediately above his own is entitled to an Acting Allowance, in addition to his pay, of one-fifth of the Pay of the Grade in which he officiates.

29. An Officer without a substantive appointment is entitled to an Acting Allowance, in addition to his pay (if any), of half the Pay of the Grade in which he officiates.

CHAPTER VI.

OTHER OFFICERS.

30. The following are the Rules applicable to Officers in Civil Employ who are

not Covenanted Civil Servants, or Military Officers,

or in the Public Works (including Railway Revenue Establishments) or Survey (India) Departments, unless they are officiating in appointments below the rank of Assistant Engineer, or Assistant Examiner, or Assistant Superintendent, or in the case of Railway Revenue Establishments in Classes lower than Class IV,

or Officers of the Superior Establishment of the Forest Department, whose Acting Allowances are regulated by the Special Rules contained in the Appendix,

or Law Officers, for the Rules regarding whose Acting Allowances, see Chapter VII, Civil Leave Code.

Acting in offices open to Covenanted Civil Servants, &c.

31. (*a*) An Officer with a substantive appointment, officiating in an appointment which is open to, and may in practice be held by, a Covenanted Civil Servant or a Military Officer, is entitled to the Acting Allowance defined in Sections 14 and 15. In case of doubt, if the appointment is not one of a class existing in other Provinces, the Local Government will decide whether this Clause applies; otherwise, the orders of the Government of India must be obtained.

Examples of the appointments referred to.—The appointments of Postmasters-General and Judges of Small Cause Courts of the First Class in Bengal, *viz.*, the Small Cause Courts in Calcutta and Sealdah, the Principal Court in Jessore, and the Courts in Magurah, Jhenida, Narail, Hooghly, Serampore, and Howrah.

No officiating in grades.

(*b*) An Officer with a substantive appointment officiating in an appointment to which Clause (*a*) does not apply, and of which the pay is not less than Rs. 100, is entitled to an Acting Allowance of one-fifth of the pay of the appointment: Provided that, except in the Post Office Department, no Officer may, under this Clause, be appointed to officiate in a higher Grade of his own Class.

Examples of the appointments referred to.—Extra Assistant Commissionerships, Judgeships of Small Cause Courts in Bengal not mentioned in the example under Section 31(*a*), and the Subordinate Judgeships with which they are classed.

Public Works Subordinates.

1. In the Public Works Department no increased allowances are admissible to an Officer of the Upper Subordinate Establishment, or to a Sub-Overseer, for performing duties previously entrusted to one of a higher Grade in either of the Subordinate Establishments.

Munsiffs in Madras.

2. In Madras the First, Second, and Third Grades of Munsiffships are treated as distinct *Classes*.

Graded appointments.

Explanation.—The pay of an appointment which belongs to a Graded Class and is not such as is described

in Clause (*a*) of this Section is the Average Pay of the Grades, calculated without reference to the number of appointments in each Grade; but the Officiating Officer's salary shall not exceed the pay of the Lowest Grade, unless he belongs to another Department, and is specially appointed to officiate in a Grade other than the Lowest.

[NOTE.—This Explanation does not apply to appointments in the Post Office Department.]

Probationary or Acting Deputy Magistrate or Deputy Collector Bengal.

3. As an exception to this Explanation, the salary of a Probationary or Acting Deputy Magistrate and Deputy Collector in Bengal, without a substantive appointment, is Rs. 150 a month.

Officers without substantive appointments.

32. (*a*). An Officer without a substantive appointment, officiating in an appointment the pay of which is not less than Rs. 100, is entitled to an Acting Allowance of half the pay of the appointment. (*See Explanation under Section 31 (b) and Rule 3 under it.*)

Appointments of less than Rs 200

(*b*). If the pay of the appointment is less than Rs. 200, and the Local Government considers that the Acting Allowances admissible by Rule are insufficient, it may grant to the Officiating Officer higher allowances, not exceeding the difference between the pay of the appointment and the portion of it drawn by the absentee for whom he officiates.

[NOTE.—*See Rule 1 under Section 4.*]

Appointments of less than Rs 100

33. (*a*) The salary of an Officer officiating in an appointment of which the pay is less than Rs. 100 should, as far as practicable, be regulated by Sections 31 (*b*) and 32(*a*).

(*b*) If an Officer officiating in such an appointment has a substantive appointment, his salary must in no case exceed what it would be if Section 31(*b*) were exactly applied.

(*c*) If he has no substantive appointment, the Officer who appoints him may grant him such allowance,

not exceeding the pay of the appointment, as he considers necessary :

Provided always that the Absentee Allowances of an Officer whose pay is less than Rs. 100, must not exceed the difference between his pay and the sum of the Acting Allowances paid in consequence of his absence. (*See Civil Leave Code, Section 126, and Rule 2 under it.*)

[NOTES. (1). This Proviso does not apply to the cases noted as *Exceptions* (1) and (2) under Section 126 of the Civil Leave Code.

(2). When the appointment is the ultimate result of the deputation of an Officer to other public duty, and not of the absence of an Officer on leave, this proviso does not apply. In such case Clause (*c*) operates absolutely.]

CHAPTER VII.

PLURAL APPOINTMENTS.

Two or more appointments

34. The salary of an Officer holding substantively, or officiating in, two or more independent appointments at one time, is regulated as follows :—

(*a*) He draws the highest salary to which he would be entitled if he held, or, as the case may be, officiated in, any one of the appointments alone :

(*b*) For the other appointment or appointments, he draws such allowances as the Local Government may fix, not exceeding for each appointment half the salary which he would draw if he held, or, as the case may be, officiated in it alone :

(*c*) Provided that his aggregate salary shall not exceed the pay which he would draw in the most highly paid of the appointments, if he held it substantively and alone.

1. This Proviso may be dispensed with, if the Local Government declares that, for special reasons (to be recorded and, unless the extra expense falls only upon Provincial or Local Resources, communicated to the Supreme Government), it is necessary, on public grounds, to entrust to the one Officer the duties of the several

offices at once, and that the salary to which he would be limited by this proviso is not enough.

[*Illustration.*—A Covenanted Civil Servant holding a substantive appointment, A, of which the pay is Rs. 1,000, is appointed, without being relieved of his own duties, to officiate in two appointments, B, of which the pay is Rs. 1,600, and C, of which the pay is Rs. 2,200;

	Rs.
If he held A only, he would draw	1,000
If he officiated in B only, he would draw pay Rs. 1,000 and acting allowance Rs. 400	1,400
If he officiated in C only, he would draw pay Rs. 1,000 and acting allowance Rs. 800	1,800
He will therefore draw for C (which carries the highest salary)	1,800

And, but for proviso (*c*), he would be entitled for B and A to such allowances as the Local Government may fix, not exceeding Rs. $\frac{1,400}{2} = 700$ for B, and $\frac{1,000}{2} = 500$ for A.

But in consequence of this proviso, his aggregate salary must be limited to Rs. 2,200 (the pay of appointment C), unless the declaration prescribed in Rule 1 be made.]

Exceptions.

2. This Section does not apply to a Government Officer appointed to be a Minor Professor under the Medical Warrant of April 1867, or a Professor or Lecturer in any Government institution, to the duties of which offices an Officer is not required to devote his whole time.

35. (*a*) Section 34 does not apply to the case of an Officer officiating at the same time in two or more appointments which are ordinarily held substantively by one individual; in such case, the two appointments shall, for the purpose of calculating Acting Allowances, be treated as one appointment upon the aggregate pay:

(*b*) Or to the case of an Officer discharging the duties of more than one appointment in the same office, or on the same establishment. An Officer so employed is entitled to the highest salary to which he would be entitled if he held or officiated in any of the appointments alone, and to nothing more.

EXAMPLES.—An Under Secretary discharging the duties of a fellow Under Secretary in the same office or Department as well as his own.

A Joint Magistrate appointed, in addition to his own duties, to officiate as Magistrate of the District. In this case he gets allowances only as officiating Magistrate of the District.

A District Judge deprived of the help of an Additional or Assistant Judge, and therefore doing the Additional or Assistant Judge's work.

A Joint Magistrate doing the work of a second Joint Magistrate in the District as well as his own.

A Clerk doing the duties of another Clerk in the same Office.

A Director of Public Instruction doing the work of one of his Inspectors, or one Inspector in the Educational Department doing the work of a fellow Inspector in addition to his own.

(*c*) Nor does Section 34 affect Local Allowances given for the performance of separate duties.

Medical Officer.

1. A Regimental Medical Officer appointed to act as Civil Surgeon of a Station without relinquishing his Regimental Duties is entitled to an Acting Allowance of Rs. 100 a month. With this exception, the allowances for the additional charge of an appointment of the kind described in Section 21, whether the charge is held by a Regimental Medical Officer, or a Commissioned Medical Officer already employed in the Department, are regulated by Military Rules, and not by this Code, the pay of the appointment being calculated on the principle indicated in that Section.

Cantonment Magistracy.

2. A Covenanted or Uncovenanted Civil Officer placed in charge of a Cantonment Magistracy in addition to his own duties is entitled to an Acting Allowance of Rs. 100 if the Cantonment Magistracy is of the Second Class, and Rs. 150 if it is of the First Class. But, as a rule, only Military Officers should hold Cantonment Magistracies.

Charge of current duties.

36. When an Officer is appointed to be in charge of the current duties of an office in addition to his own duties, and the charge, in the opinion of the Local Government, entails a substantial increase of responsibility and some additional work, he is entitled to a Charge Allowance, to be fixed by the Local Government, not exceeding one-tenth of the pay of the office. If the office is open to, and may in practice be held by, a

Covenanted Civil Servant or a Military Officer, the allowance shall not be less than Rs. 100. Provided that the salary of an Officer, appointed to be in charge of the current duties of an additional office, shall never exceed the salary which he would receive for officiating in the office.

EXAMPLE.—One effect of the Proviso in this Section is that, unless the Local Government thinks it necessary to make the declaration indicated in Rule 1 under Section 34, an Officer is not entitled to any allowance for taking charge of an office the pay of which is not more than that of his own substantive office.

Charge allowance

Exceptions—(1).—When a Subordinate Judicial Officer is placed in charge of a District Judge's Office, or when an Officer is placed in charge of a Political Agency, or Residency of the second or third Class, the Charge Allowance is fixed at Rs. 150 a month.

(2).—An Upper Subordinate in the Public Works Department placed by Competent Authority in charge of the current duties of an Executive Engineer's Office in addition to his own duties, draws an allowance of Rs. 50 in addition to his own salary within the limit of the pay of an Executive Engineer, fourth Grade. Any other Officer of the Public Works Department, appointed without being relieved of his own duties to be in charge of the current duties of an office of higher Class than his own, may be permitted to draw a charge allowance of one-tenth of the pay of the higher Class.

(3).—An Executive Engineer in charge of two Divisions may, as a special and temporary arrangement, receive a Charge Allowance of Rs. 100.

(4).—A Sub-Inspector of the Inland Customs Department, when placed in charge of the duties of an Inspector or Assistant Inspector, is entitled to a Charge Allowance of Rs. 15.

(5).—Whenever the administrative and medical charges of a Central Jail are not united, the Officer appointed to the Medical Charge of the Jail is entitled to an allowance of Rs. 100 or, in special cases, at the discretion of the Local Government, Rs. 150: Provided always that the aggregate cost for the administrative and medical charges shall not exceed the total pay payable for the combination of the two charges in one person.

Section 36.

Insert the following as Exception 3A under this Section :—

3A. An officer of the Forest Department holding charge of two divisions may, as a special and temporary arrangement, receive a charge allowance of Rs. 100.

(95)—(*No. 2644, dated 17th August 1883.*)

(6).—A Talati (Village Accountant, Bombay) placed in charge of the duties of another Talati in addition to his own duties, is entitled to allowances as follows :—

(*a*)—If the Talati whose duties he performs in addition to his own receives fixed pay :—such portion of that fixed pay, not exceeding one-half, as the Collector of the District may determine.

(*b*)—If the Talati whose duties he performs in addition to his own is remunerated by a percentage on the revenue :—such portion of such percentage as the Collector may determine :

Provided always that no extra expense shall be caused to the Government by the arrangement.

(7).—An Officer other than a Police Officer, including, in the Bombay Presidency, a Supernumerary Assistant Collector, placed in charge of the Police of a District, is entitled to a Charge Allowance of Rs. 100 a month, provided that such appointment does not involve an increase in the sanctioned strength of Officers for the whole Province required for the charge of Police Districts.

(8).—An Officer in Medical Charge of a Civil Station is entitled to an allowance of Rs. 100 for holding visiting charge of a second Station.

(9).—As a temporary arrangement, under special circumstances, and subject to confirmation by Government, a Superintendent in the Telegraph Department holding charge of two Divisions may receive an allowance of Rs. 100 a month, and an Assistant Superintendent in charge of two Sub-divisions, an allowance of Rs. 50 a month.

1.—No Allowance is admissible under this Section unless the incumbent has actually given over charge of the office under the orders of Competent Authority, and is absent on leave or deputation or is under suspension. For instance, no allowance is admissible to a Subordinate Officer empowered to dispose of routine business while his Superior is on tour.

[NOTE.—This Rule applies also to Section 7.]

2.—No allowance is admissible to a magisterial or other non-Medical Officer for the executive charge, either permanently or temporarily, of a District Jail.

3.—An Officer placed in charge of the current duties of an office is not entitled to any fixed Travelling, Tentage, or Local

Allowances attached to the office, except under the special orders of the Local Government.

[NOTE.—This Rule applies also to Section 7.]

37. When a Military Officer is appointed to officiate in a Civil Office, without being relieved of his military duty, his allowances for his civil duties are regulated in accordance with Section 34 and Rule 1 under it. If he has no substantive appointment in the Military Department, the pay of his rank is held to be his substantive pay for the purposes of Section 34. The allowances for his civil duties are drawn in the Civil Department, and his allowances for his military duty are drawn in the Military Department.

CHAPTER VIII.

APPOINTMENTS ON PROGRESSIVE PAY.

38. (*a*) A Progressive Pay is, on an average, equivalent to a Fixed Pay, the amount of which lies between the Minimum and Maximum of the Progressive Pay. The exact amount of this equivalent varies according to the conditions of each appointment; but, in practice, it is assumed that a Progressive Pay rising to its Maximum by five equal yearly increments, is equivalent to a fixed pay equal to the Minimum, *plus* two-thirds, or if the appointment is a ministerial appointment, *plus* three-fourths, of the difference between the Minimum and the Maximum.

[NOTE —This Section does not fix the pay of a Progressive Appointment, but only indicates the mode of rating the value of such an appointment for financial purposes. The pay of a Progressive Appointment is, according to Section 2, the pay which any particular Officer would receive monthly if he held the appointment substantively. In calculating, therefore, the salary of an Officer officiating in a Progressive Appointment, the pay of the appointment as defined in Section 2, and not the value of the appointment according to the calculation in this Section, should be taken into account.]

(*b*) A proposal to grant an Increment of Progressive Pay in advance of the due date, should always be scrutinised with especial jealousy: it is contrary to the principle of Progressive Pay to grant an Increment

before it is due, and such a grant should not be recommended or granted, excepting under circumstances which would justify a Personal Allowance to an Officer whose pay is fixed, that is to say, seldom if ever.* If the value of the appointment calculated under Clause (*a*) is such that the addition of a premature Increment would raise it above Rs. 5,000 a year, such premature increment cannot be granted without the sanction of the Secretary of State.

(*c*) A Progressive Pay beginning with a lower Minimum, or the Increment of which is smaller, may, nevertheless, be more valuable than another beginning with a higher Minimum, or the Increment of which is larger.

(*d*) The pay of an Officer holding a Progressive Appointment substantively, is, in no case, less than the Minimum Pay of the appointment, and the Acting Allowance of an Officer acting in a Progressive Appointment is in no case less than it would be if the pay of the appointment was fixed at the Minimum.

39. An Increment accrues from the beginning of the Calendar Month following that in which it is earned, any intermediate broken period being neglected.

40. Except as provided in Section 42

(*a*) the initial pay of an Officer holding substantively a Progressive Appointment is—

(i) the Minimum Pay of the appointment, or,

(ii) if he had before acted in, or held substantively, the same or a similar appointment† and his appointment is not intended to involve any penalty, at his option, the salary which would be admissible to him if, on the date of his appointment to the new office, he acted in or held substantively the same or a similar appointment: Provided that if

* In sanctioning, as a special case, Increments in the Progressive Pay of an Officer in advance of the due date, the Secretary of State observed that "as a rule, there is great objection to giving retrospective effect to a measure of this nature." (*Despatch No. 334, dated 30th September 1880.*)

† Here and elsewhere in this Chapter a "similar" appointment means another Progressive Appointment of not less value; the value of each of the appointments to be compared being calculated as explained in Section 38 (*a*).

service in another similar appointment is counted, the Officer's initial pay shall not exceed what it would have been if that service had been rendered throughout in his new appointment ;

(iii) if the Officer is transferred to a Progressive Appointment from an office on fixed pay, the amount of which exceeds the minimum of the Progressive Appointment, he may begin his service in the Progressive Appointment upon his former pay ;

(*b*) (i) his first Increment is due after he has held the appointment substantively for the period necessary to earn an Increment (usually one year) ; but if, under the operation of Clause (*a*) (ii), his initial pay exceeds the minimum pay of the appointment, the date of his first Increment will be calculated with reference to the whole period during which he has acted in or held substantively the same or a similar appointment ;

(ii) in the case of an Officer drawing more than the minimum pay of the appointment under clause (*a*) (iii), the Increments will be calculated as if he had commenced on the minimum pay of the appointment.

Example.—A.B., whose pay is Rs. 120, is transferred on the 1st January 1881 to an appointment on Rs. 100-10-150. His initial pay is Rs. 120, and his first Increment will be earned on the 1st January 1884 when he will draw Rs. 130

41. (*a*) Except as provided in Section 42, the Acting Allowances of an Officer acting in a Progressive Appointment are reckoned, from time to time, upon the pay which he would, from time to time, have received, if, during his whole tenure of the appointment or of some similar appointment, he had held the appointment substantively and continuously. Provided that service taken into calculation in determining pay under Section 40, Clause (*a*) (ii) cannot again be taken into account in determining salary under this Section.

(*b*) An Acting Officer whose substantive appointment is Progressive, receives, simultaneously, the Increments

of his own appointment, whether the appointment in which he is acting is Progressive or not. His salary must be calculated afresh after each Increment, whether substantive or acting, is earned.

42. On the transfer of an Officer, otherwise than as a penalty, from one Progressive Appointment to another,

(*a*) his initial pay or salary is either

(i) the salary which he was receiving before his transfer; or,

(ii) the Minimum Pay of his new appointment, *plus* the excess of his former salary over the Minimum Pay of his former appointment,

whichever is less:

Provided that an Officer shall not under this Section receive less than he is entitled to receive under Section 40 or 41, as the case may be.

[*Note.*—The principle and object of this Clause is to admit of the transfer of an Officer without loss to him, so far as this can be arranged without loss to the State.]

(*b*)(i) if, in his new appointment, the Increment in salary is not due on or before the date on which he would have been entitled to Increment in the salary of his former appointment had he continued to hold it, the Officer will, in his new appointment, for once, receive, on the date on which it would have been due, the Increment to which he would have been entitled in his former appointment: Provided that the Increment thus received shall not exceed the Increment in the salary of his new appointment;

(ii) his first increment in the salary of his new office shall be granted on the due date counted from the date of his appointment thereto; but the Increment granted under clause (i) must be abandoned from such date.

43. The incumbent of an appointment, the pay of

which is changed, shall be treated as if he were transferred to a new appointment on the new pay :

Provided that, if he prefers to retain his old pay, the Local Government may allow him to do so, postponing the change of the pay of the appointment till he vacates office.

Time spent on leave

44. Time spent on Leave With Allowances counts towards Increments in the same manner as if during it the Officer had actually held or Officiated in (as the case may be) the appointment on which he has a lien.

Suspension

45. Time passed under Suspension does not count towards Increment, if the suspension is a penalty for misconduct; but an Officer, in directing reinstatement of a person who has been suspended, may declare that the time shall count.

Condition of Periodical Increments.

46. A Periodical Increment should not be granted to an Officer serving on Progressive Pay as a matter of course, or unless his conduct has been good. A Periodical Increment may be withheld from a Ministerial or Menial Officer at the discretion of the Head of his office. A Periodical Increment cannot be withheld from any other Officer without the sanction of the Local Government, which may, however, delegate the power of withholding such Increments to Heads of Departments or other Supervising Officers.

Period of rise in progressive pay

47. A Progressive Pay shall not ordinarily rise from the minimum to maximum by less than five equal yearly increments. If, in any case, a Progressive Pay already sanctioned rises from a minimum to a maximum in less than five years, then, upon the first occurrence of a succession to the office, the pay must be modified in accordance with this Rule, so that the growth from the minimum to the maximum may be by not less than five equal yearly increments.*

---

* The increase thus ordered in the period in which the pay of any office existing on the 27th October 1875 shall rise from a minimum to a maximum shall not apply, in the case of a Department divided into Grades or Classes, to any Officer who was already on that date a member of the Department.—(*Resolution No 3137, dated 21st December 1875*)

A Department divided into Grades or Classes, within the meaning of the Resolution of the 21st December 1875, is that portion of any Department which is divided

CHAPTER IX.

NOTES.—(1) A Good Service Pension comes within the "allowances" which a temporary Member of Council appointed on a vacancy occurring in the office of an ordinary Member must forego

(2) The salary of the substantive office of a temporary Member of Council appointed in the place of an ordinary Member of Council who, by reason of infirmity or otherwise, is rendered incapable of acting or is absent on leave, includes the Military pay or Staff Corps pay of an officer holding an appointment the pay of which is a Staff salary, but does not include a Good Service Pension Such a temporary Member is not liable to any deduction of salary on account of Good Service Pension

I.—Saving as provided in Rule III (ii), the salary of an officer who is dismissed ceases absolutely from the date of his dismissal; no allowances may be granted to him for any period occupied in his prosecution of appeals against the order dismissing him.

II.—Saving as provided in Rule III (ii), an Officer suspended from office as a penalty for misconduct is entitled to no salary while he is absent from duty.

III.—Subject to the proviso that, without the permission of the Local Government, no expenditure may be incurred in excess of what would have taken place if the Officer had remained on duty,—

Whenever a Government official is judicially convicted of any offence, a copy of the decision should be sent to the Head of the Department in which he is employed, in order that such action in the case, as may be deemed proper, may be taken at once.—(*Circular in the Home Department, dated 7th August 1868.*)
